

Ordinance No. 260325

Dept. of Transportation CMAQ Grant

Jensen Adams, Chief Environmental Officer

April 7, 2026

Transportation, Infrastructure and Operations Committee

Purpose

Accepting a \$150,000 grant award from the Missouri Highways and Transportation Commission, as part of its Congestion Mitigation and Air Quality Program, to fund the purchase of electric vehicle charging infrastructure.

Funding uses

Funds will be used to:

- Purchase one (1) BEAM EV ARC portable solar charging station including:
 - Additional battery storage capacity
 - Trailer for moving the system
 - Network charging subscription
- Supplement costs for Level 3 EV charging station at animal control building

Climate Protection & Resiliency Plan Strategies

- E-2 Expand neighborhood, commercial, and municipal renewable energy generation
- E-3 Improve grid stability and resilience
- M-5 promoting electric vehicle adoption and expanding the charging network.
- M-5.1: Promote community-wide electric vehicle adoption
- M-5.2: Expand the charging station network
