

City of Kansas City, Missouri

Docket Memo

Ordinance/Resolution #

Submitted Department/Preparer: Health

Docket memos are required on all ordinances initiated by a Department Director. More information can be found in [Administrative Regulation \(AR\) 4-1](#).

Executive Summary

Accepting and approving a one-year \$423,416.00 grant award with the Missouri Department of Health and Senior Services to provide funding for HIV prevention and risk reduction services in the Kansas City, Missouri area.

Discussion

Award enables the Kansas City Health Department's HIV Prevention program and sub recipient agencies to conduct outreach testing and education to high risk populations including African American Females, African American Men who Have Sex with Men, LatinX, and White Men who Have Sex with Men. In CY22 the HIV Prevention Program and sub recipient agencies conducted 205 testing events, tested or referred HIV testing to over 7,000 people in the community, distributed over 130,000 condoms, provided 145 presentations, conducted 156 community outreach activities, hosted 679 social media events, and participated in 75 community wide events to promote HIV testing, HIV prevention methods, and safe sex strategies and resources.

Service Level Impacts

City of Kansas City, Missouri

Docket Memo

Activities from the HIV Prevention grant reduce HIV related stigma and help provide education, resources, and tools that empower the community to protect themselves and others from HIV and other STIs. HIV testing efforts through the grant's outreach events and the Counseling Testing and Referral programs help our community identify new cases of HIV and rapidly connect those persons newly diagnosed with HIV to core medical and support services.

Other Impacts

1. What will be the potential health impacts to any affected groups?

The HIV Prevention grant funds various Health Education and Risk Reduction programs that are specific to vulnerable populations that are at highest risk for HIV including African American Females, African American Men who Have Sex with Men, LatinX, and White Men who Have Sex with Men. Targeted outreach and testing to those communities helps address and reduce health disparities in our community.

2. How have those groups been engaged and involved in the development of this ordinance?

The Kansas City Region has an active Integrated Prevention and Care Planning Council with a HIV Prevention Subcommittee. The Planning Council and the Prevention Sub Committee meet monthly and members for both include various stakeholders and consumers. Furthermore, The specific contracts for the Health Education Risk Reduction activities mentioned above also often employ members of the target populations.

3. How does this legislation contribute to a sustainable Kansas City?

HIV Prevention activities reduce the spread of HIV in the community and improves quality of Kansas City Residents. The grant funds will help foster a healthier and safer community. Federal Investments in public health such as HIV Prevention grants also reduce the local burden to provide safety net services and care.

4. Does the ordinance/resolution include Civil Rights antidiscrimination requirements in compliance with the Code of Ordinances (Chapter 38, titled "Civil Rights")?

Yes.

5. Has the ordinance/resolution been submitted for review of economic equity & inclusion requirements in compliance with the Code of Ordinances (Chapter 3, titled "Contracts and Leases")?

N/A
