Executive Summary

Vacating approximately 13,000 square feet of public right-of-way in Zoning District B1-1 (Commercial) and B4-1 (Commercial) generally located along Charlotte Street, north of East 134th Street, and directing the City Clerk to record certain documents. (CD-ROW-2026-00013)

Discussion

The applicant is requesting the vacation of Charlotte Street north of East 134th Street. The existing roadway is paved and improved; however, it does not meet current City standards, as it lacks curb, gutter, and sidewalks. The applicant owns the property on both sides of the right-of-way proposed for vacation. The vacation will allow the applicant to secure the site and allow for potential future development.

The subject property will continue to have access from Charlotte Street to the south, as well as from East 124th Street, which terminates at the property.

Both public and private utilities are located within the existing public right-of-way. Public utilities include street lighting and water infrastructure. Private utilities within the right-of-way include Spectrum Charter, Evergy, and AT&T.
