

NON-EXCLUSIVE PUBLIC ROW LICENSE AGREEMENT

This Non-Exclusive Public ROW License Agreement (“**Agreement**”) is by and between **Kansas City**, a city organized and existing under the laws of the State of Missouri (“**City**”), and **Google Fiber Missouri, LLC**, a Missouri limited liability company, and its direct parent, and its direct parent’s subsidiaries, successors, or assigns (“**Licensee**”).

RECITALS

- A. City has jurisdiction over the use of the public rights-of-way in City (“**Public ROW**”).
- B. Licensee owns, maintains, operates, and controls a fiber optic infrastructure network in Public ROW (“**Network**”).
- C. The Network consists of equipment and facilities that may include aerial or underground fiber optic cables, lines, wires, or strands; underground conduits, vaults, access manholes and handholes; electronic equipment; power generators; batteries; pedestals; boxes; cabinets; vaults; and other similar facilities (“**Network Facilities**”).
- D. Prior to the Effective Date (as defined herein), Licensee operated the Network pursuant to an appropriate state or local video services franchise. Licensee may desire to, and City may desire to license Licensee to, continue to use and occupy Public ROW in order to install, operate, and maintain its Network for the purposes of offering certain communications services (“**Services**”), including broadband Internet access service as defined in 47 C.F.R. § 8.1(b) (“**Broadband Internet Services**”) and Voice over Internet Protocol services, but excluding multichannel video programming services that would be subject to a video services franchise and telecommunications services as defined in 47 C.F.R. § 153(53), to residents and businesses in City (“**Customers**”).

AGREEMENT

In consideration of the mutual promises made below, City and Licensee agree as follows:

1. Permission to Use and Occupy.

- 1.1. Permission to Use and Occupy Public ROW. Upon the License Commencement Date, City grants Licensee permission to use and occupy the Public ROW (the “**License**”) for the purpose of constructing, installing, repairing, maintaining, operating, and if necessary removing the Network and the related Network Facilities (the “**Work**”). This Agreement and the License do not authorize Licensee to use any property other than the Public ROW as agreed herein. Licensee’s use of any other City property, including poles and conduits, will be governed under a separate Agreement regarding that use.
- 1.2. License Commencement Date. The License will be effective upon the later of the date on which (a) (i) Licensee has discontinued provision of facilities-based linear video services to Customers, (ii) Licensee has taken all actions necessary under its state or local video services franchise to terminate such franchise and such franchise has

terminated, and (iii) Licensee has notified the City of (i) and (ii); or (b) the Effective Date (“**License Commencement Date**”).

- 1.3. Subject to State and Local Law. This Agreement and the License are subject to City’s valid authority under state and local laws as they exist now or may be amended from time-to-time, and subject to the conditions set forth in this Agreement.
- 1.4. Subject to City’s Right to Use Public ROW. This Agreement and the License are subject and subordinate to City’s prior and continuing right to use the Public ROW, including constructing, installing, operating, maintaining, repairing, or removing sewers, water pipes, storm drains, gas pipes, utility poles, overhead and underground electric lines and related facilities, and other public utility and municipal uses.
- 1.5. Subject to Pre-Existing Property Interests. City’s grant of the License is subject to all valid pre-existing easements, restrictions, conditions, covenants, encumbrances, claims of title or other property interests that may affect the Public ROW. Licensee will obtain at its own cost and expense any permission or rights as may be necessary to accommodate such pre-existing property interests.
- 1.6. No Grant of Property Interest. The License does not grant or convey any property interest.
- 1.7. Non-Exclusive. The License is not exclusive. City expressly reserves the right to grant licenses, permits, franchises, privileges or other rights to any other individual, corporation, partnership, limited liability company, trust, joint stock company, business trust, unincorporated association, joint venture, governmental authority or other entity of any nature whatsoever (“**Person**”), as well as the right in its own name as a city, to use Public ROW for similar or different purposes allowed Licensee under this Agreement.

