UTILITY EASEMENT: An easement is hereby granted to Kansas City, Missouri, for the purpose of locating, constructing, operating, and maintaining facilities for water, gas, electricity, sewage, telephone, cable TV, surface drainage, and grading, including, but not limited to, underground pipes and conduits, pad mounted transformers, services pedestals, any or all of them upon, over, under and along the strips of land designated Utility Easements (U/E), provided that the easement granted herein is subject to any and all existing easements. Any utilities located within the designated Utility Easements, by virtue of their existence, do hereby covenant, consent, and agree that they shall be subordinate to said public right of way in the event that additional public right of way is dedicated over the location of the Utility Easement. Where other easements are designated for a particular purpose, the use thereof shall be limited to that purpose only. All of the above easements shall be kept free from any and all obstructions which would interfere with the construction or reconstruction and proper, safe and continuous maintenance of the aforesaid uses and specifically there shall not be built thereon or thereover any structure (except driveways, paved areas, grass, shrubs and fences) nor shall there be any obstruction to interfere with the agents and employees of Kansas City, Missouri, and its franchised utilities from going upon said easement and as much of the adjoining lands as may be reasonably necessary in exercising the rights granted by the easement. STREET DEDICATION: Streets shown hereon and not heretofore dedicated for public use as street right-of-way are hereby dedicated.

BUILDING LINES: Building lines or setback lines are hereby established, as shown on the accompanying plat, and no building or portion thereof shall be built between this line and the lot line nearest thereto.

RIGHT OF ENTRANCE: The right of entrance and egress in travel along any street or drive within the boundaries of the property is hereby granted to Kansas City, Missouri, for the purpose of fire and police protection, maintenance of water mains, sanitary and storm sewer lines, collection of garbage and refuse and to the United States Postal Services for the delivery of mail; provided, however, such right of ingress and egress does not include any obligation to contribute for any damage to any private street or drive by virtue of the exercise of the rights stated herein and specifically, neither Kansas City, Missouri nor the U.S. Postal Service shall incur any liability by virtue of the exercise of such rights.

FLOODPLAIN: The subject property is located in "Zone X" (areas of minimal flooding) according to the Jackson County, Missouri Flood Insurance Rate Map (FIRM) map number 29095C0407G, map revised January 20, 2017.
