To Whom it May Concern,

My name is Kate McGlaughlin, operator of both Brown and Loe and Harry's Country Club, located in the River Market. Harry's Country Club opened in 2003 and Brown and Loe in 2016. Over the course of those years, we have seen significant development in the area; new shops, restaurants, and living spaces. While I support future developments in the area, I cannot stress enough the dire need for attention to be given towards parking-accommodating residents, visitors, and employees.

I am voicing my objection in the plans to pursue City Harvest until a reasonable parking plan is in place. I agree that without an adequate parking plan in place, businesses will suffer by losing staff, and most important, the guests/shoppers that make the area survive.

Please give the need for parking your upmost consideration as new developments are proposed.

Thank you,
Kate McGlaughlin