2. Licensee’s Obligations.

- 2.1. Individual Permits Required. Licensee will obtain City’s approval of required individual encroachment, construction, and other necessary permits before placing its Network Facilities in the Public ROW or other property of City as authorized. Licensee will pay all lawful processing, field marking, engineering, and inspection fees associated with the issuance of individual permits by City.
- 2.2. Licensee’s Sole Cost and Expense. Licensee will perform the Work at its sole cost and expense.
- 2.3. Compliance with Laws. Licensee will comply with all applicable laws and regulations when performing the Work. Licensee will place its Network Facilities in conformance with the required permits, plans, and drawings approved by City.
- 2.4. Reasonable Care. Licensee will exercise reasonable care when performing the Work and will use commonly accepted practices and equipment to minimize the risks of personal injury, property damage, soil erosion, and pollution of surface or groundwater.

- 2.5. No Nuisance. Licensee will maintain its Network Facilities in good and safe condition so that its Network Facilities do not cause a public nuisance.
- 2.6. Repair. Licensee will promptly repair any damage to the Public ROW, City property, or private property if such damage is directly caused by Licensee's Work and no other Person is responsible for the damage (e.g., where a Person other than Licensee fails to accurately or timely locate its underground facilities as required by applicable law). Licensee will repair the damaged property to a condition equal to or better than that which existed prior to the damage, but no less than the standards required pursuant to the City's Code of Ordinances. If the Licensee fails, neglects or refuses to restore the City-owned right of way or City property to at least their former condition within the time specified in applicable City ordinances, then, after providing 72 hours' notice to the Licensee, the City may do all of such work at the cost and expense of the Licensee, for which the Licensee shall reimburse the City within a reasonable amount of time after the presentation of a bill therefor by the City. The City shall grant any request by the Licensee to extend the time to restore the City-owned right of way or City property if the City determines that performance by the Licensee within the permitted time was rendered impossible because of events which were beyond reasonable control of the Licensee. Such extension shall be for the shortest period necessary to complete the restoration.
- 2.7. As-Built Drawings and Maps. Licensee will maintain accurate as-built drawings and maps of its Network Facilities located in City and will provide them to City upon reasonable request and on a mutually-agreed timetable (e.g., piecemeal following the closure of each permit, or all at once after all the Work is complete), subject to applicable confidentiality protections.
- 2.8. Network Design. Nothing in this Agreement requires Licensee to build to all areas of City, and Licensee retains the discretion to determine the scope, location, and timing of the design and construction of the Network.

3. City's Obligations.

- 3.1. Emergency Removal or Relocation by City. In the event of a public emergency that creates an imminent threat to the health, safety, or property of City or its residents, City may remove or relocate the applicable portions of the Network Facilities with prior notice to Licensee. City will promptly provide to Licensee a written description of any emergency removals or relocations of Licensee's Network Facilities. Licensee will reimburse City for its actual, reasonable, and documented costs or expenses incurred for any such work performed by City. Licensee's obligation to reimburse City under this Section will be separate from Licensee's obligation to pay the License Fee (as defined below).
- 3.2. Relocation to Accommodate Governmental Purposes. If Licensee's then-existing Network Facilities would interfere with City's planned use of the Public ROW or other City property for a legitimate governmental purpose, such as the construction, installation, repair, maintenance, or operation of a new water, sewer, or storm drain line, or a public road, curb, gutter, sidewalk, park, or recreational facility, Licensee will,

upon written notice from City, relocate its Network Facilities at Licensee's own expense to such other location or locations in the Public ROW as may be mutually agreed by the parties, taking into account the needs of the City's governmental purpose and Licensee's interest in maintaining the integrity and stability of its Network. Licensee will relocate its Network Facilities within a commercially reasonable period of time agreed to by the parties, taking into account the urgency of the need for relocation, the difficulty of the relocation, and other relevant facts and circumstances, except that City may not require Licensee to relocate or remove its Network Facilities with less than sixty (60) days' notice.

