

Childhood Lead Poisoning Prevention/HH Program Environmental Health Services Division

Program Manager, Amy Roberts RN BSN

Community Partner: University of Kansas City, Center for Economic Impact

Date: 3/18/2025

- **\$46,800 dollars HUD Technical Studies grant**
- **Period of performance-Sept 1, 2024-Sept 1, 2027**

PHBE Grant Goals

- Examine the effectiveness of ‘healthy home’ repairs by the Lead Safe KC program in reducing the incidence of asthma, poisonings and trip and fall injuries.
- Quantify the impact of ‘healthy homes’ repairs in terms of hospitalizations avoided and cost savings.
