

City of Kansas City, Missouri

Docket Memo

Ordinance/Resolution #

Submitted Department/Preparer: City Planning

Docket memos are required on all ordinances initiated by a Department Director. More information can be found in [Administrative Regulation \(AR\) 4-1](#).

Executive Summary

Amending Ordinance No. 190328 by repealing Condition 16 contained in Section B, which required the developer to secure permits to extend public sanitary and storm water conveyance systems to serve all proposed lots within the development, because the developer no longer has access to public water mains.

Discussion

On December 9, 2021 the City Council approved Ordinance 211034 which allowed the property located at 7535 N Flintlock Rd. a waiver for the requirement of the property to connect to sewer, thus precluding the ability of the property approved by ordinance 190328 to connect to a sewer main. The applicant is seeking the removal of Condition No. 16.