- 3.3. Relocation to Accommodate Non-Governmental Purposes. If Licensee's then-existing Network Facilities would interfere with (a) City's planned use of the Public ROW for a non-governmental (e.g., commercial) purpose, or (b) a third-party's use of the Public ROW, Licensee will not be required to relocate its Network Facilities.
- 3.4. Non-Discrimination. City will at all times treat Licensee in a non-discriminatory manner as compared to other non-incumbent holders of local or state franchise authority offering facilities-based broadband Internet access services.
- 3.5. Any agreements between City and Licensee that provide Licensee access to public infrastructure, poles, conduits, assets, and Public ROW will be available to other network operators that offer broadband Internet access services, on rates, terms, and conditions that are as favorable as those City provides Licensee for the same access (recognizing that the equivalent consideration afforded by other service providers may be different from the License Fee).
- 3.6. Post-Removal Restoration of Public ROW. When removal or relocation is required under this Agreement, Licensee will, after the removal or relocation of the Network Facilities, at its own cost, repair and return the Public ROW in which the facilities were located to a safe and satisfactory condition in accordance with the construction-related conditions and specifications as established by City.

4. Contractors and Subcontractors.

- 4.1. Use of Contractors and Subcontractors. Licensee may retain contractors and subcontractors to perform the Work on Licensee's behalf.
- 4.2. Contractors to be Licensed. Licensee's contractors and subcontractors used for the Work will be properly licensed under applicable law.
- 4.3. Authorized Individuals. Licensee's contractors and subcontractors may submit individual permit applications to City on Licensee's behalf, so long as the permit applications are signed by individuals that Licensee has authorized to act on its behalf via a letter of authorization provided to City in the form attached as **Exhibit A ("Authorized Individuals")**. City will accept permit applications under this Agreement submitted and signed by Authorized Individuals, and will treat those applications as if they had been submitted by Licensee under this Agreement.

5. License Fee. Licensee will pay City a fee ("**License Fee**") to compensate City for Licensee's use and occupancy of Public ROW pursuant to the License. Licensee and

City acknowledge and agree that the License Fee provides fair and reasonable compensation for Licensee's use and occupancy of Public ROW and other City property as authorized. The License Fee will begin accruing on the License Commencement Date (as defined herein) and will be calculated as set forth in Section 5.1.

5.1. License Fee. Licensee will pay City one percent (1%) (the "**Revenue Percentage**") of Gross Revenues for a calendar quarter, remitted within forty five (45) days of the end of each calendar quarter, commencing on the License Commencement Date. The payment will be accompanied by a report showing the basis for the computation and such other relevant facts as may be required by City to determine the accuracy of the payment.

5.1.1. As used herein, "**Gross Revenues**" means all consideration of any kind or nature, including without limitation, cash, credits, property, and in-kind contributions (services or goods) received by Licensee from Customers for Broadband Internet Services that are provided to Customers through Network Facilities located at least in part in Public ROW.

5.1.2. Gross Revenues do not include:

- (i) any revenue not actually received, even if billed, such as bad debt;
- (ii) refunds, rebates, or discounts made to Customers, or City;
- (iii) revenue received from the sale of Broadband Internet Services for resale in which the purchaser is required to collect and remit similar fees from the purchaser's customer;
- (iv) revenue derived from the provision of Broadband Internet Services to Customers where none of the Network Facilities used to provide such Broadband Internet Services are located in Public ROW;
- (v) any forgone revenue from Licensee's provision of Broadband Internet Services to Customers at no charge if required by state law;
- (vi) any revenue derived from advertising;
- (vii) any revenue derived from Services other than Broadband Internet Services, including without limitation, any revenue derived from rental of modems or other equipment used to provide or facilitate the provision of the Broadband Internet Services;
- (viii) any revenue derived from referral or marketing agreements with third party providers of online services which Licensee may make available to Customers;
- (ix) any tax of general applicability imposed upon Licensee or its Customers by City or by any state, federal, or any other governmental entity, and required to be collected by Licensee and remitted to the taxing entity (including but not limited to sales and use tax, gross

receipts tax, excise tax, utility users tax, public service tax, communications taxes, and fees not imposed by this Agreement);

