WHEREAS, Lessee is engaged in the business of operating equipment associated with the air and ground aircraft communication system services at the Airport; and

WHEREAS, Lessee desires to lease certain property and facilities at the Airport.

The parties agree as follows:

This Lease consists of three parts: Part I, Part II Aviation Department Standard Lease Conditions and Part III Supplemental Terms and Conditions to All Airport Agreements. These parts and any attachments or exhibits are attached hereto and incorporated herein.

PART I

ARTICLE I
PREMISES & TERM

Sec 1.1. Leased Premises. The City hereby leases to Lessee, and Lessee leases from the City, the real property, including improvements and fixtures appurtenant thereto, more fully described in **Exhibit “A” – Terminal Leased Premises located at 1 Kansas City Blvd Terminal and Exhibit “B” Non-Terminal Building Leased Premises located at 125 Paris Street**, attached hereto and incorporated herein (hereinafter “Premises”). Lessee has inspected the Premises and accepts them in “as is” condition.

Sec. 1.2. Term of Lease. This Lease will begin upon the opening of the new terminal at the Kansas City International Airport on or before March 3, 2023 (“**Commencement Date**”),, ending on April 30, 2028.

- A. This Lease may be renewed at the City’s discretion by the Director of Aviation for an additional five, one-year periods.
- B. Either the Lessee or City may terminate this Lease at any time with a 90-day written notice.

Sec. 1.3. Personal Property. The Furniture, Fixtures and Equipment (“**FF&E**”), supplies and any appurtenances are the sole expense and responsibility of the Lessee. At the cancellation of this Lease, the Lessee shall remove all such property. In case Lessee does not remove FF&E at the end of the lease, then provisions of Part II, Section VI. B. Holding Over will be in effect.

Sec. 1.4. Use of Premises. Lessee shall use the Premises solely for the purpose of operating equipment associated with the air and ground aircraft communication system services. Any unauthorized use of the Premises shall constitute acceptable grounds for immediate termination.

Sec. 1.5. Relocation of Premises. The City reserves the right to relocate the Lessee, at the Lessee's sole expense, during the term of this Lease to alternative premises upon 30 days written notice to the Lessee. The City further reserves the right to expand or reduce the assigned premises upon the same advanced written notice thereof. If Lessee relocates during the term of this Lease, Lessee shall pay the rent as provided for in Article II, Section 2.1 of this Lease.

Sec. 1.6. Improvements to Leased Space. No improvements, structures, facilities, alterations or additions to the Premises will be made by Lessee without prior written approval of the Director. This approval shall be in the form of a separate Tenant Modification Agreement through the Aviation Department's Engineering Division signed by City and Lessee. The Tenant Modification Agreement may have requirements for payment and performance bonds, prevailing wage, Minority/Women's Business Enterprise participation, and Federal Aviation Administration review, among other conditions. Lessee shall be responsible, at the Lessee's sole expense, for any and all improvements in accordance with Tenant Modification requirements made to the Premises during the term, or in preparation for Commencement Date, or associated with expiration or termination of this Lease.

ARTICLE II

RENT

Sec. 2.1. Rents, Fees and Charges.

A. **Building Rent Payments.**

1. **Terminal Building** (1 Kansas City Boulevard) - Lessee shall pay the City the current Non-Signatory terminal rent rate beginning on the Commencement Date. Annual per square foot rental rates are estimated for each fiscal year (May 1st through April 30th). The rent of all Terminal Building space for tenants is adjusted effective May 1st of each year.

2. **Non-Terminal Building** (125 Paris Street) Lessee shall pay the City a Non-Terminal building rent rate equal to \$51.59 per square foot annually beginning on the Commencement Date. The annual per square foot rental rate for Non-Terminal Building Leased Premises space is subject to a CPI-U increase effective May 1st of each year.

- i. **Rental Adjustment.** Commencing on the first month of the second (2nd) Lease year, and every Lease Year thereafter, Rent for the Non-Terminal Building Leased Premises will be adjusted based on the annual percentage change in the Consumer Price Index for All Urban Consumers, as defined below ("**CPI-U**"). In no event will the annual adjustment result in Rent being less than the amount charged during the prior year. The most recent available CPI-U as of March 15th of each year, calculated over the preceding twelve months, shall be used to adjust the Rent for the next year.

