Subject: Hate Crime Ordinance
Date: Wednesday, January 10, 2024 4:36:20 PM

Mayor and Council Members:

The Hate Crimes Amending Chapter 50, Code of the Ordinance enacting the addition Section 50 -176, Hate Offences is an essential action you need to take.

This is a needed tool for law enforcement to have to act effectively when such incidents happen in Kansas City. We discussed this at length at our KC Human Rights Commission meeting and we support passage.