- (x) any forgone revenue from Licensee's provision, in Licensee's discretion, of free or reduced cost Broadband Internet Services to any Person, including without limitation employees of Licensee; provided, however, that any forgone revenue which Licensee chooses not to receive in exchange for trades, barter, services, or other items of value will be included in Gross Revenues; and
- (xi) sales of capital assets or sales of surplus equipment.

5.2. Pass Through. Licensee may identify and collect, as a separate item on the regular bill of any Customer whose Broadband Internet Services are provided by Network Facilities located at least in part in Public ROW, that Customer's pro rata amount of the License Fee.

5.3. Interest on Late Payments. Any payments that are due and payable under this Agreement that are not received within sixty (60) days from the specified due date will be assessed interest at an annual rate equal to the prevailing commercial prime interest rate in effect upon the due date.

5.4. Change in Law. Notwithstanding anything to the contrary herein, in the event of a change in applicable law that (i) prohibits collection by any municipality or franchising authority of any fee, including franchise fees, from any provider of video programming or communications services, including broadband Internet services, or (ii) reduces the percentage of revenue on which the fee, including franchise fee, paid by any provider of video programming or communications services is based to a percentage that is lower than the Revenue Percentage, then Licensee will have no obligation to pay the Licensee Fee or to pay a Licensee Fee based on the Revenue Percentage, as the case may be. In the case of a reduction in the percentage of revenue on which such fees may be based, the Revenue Percentage will be commensurately reduced.

6. Defense and Indemnity.

Obligations. Licensee will defend City, its officers, elected representatives, and employees, and indemnify them against any (a) settlement amounts approved by Licensee; and (b) damages and costs finally awarded against the indemnified party by a competent tribunal in any legal proceeding filed by a third party for property damage, personal injury, or death to the extent caused by the gross negligence or willful misconduct of Licensee or its contractors arising from this Agreement ("**Third Party Legal Proceeding**").

6.1 Exclusions. Section 6 (Defense and Indemnity) will not apply to the extent the underlying allegation (a) arises from or is related to the negligence or willful misconduct of an indemnified party while acting in their official capacity or (b) is made by City's employee while acting in their official capacity and covered under applicable workers' compensation laws.

7. **Limitation of Liability.** NEITHER PARTY WILL BE LIABLE FOR ANY INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL, EXEMPLARY OR PUNITIVE DAMAGES IN CONNECTION WITH THIS AGREEMENT. THE PARTIES ACKNOWLEDGE THAT THIS LIMITATION WILL BE SUBJECT TO AND MAY BE LIMITED BY APPLICABLE LAW.
8. **Performance Bond.** If Licensee has not previously provided City with a performance bond under any prior agreement, Licensee will, promptly after the License Commencement Date, provide City with a performance bond in the amount of ten thousand dollars (\$10,000) naming City as obligee and guaranteeing Licensee's faithful performance of its obligations under this Agreement. The performance bond will remain in full force during the Term of this Agreement. At Licensee's election, any performance bond previously provided by Licensee to City and associated with its state or local video service franchise may be applied to its obligations, in whole or in part, under this paragraph.
9. **Insurance.**
- 9.1. Licensee will carry and maintain:
- 9.1.1. Commercial General Liability (CGL) insurance, with policy limits not less than \$2,000,000 in aggregate and \$2,000,000 for each occurrence covering bodily injury and property damage with the following features: (a) CGL primary insurance endorsement; and (b) CGL policy will include an endorsement which names City, its employees, and officers as additional insureds.
- 9.1.2. Workers' Compensation insurance with policy limits not less than the City's requirements.
- 9.2. All insurance certificates, endorsements, coverage verifications and other items required pursuant to this Agreement will be mailed directly to City's insurance compliance representative upon City's written request.
- 9.3. Should the General Assembly of Missouri or the courts of the State of Missouri modify the rule of sovereign immunity by increasing the potential liability of the City beyond these amounts, upon notice from the City, the Company shall provide liability insurance which will meet or exceed those new amounts.
10. **Term.** This Agreement is effective on the later of (a) the date the last party to sign executes this Agreement and (b) the date on which any implementing ordinance becomes effective in accordance with its terms and state law ("**Effective Date**"). The Agreement will expire automatically on the tenth__ anniversary of the License Commencement Date ("**Original Term**"), unless earlier terminated in accordance with the provisions herein__ Thereafter, the Agreement will automatically renew for successive 5-year terms (each a "**Renewal Term**") unless a party provides at least six (6) months' prior written notice to the other party of its intent not to renew.
11. **Termination.**