CPI-U means the Consumer Price Index for All Urban Consumers for the U.S. City Average for All Items, 1982-84 = 100, or the successor of that index calculated on a calendar year basis and as published by the Bureau of Labor Statistics, U.S. Department of Labor. In the event said Index ceases to be

prepared and published, then the rent rate shall be adjusted in accordance with the most comparable index then in existence.

The rates following the adjustment shall remain in effect until the next adjustment. For clarification purposes, the adjustments will occur on the first day of each Lease Year. In no event shall the yearly adjustment be in excess of ten percent (10%) nor shall the rent be reduced below the then rent rate.

- ii. **Fair Market Rent Adjustment.** Notwithstanding the above and subject to City renewing Lease pursuant to 1.2(A), Non-Terminal Building Leased Premises rent shall be adjusted to the then fair market rent based upon the appraised value as determined by an appraisal made by a qualified M.A.I. appraiser, selected and appointed by the City ("Appraisal"). Upon receipt of the Appraisal, City shall submit to Lessee a written statement of the then current fair market rental values for the Premises as established by the Appraisal, following Federal Aviation Administration's standards for airport property. Should the Appraisal indicate a rent value for the Non-Terminal Building Leased Premises greater than the then current amount, the rent for first year of each Option Period shall be set at the rent value indicated in the Appraisal. Beginning in the first month of the second year of the Option Periods, the rent shall be adjusted pursuant to 2.1(A)(2)(i) herein. In no event shall the rent be decreased as a result of the appraisal or CPI rental adjustment.

- B. **Additional Rent.** In addition to the Building Rent, Lessee agrees to pay as additional rent any sums which may become due by reason of failure of Lessee to comply with any covenants of this Lease and all damages, costs and expense which City may incur because of any default of Lessee or failure to perform and any damages caused to the Premises by any act or negligence of Lessee, its officers, employees, agents and invitees.
- C. **Method of Payment.** Lessee will make payments monthly by the 20th of each month of 1/12th of the total annual Building Rent payments without notice or demand by City and without abatement, deduction or set-off, except as herein specifically provided. The payments will be made in legal tender of the United States and mailed to the Aviation Department. P.O. Box 844124, Kansas City, Missouri 64184-4124, payable to "City Treasurer". A service charge of one and one-half percent (1½%) per month shall automatically accrue to all payments made after the due date
- D. **Net Lease.** It is the purpose and intent of the City and Lessee that this is a net lease and that from and after the Commencement Date, the rent shall, except as herein otherwise provided, be absolutely net to City, and that all costs, expenses and obligations of every kind and nature whatsoever relating to the Premises and/or the operation of Lessee's business in connection therewith, except as herein otherwise provided, which may arise or become due during the term hereof, shall be paid by Lessee and that City shall be protected, defended, indemnified and held harmless by Lessee from and against the payment of same or any obligation to pay the same.
- E. **Partial Year.** If the Commencement Date should occur on any date other than the first day of a calendar month, Lessee shall pay City on the Commencement Date the proportionate amount of rent accrued for the balance of such current calendar month.
- F. **Fees and Charges.** In the event the Premises, together with all other land located within the Airport, is subjected to a Declaration of Covenants and Restrictions, which includes, among other things, a provision for assessment of charges for maintenance of common

properties and/or for provision of common charges to all land within the Airport, Lessee shall pay, in addition to any rent, its proportionate share of such charges.

ARTICLE III

REPAIRS AND MAINTENANCE OF PREMISES

Sec. 3.1. Repairs. Lessee, at its sole cost and expense, shall take good care of the Premises and all improvements thereto and additions thereon or thereto, and shall keep the same in good order and condition, except for reasonable wear and tear after the necessary repair, replacement, restoration or renewal by Lessee pursuant to its obligations hereunder, and shall make all necessary repairs thereto, which will assume such obligations. All repairs, restorations and renewals made by Lessee shall be at least equal in quality and class to the original work with respect hereto.

