Based on the multi-phasing of this project, the goals will be assessed throughout each phase for progress towards the approved goals (12/14). For a modification of these goals, a proper Request for Modification must be submitted. Additionally, the Prime is required to attend mandatory training on the business enterprise programs to ensure proper application of the program. Failure of the Prime to attend mandatory training within the quarter will result in holding of progress payment until such training is completed. Please contact Itzel Vance at itzel.vance@kcmo.org to schedule training.

<sup>1</sup> DBE Programs apply to specific federal or state grant requirements.

<sup>2</sup> The dollar figure here should match the approved Bid/Proposal recommendation or amendment preparation checklist on file with the requesting department.

<sup>3</sup> Federal and state grant agreements may require granting agency approval of contract goals.
