

# City of Kansas City, Missouri

## Docket Memo

Ordinance/Resolution #: 250247

Submitted Department/Preparer: Public Works

Revised 6/10/24

Docket memos are required on all ordinances initiated by a Department Director. More information can be found in [Administrative Regulation \(AR\) 4-1](#).

### Executive Summary

Authorizing an agreement not to exceed \$46,717,626.00 with the Kansas City Area Transportation Authority (KCATA) to provide transit services for the City of Kansas City, Missouri between May 1, 2025 and October 31, 2025 from funds appropriated in the 2025-2026 Annual Budget; and establishing a policy of enhanced oversight of KCATA operations to ensure fiscal accountability.

### Discussion

The Kansas City Area Transportation Authority (KCATA) was established through an interstate compact between the states of Missouri and Kansas, which was approved by the United States Congress in 1965 to provide a coordinated and efficient public transportation system for the Kansas City metropolitan area. The KCATA was created with the mission of developing, maintaining, and operating a comprehensive and accessible transit system to serve the transportation needs of residents and businesses across the bi-state region. The City of Kansas City, Missouri, has consistently supported the KCATA since its formation by providing ongoing financial support to the KCATA through dedicated sales tax revenue and other funding mechanisms to ensure the availability and expansion of reliable public transit services for residents and visitors. Kansas City, Missouri, has supported the KCATA's mission to provide equitable access to public transportation by working together to expand service areas, improve infrastructure, and ensure that transit options are accessible to all residents. Dating back to at least 2013 - as evidenced by Resolution 130778 - the City Council has recognized that the financial structure supporting KCATA is not sustainable and has urged KCATA to take actions necessary to place itself on more secure financial footing without major reductions in service and without a continued overreliance on the City of Kansas City, Missouri. KCATA's efforts to control costs and/or increase revenues have been unsuccessful, as the KCATA has experienced persistent budget challenges which have threatened the continuity and quality of transit services. The City has repeatedly stepped in to cover KCATA's budget shortfalls through additional financial contributions and reallocations of local funding to ensure that public transit services remain operational and accessible to KCMO residents and visitors. The growing financial burden on the City has created a need for increased oversight and accountability to

ensure that KCATA's funding is managed effectively and that transit services are delivered in a fiscally responsible manner.

## Fiscal Impact

1. Is this legislation included in the adopted budget?  Yes  No
2. What is the funding source?  
Public Mass Transportation Fund 2080  
KCATA Sales Tax Fund 2290
3. How does the legislation affect the current fiscal year?  
The legislation does not affect the current year. It will reduce \$6,037,399 in the Public Mass Transportation Fund and reduce \$40,680,227 in the KCATA Sales Tax Fund in the FY2025-26 Adopted Budget.
4. Does the legislation have a fiscal impact in future fiscal years? Please notate the difference between one-time and recurring costs.  
The KCATA contract and funding are approved annually.
5. Does the legislation generate revenue, leverage outside funding, or deliver a return on investment?  
Legislation provides funding for contracted KCATA services.

### Office of Management and Budget Review

(OMB Staff will complete this section.)

1. This legislation is supported by the general fund.  Yes  No
2. This fund has a structural imbalance.  Yes  No
3. Account string has been verified/confirmed.  Yes  No

### Additional Discussion (if needed)

This ordinance intends to appropriate money in the FY2025-26 Adopted Budget. The current FY2024-25 Budget will not be used.

## Citywide Business Plan (CWBP) Impact

1. View the [Adopted 2025-2029 Citywide Business Plan](#)
2. Which CWBP goal is most impacted by this legislation?  
Infrastructure and Accessibility (Press tab after selecting.)

3. Which objectives are impacted by this legislation (select all that apply):