Sec. 3.2. Maintenance. The City shall furnish structural maintenance of City-constructed facilities, including the roof of the buildings, and provide the maintenance and operation of City-installed mechanical and electrical systems. The City shall provide exterior window and building cleaning and interior window cleaning, except in Lessee's Premises, which shall be washed by Lessee. The City shall provide custodial maintenance only in the public areas of the buildings.

- A. At its sole cost and expense, the Lessee shall maintain and repair the Premises, its fixed improvements and its operating equipment at all times in accordance with all applicable present and future federal, state, local, or other statutes, charters, laws, rules, orders, regulations and ordinances, including those of the City.
- B. The Lessee shall provide all necessary maintenance, repairs, renewals and replacements to the building's interior of the Leased Premises and utility systems. The Lessee also shall provide janitorial and custodial services for the Premises, including window washing, lamp replacement, window glass replacement and trash removal services.
- C. All maintenance, repairs, renewals and replacements shall be at the Lessee's sole expense and shall be subject to periodic monitoring by the City to insure a continuing high quality of appearance and a facility structural condition commensurate with maintenance and safety standards required for public facilities.
- D. Lessee shall comply with all rules and regulations promulgated by the federal, state and local entities including, but not limited to, the handling and disposal of refuse.

Sec. 3.3. Utility Services. Utility services, excluding telephone and/or data services, required by Lessee during the Lease term shall be incorporated into the building rents. Lessee may install and construct necessary utility lines or mains across reasonable routes as the City may designate. Any change in, deletion of, or addition to such lines and mains shall be at the sole cost and expense of Lessee.

Sec. 3.4. Heating Ventilation Air Conditioning System. The City, at its sole cost and expense, shall maintain and repair the Heating Ventilation Air Conditioning ("HVAC") system as currently designed for the Premises.

ARTICLE IV

DAMAGE, DESTRUCTION, RESTORATION OF PREMISES

Sec. 4.1. Damage or Destruction and Restoration. In case of any material damage to or destruction of the Premises or any part thereof, Lessee will give prompt notice to the City and, excepts as otherwise herein provided in Section 4.2, Lessee shall have the option to:

- A. Promptly commence and complete with due diligence and in accordance with plans approved by Lessee and the City, the restoration of the Premises as nearly reasonably practicable to the value and condition thereof immediately prior to such damage or destruction (with alterations, at Lessee's election, and with the prior consent and approval of the City), or
- B. If Lessee and the City mutually agree, Lessee may use the insurance proceeds to construct other airport-related facilities providing equal security protection for any bondholders to those facilities not restored. In the event of such damage or destruction, the proceeds from all property insurance policy or policies shall be devoted exclusively to the restoration of the Premises except as provided elsewhere in this Lease.

Sec. 4.2. Lessee's Election Not to Restore Damaged Property. In the event of damage to or destruction or loss of such improvements by an insured risk, which damage, destruction or loss is not capable of being repaired within 90 days, Lessee shall have the election, indicated by written notice given to City within 90 days after the occurrence of such event, not to repair, restore, rebuild or replace the improvements, such election to be effective as of the date of such damage, destruction or loss and, upon such election, Lessee shall be relieved of all further liability and obligations hereunder. In the event Lessee exercises the foregoing election, the net amount of the insurance proceeds received by it from the insurance required herein on the property shall be forwarded to City. In the event Lessee does not exercise the foregoing election, or in the event said damage, destruction or loss is capable of being repaired within 90 days, Lessee shall promptly repair, replace, restore or rebuild said improvements to the extent of the insurance proceeds received by it, as nearly as possible to the condition said improvements were in immediately prior to such damage, destruction or loss, or with such changes or alterations as may be approved by City. If such damage, destruction or loss occurs within the last six months of the term of this Lease, then Lessee shall have the option either to effect such repair, replacement, restoration or rebuilding or, in lieu thereof, to pay to City the proceeds received by reason of such damage, destruction or loss from the insurance required herein.

C. Transfer by Operation of Law. corporation of Lessee or sale of all or substantially all of Lessee's stock to any such parent or subsidiary corporation.

