Major Kari Thompson will present **Take Back the Block**, KCPD's neighborhood-based program combining door-to-door canvassing, 311 call data on most requested services, and resources from social service agencies.

Based on a successful program in Chicago, Take Back the Block works to foster a safer Kansas City, block by block.

Neighborhood Case Study

DashMart Facility Longfellow Neighborhood

Longfellow Neighborhood residents will detail ongoing efforts with the Dashmart organization and the City of Kansas City to resolve issues related to the DoorDash grocery facility on their block.
