

Interdepartmental Communication

DATE: May 9, 2023

TO: Chairperson Lucas and Members of the Transportation, Infrastructure and Operations Committee

FROM: Michael Shaw, Director of Public Works

SUBJECT: Traffic Regulations Ordinance

Attached is a listing of TRAFFIC REGULATIONS which the Public Works Department initiated nearly 90 days ago. These regulations have undergone a period of test and evaluation and the Department is now preparing an Ordinance Request to make these regulations permanent. This list includes:

REGULATION	ORIGINATION DATE
Nos. 65420 through 65433	July 17, 2022
Nos. 65454 through 65455	August 29, 2022
Nos. 65456 through 65485	October 31, 2022
Nos. 65486 through 65517	November 17, 2022
Nos. 65518 through 65523	November 18, 2022

These regulations consist of various removals and installations of traffic control devices and signs. A description of the reasons these changes are recommended accompanies each entry on the listing.

In accordance with the Committee request, we are providing you advance information concerning the Ordinance we propose to introduce. Within the next few days this Ordinance Request will be filed with the City Clerk and appear on the Council Docket.

If you wish additional information or have questions or comments about any of the REGULATIONS which we recommend to become permanent, please contact my staff.

Approved

Michael Shaw
Director of Public Works