V. Defaults & Remedies.

A. Lessee Defaults. Each of the following will constitute a default by Lessee hereunder:

1. Lessee's failure to pay when due any rent, charges or any other payments of money required to be paid by Lessee hereunder;
2. 3. Use of the Premises for anything other than the use specified in the Lease;
4. Lessee vacates, abandons or deserts the Premises or fails to occupy the Premises for more than 30 consecutive days;
5. The attempted assignment or assumption of this Lease in violation of the terms of this Lease;
6. The suspension or revocation of any act, power, license, permit or authority that prevents Lessee from fully complying with all of the rights and obligations hereunder for any period;
7. The filing by the Lessee or its assignee or sublessee of a voluntary petition in bankruptcy or any assignment for benefit of creditors of all or any part of Lessee's assets; or the adjudication of the Lessee or its assignee or sublessee as a bankrupt pursuant to any involuntary bankruptcy proceedings; or the taking, by a court of competent jurisdiction of Lessee's or its assignee's or sublessee's, assets pursuant to proceedings brought under the provisions of any federal reorganization act; or the

appointment of a receiver or trustee of the Lessee's or its assignee's or sublessee's assets by a court of competent jurisdiction or a voluntary agreement with Lessee's creditors;

8. The levy of any attachment or execution of any process of a court of competent jurisdiction which does or, as a direct consequence of such process, will interfere with its operations under the Lease, and which is not enjoined, vacated, dismissed or set aside within a period of 30 days.

B. City Defaults. Each of the following will constitute a default by City hereunder:

1. Except as provided in Section V.B.2 hereof, City's failing to perform or violation of any provision, covenant or condition of this Lease within 30 days after written notice or, if the cure or performance thereof reasonably requires more than 30 days to complete, City's failing to begin cure or performance thereof within such thirty-day period and proceed diligently to cure or completion thereafter;
2. The lawful assumption by the United States government, or any authorized agency thereof, of the operation, control or use of the Airport, or any substantial part thereof, in such manner as to materially restrict Lessee from operating thereon for a period of at least 30 days.

C. City's Remedies. Upon default by Lessee of this Lease, City may do any one or more of the following:

1. Terminate the Lease upon three days written notice to Lessee;
2. Re-enter the Premises and every part thereof on the Effective Date of termination of the Lease without further notice of any kind, remove any and all persons therefrom and regain and resume possession either with or without the institution of summary or legal proceedings. Such re-entry, however, shall not in any manner affect, alter or diminish any of the obligations of Lessee under the Lease;

3. Upon termination of the Lease or upon re-entry, regaining or resumption of possession of the Premises, occupy the Premises and have the right in the name of the City to relet and permit any person, firm or corporation to enter the Premises and use the same for such term and on such conditions as City may determine; and

4. Perform, on behalf and at the expense of Lessee, any obligation of Lessee under this Lease which Lessee has failed to perform and of which City has given Lessee notice, the cost of which performance by City, together with interest thereon from the date of such expenditure, shall be deemed Additional Rent and shall be payable by Lessee to City upon demand.

Notwithstanding the provisions of this clause and regardless of whether a default shall have occurred, City may exercise the remedy described in this clause without any notice to Lessee if City, in its good faith judgment, believes it would be materially injured by failure to take rapid action or if the unperformed obligation of Lessee constitutes an emergency; and

5. Any other remedy that City may have under law or equity.

D. Lessee Remedies. Upon default by City of this Lease, Lessee may cancel the Lease in its entirety after 30 days prior written notice to the City.

VI. Termination of Lease.

A. No Notice to Quit Possession. No notice to quit possession at the expiration date of the term of this Lease shall be necessary. Lessee agrees that at the expiration date of the term of this Lease, or at the earlier termination thereof, it shall peaceably surrender possession of the Premises in good condition, reasonable wear and tear and acts of God excepted. City shall have the right to re-enter and take possession of the Premises at that time with or without process of law.

B. Holding Over. Should Lessee hold over the use of or continue to occupy the

Premises or any part thereof after the termination of the letting, the holding over shall be deemed merely a tenancy from month to month upon a monthly rental in an amount equal to the Rent existing at the end of the Lease term plus two percent (2%) together with fair market rent for all improvements on the Premises.

