**Discussion**

The City Council created the Public Works Standards Committee pursuant to Section 88-605-04 of the Zoning and Development Code for the purpose of promulgating engineering and construction specifications and standards for proper development of the City.

The Water Services Standards Committee solicited and considered public feedback on proposed changes to the Standards and Design Criteria at a public hearing on September 16, 2020.

On December 18, 2020, the Water Services Director approved the adoption of certain proposed changes to Section 2600 – Storm Sewers of the Division II Construction and Material Specification Sewers of the Kansas City Metropolitan Chapter of the American Public Works Association.

On December 18, 2020, the Public Works Department Standards Committee recommended rescinding Section 2600 – Storm Sewers of the Division II Construction and Material Specification of the Kansas City Metropolitan Chapter of the American Public Works Association to allow use of the Water Services Department adopted version of Section 2600 – Storm Sewers of the Division II Construction and Material Specification for development of the city.
