Executive Summary

Directing the City Manager to request from the Missouri Highways and Transportation Commission (MHTC) the relinquishment of a section of N. Platte Purchase and ancillary property interests to the City for the purpose of improving North Platte Purchase; and authorizing the Director of Public Works to enter into a Road Relinquishment Agreement with MHTC transferring ownership and maintenance of the same from MHTC to the City.

Discussion

The Twin Creeks commercial development proposed for the corner of Tiffany Spring and Platte Purchase requires an intersection improvement and permitted driveway on a section of roadway currently under the jurisdiction of MoDOT. MoDOT will not allow a full-access driveway due to traffic concerns regarding the newly constructed diverging diamond interchanges (DDI) at Rt. 152. The only path for the developer to obtain driveway access is for KCMO to obtain jurisdiction of N. Platte Purchase from approximately 350-ft south of Tiffany Springs to NW 88th Street.