B. Waiver. No acceptance by City of the rent and charges or other payments specified herein, in whole or in part, and for any period or periods, after a default of any of the terms, covenants and conditions to be performed, kept or observed by Lessee, other than the default in the payment thereof, shall be deemed a waiver of any right on the part of City to cancel or terminate this Lease on account of such default. No waiver by City at any time of any default by Lessee shall be or be construed to be a waiver at any time thereafter by City of any other or subsequent default in performance of any terms, conditions or covenants set forth herein, and no notice by City shall be required to restore or revive time as of the essence hereof after waiver by City of default in one or more instances.

C. Waiver of Redemption and Damages. Lessee hereby waives any and all rights or redemption granted by or under any present or future law or statute arising in the event it evicted or dispossessed for any cause or in the event City obtains or retains possession of the Premises in any lawful manner. Lessee further agrees that in the event the manner or method employed by City in reentering or regaining possession of the Premises gives rise to a cause of action in Lessee for damages or in forcible entry and detainer under the laws of the State of Missouri, then the total amount of damages to which Lessee shall be entitled to in any such action shall be the sum of One Dollar (\$1.00) and Lessee agrees that the provisions of this section may be filed in any such action as its stipulation fixing the amount of damages to which it would be entitled therein.

E. Termination from Taking. If during the term of this Lease there shall be a taking of the whole or substantially all of the Premises, this Lease shall terminate and expire on the date of such taking and the rent payable hereunder shall be equitably apportioned and paid to the date of such taking. "Substantially all of the Premises" shall be deemed to have been taken if the untaken part of the Premises shall, in the reasonable judgment of Lessee, be insufficient for the economic and feasible continued operation of the Lessee's business in connection therewith.

F. Personal Property not Removed. Any personal property of Lessee which shall remain in or on the Premises after the termination of this Lease may, at the option of City, be deemed to have been abandoned by Lessee and either may be retained by City as its property or be disposed of, without accountability, in such manner as City may see fit, or if City shall give written notice to Lessee to such effect, such property shall be immediately removed by Lessee at Lessee's sole cost and expense.

VII. Quiet Enjoyment.

Upon payment by Lessee of the rents herein provided, and upon the observance and performance of all the covenants, terms and conditions on Lessee's part to be observed and performed, Lessee (and its subtenants) shall peaceably and quietly hold and enjoy the Premises for the term demised without hindrance or interruption by City or any other person or persons lawfully or equitably claiming, by, through or under the City, subject, nevertheless, to the terms and conditions of the lease.

VIII. Environmental Requirements.

A. Lessee hereby covenants and agrees to comply in all material respects with all-applicable Environmental Laws and regulations in connection with its use and occupancy of the Premises, or its operations of the facilities. For purposes of this Lease, "Environmental Laws" shall mean and include all federal, state and local statutes, ordinances, regulations and rules

B. Review of Environmental Documents.

Lessee, at request of City, shall make available for inspection and copying upon reasonable notice and at reasonable times, any or all of the documents and materials Lessee has prepared pursuant to any environmental law or submitted to any governmental regulatory agency; provided, that such documents and materials relate to environmental issues or environmental laws and are pertinent to the Airport or the Premises. If any environmental law requires Lessee to file any notice or report

of a release or threatened release of Hazardous Materials on under or about the Premises or the Airport, Lessee shall provide a copy of such report or notice to City and, to the extent practicable, shall receive the approval of City prior to submitting such notice or report to the appropriate governmental agency.

C. Access for Environmental Inspection. City shall have access to the Premises to inspect the same in order to confirm Lessee is using the Premises in accordance with all Environmental Laws. Any tests shall be conducted by qualified independent experts chosen by the City but subject to Lessee's approval. Lessee shall provide copies of reports from any testing to City upon receipt.

D. Environmental Noncompliance. If Lessee fails to comply with any applicable Environmental Laws, City, in addition to its rights and remedies provided elsewhere within this Agreement may enter the Premises and take all reasonable and necessary measures, at Lessee's expense, to insure compliance with Environmental Laws.

E. Written Authorization Necessary to Store, Use or Dispose of Hazardous Materials. City shall have the right to review and inspect all such work at any time using consultants and representatives of its choice. Lessee shall pay the cost of such review and inspection. Specific cleanup levels for any environmental remediation work shall be designed to comply with all applicable Environmental Laws.