- 11.1. Termination by City. City may terminate this Agreement if Licensee is in material breach of the Agreement, provided that City must first provide Licensee written notice of the breach and one hundred eighty (180) days to cure, unless the cure cannot reasonably be accomplished in that time period, in which case Licensee must commence its efforts to cure within that time period and the cure period will continue as long as such diligent efforts continue. No termination under this paragraph will be effective until the relevant cure period has expired.
- 11.2. Termination by Licensee. Licensee may terminate this Agreement for convenience upon one hundred eighty (180) days' written notice to City.
- 12. Assignment**. Except as set forth below, neither party may assign or transfer its rights or obligations under this Agreement, in whole or part, to a third party, without the written consent of the other party. Any agreed upon assignee will take the place of the assigning party.
- 12.1. Notwithstanding the foregoing, Licensee may at any time, on written notice to City, assign this Agreement or any or all of its rights and obligations under this Agreement:
- 12.1.1. to any Affiliate (as defined below) of Licensee;
- 12.1.2. to any successor in interest of Licensee's business operations in City in connection with any merger, acquisition, or similar transaction if Licensee determines after a reasonable investigation that the successor in interest has the resources and ability to fulfill the obligations of this Agreement; or
- 12.1.3. to any purchaser of all or substantially all of Licensee's Network Facilities in City if Licensee determines after a reasonable investigation that the purchaser has the resources and ability to fulfill the obligations of this Agreement.
- 12.2. Following any assignment of this Agreement to an Affiliate, Licensee will remain responsible for such Affiliate's performance under the terms of this Agreement. For purposes of this Section, (a) "Affiliate" means any Person that now or in the future, directly or indirectly controls, is controlled with or by, or is under common control with Licensee; and (b) "control" means, with respect to: (i) a U.S. corporation, the ownership, directly or indirectly, of fifty percent (50%) or more of the voting power to elect directors thereof, or (ii) a non-U.S. corporation, if the voting power to elect directors thereof is less than fifty percent (50%), the maximum amount allowed by applicable law; and (iii) any other Person, fifty percent (50%) or more ownership interest in said Person, or the power to direct the management of such Person.
- 13. City Oversight**. City may examine the business records of Licensee as permitted under applicable law, during reasonable times and following no less than thirty (30) days' prior written notice, and only to the extent reasonably necessary to ensure compliance with Section 5. Licensee will keep business records reflecting its Gross Revenues for at least two (2) years.
- 14. Notice**. All notices related to this Agreement will be in writing and sent, if to Licensee to the email addresses set forth below, and if to City to the address set forth in City's

signature block to this Agreement. Notices are effective (a) when delivered in person, (b) upon confirmation of a receipt when transmitted by electronic mail, (c) on the next business day if transmitted by registered or certified mail, postage prepaid (with confirmation of delivery), (d) on the next business day if transmitted by overnight courier (with confirmation of delivery), or (e) three (3) days after the date of mailing, whichever is earlier.
