Docket Memo

Ordinance/Resolution # TMP-3128

Submitted Department/Preparer: Public Works

Docket memos are required on all ordinances initiated by a Department Director. More information can be found in [Administrative Regulation \(AR\) 4-1](#).

Executive Summary

Reducing an appropriation in the amount of \$1,083,116.48 in the General Obligation Series 2020 and 2021 Bond Fund from the Noland Road & Missouri Route 350 Highway project in District 5; appropriating \$1,083,116.48 from the Unappropriated Fund Balance in the General Obligation Series 2020 and 2021 Bond Funds to the 63rd Street from Woodland Avenue to Prospect Avenue project account and to the 63rd Street and Zoo Drive project account; and recognizing this ordinance as having an accelerated effective date.

Discussion

The 63rd Street - Woodland Avenue to Prospect Avenue reconstruction project is currently underway. Additional funds are needed to complete construction of Park Avenue at its intersection with 63rd Street to allow access to a prospective economic development project. The Zoo Drive project has also been bid and requires additional funds to award a construction contract. All funds are remaining within District 5 and both Councilmembers have approved the transfer.

This transfer has been reviewed and approved by Bond council.

Fiscal Impact

1. Is this legislation included in the adopted budget? Yes No

2. What is the funding source?

GO Bond 3520 and 3521

3. How does the legislation affect the current fiscal year?

This contract expends funds currently in the project accounts

4. Does the legislation have fiscal impact in future fiscal years? Please notate the difference between one-time and recurring costs.

This legislation reallocates funds from previous GO bond projects in District 5 to other projects within the same council district.

5. Does the legislation generate revenue, leverage outside funding, or deliver a return on investment?