G. Severability of Provisions. Except as specifically provided herein, all of the provisions of this Lease shall be severable. In the event that any provision of this Lease is found by a court of competent jurisdiction to be unconstitutional or unlawful, the remaining provisions of this Lease shall be valid unless the court finds the valid provisions of this Contract are so essentially and inseparably connected with and so dependent upon the invalid provision(s) that it cannot be presumed that the parties to this Lease could have included the valid provisions without the invalid provision(s); or unless the court finds that the valid provisions, standing alone, are incapable of being performed in accordance with the intentions of the parties.

H. Binding Effect. This Lease shall be binding upon City and Lessee and their successors in interest.

B. Lessee shall charge fair, reasonable and not unjustly discriminatory prices for each unit or services; provided that, Lessee may be allowed to make reasonable and non-discriminatory discounts, rebates or other similar types of price reductions to volume purchasers. Non-compliance with this requirement shall be a material breach of this Lease for which the City shall have the right to terminate this Lease and any estate created herewith, without liability therefor; or, at the election of the City or the United States, either or both of said governments shall have the right to judicially enforce said requirement.

C. Lessee warrants that no person shall, on the grounds of race, national origin (including limited English proficiency), creed, sex (including sexual orientation and gender identity), age or disability, be excluded from participating in any activity conducted on or from the Premises, or otherwise be excluded from the benefits offered by Lessee to the general public.

E. As part of the consideration of the Lease, Lessee does hereby covenant and agree that:

1. No person on the grounds of race, national origin (including limited English proficiency), creed, sex (including sexual orientation and gender identity) age, or disability shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities; and

F. The foregoing discrimination covenants are a material part of this Lease and for breach thereof the City shall have the right to terminate this Lease and to reenter and repossess the Premises and facilities thereon, and hold the same as if said Lease had never been made. This provision does not become effective until the procedures of 49 CFR part 21 are followed and completed, including expiration of appeal rights.

G. Lessee agrees to insert the foregoing six provisions (A-F) in any lease, contract or agreement by which Lessee grants a right or privilege to any person, firm or corporation to render accommodations and/or services to the public on or from the Premises.

In the event the aforesaid covenant is breached the City has the right to enter upon the premises and cause the abatement of such interference at the expense of Lessee.

P. Lessee acknowledges that nothing contained in this Lease shall be construed to grant or authorize the granting of an exclusive right within the meaning of 49 USC § 40103(e).

Q. This Lease and all provisions hereof are subordinate to whatever rights the United States now has or in the future may acquire affecting the control, operation, regulation and taking-over of the Airport, or the exclusive or non-exclusive use of the Airport by the United States during a time of war or national emergency.

II. Right to Amend.

In the event that the Federal Aviation Administration or its successors requires modifications or changes in this Agreement as a condition precedent to the granting of funds for the improvement of the Airport, or otherwise, the Lessee agrees to consent to such amendments, modifications, revisions, supplements, or deletions of any of the terms, conditions, or requirements of this Agreement as may be reasonably required.

III. Restricted Areas/Security.

Lessee agrees to be bound by and follow the Airport Security Plan. Any access to the Airport granted to Lessee shall not be used, enjoyed or extended to any person, entity or vehicle engaged in any activity or performing any act or furnishing any service for or on behalf of the Lessee that Lessee is not authorized to engage in or perform under this Lease unless expressly authorized in writing by the Director in accordance with TSA CFR 49 part 1542. In the event Lessee, its officer, employees, invitees or Lessee cause or contribute to unauthorized persons or vehicles entering the air operations areas of the Airport, or otherwise violate the Security Plan or any laws, regulations, rules, etc. governing airport security, and in addition to any other remedies available hereunder, Lessee shall be liable to City for an amount equal to any civil penalty imposed on City for such violations and hereby agrees to indemnify City for any such federal civil penalties, provided City shall promptly notify Lessee in writing of any claimed violations so as to permit Lessee an opportunity to participate in any investigation or proceedings.

This provision is in addition to that required by Title VI of the Civil Rights Act of 1964.

If, Lessee transfers its obligation to another, the transferee is obligated in the same manner as the Lessee. The above provision obligates the Lessee for the period during which the property is owned, used or possessed by the Lessee and the airport remains obligated to the Federal Aviation Administration.
