## PLAN REVIEW

The paper street proposed for vacation is currently an unimproved street that terminates in a dead end. The proposed vacation is approximately 4,500 square foot area and, if approved, would bring the dead end into compliance with the zoning and development code (88-560-11-E.). The surrounding area to the west consists of undeveloped lots that are owned by the applicant. The public right-of-way in question contains no public or private utilities. The lack of public or private utilities has simplified the vacation process.

The objective of this vacation request is to facilitate the development of the site to the south and west, which is zoned for industrial uses. The applicant's intention is to fully utilize the property located at 5819 E 32<sup>nd</sup> Street. A key element of the applicant's intent involves the vacation of White Avenue, among several other street vacations proposed in conjunction with this development. This is a companion case with CD-ROW-2024-00015, CD-ROW-2024-00019 and CD-ROW-2024-00021. This proposal is part of a broader initiative that includes multiple vacation requests in the vicinity. A development plan will be required prior to future development since the site is zoned industrial and larger than 10 acres per Section 88-517-02-D.

## SPECIFIC REVIEW CRITERIA

### Street, Alley or Plat Vacations

In order to determine that no private rights will be unreasonably injured or endangered by the vacation and the public will suffer no unreasonable loss or inconvenience, the city planning and development director, city plan commission, and city council must consider at least the following factors:

**88-560-10-A. All property owners adjacent to the right-of-way shall have legal access to another public right-of-way. Such access shall be physically feasible and shall not result in an unreasonable burden or unsafe conditions on the alternate right-of-way.**

All adjacent property owners will retain legal access to public right-of-way. There are future plans to develop the lot to the south and utilize the right-of-way as part of the development. A denial of this application would not hinder the development to the south.

**88-560-10-B. The retention of the public right-of-way or subdivision serves no current purposes and no future useful public purpose is anticipated.**

The paper street in question does not serve any current or future public purpose or general connectivity.

**88-560-10-C. The vacation will not result in a violation of 88-405.**

The vacation will not be in violation of 88-405.

**88-560-10-D. The vacation shall not disrupt the constructed street network or reduce existing physical connectivity.**

The vacation will not disrupt any street network and will not have an impact on the physical connectivity.

**88-560-10-E. The vacation shall not result in a dead-end street or alley.**

The proposed vacation will not result in a dead-end street or alley, as the entirety of the right-of-way is proposed for vacation.

**88-560-10-F. The vacation shall not result in street traffic being routed through an alley.**

No traffic will be routed through an alley as a result of this vacation.

**88-560-10-G. The vacation shall not vacate half the width of a street or alley.**

This vacation will not vacate half the width of any street or alley.

**88-560-10-H. The right-of-way to be vacated is not on the Major Street Plan.**

The right-of-way being vacated is not on the Major Street Plan.

Subject: Consent Request for Street Vacation - Case No. CD-ROW-2024-~~00015~~<sup>00020</sup>

To the owner(s) of Langley Enterprises, LLC

You are the listed owner of two parcels of property adjoining White Avenue described as follows:

EAST CENTER; E 63' OF LOTS 1 - 3 AND ALL OF LOTS 4 - 6, BLK 17

This parcel of property is adjacent to White Avenue Street right-of-way. This portion of street right-of-way has been requested for vacation under Case No. **CD-ROW-2024-00015**. If this right-of-way vacation is approved, you may become the owner of the Western half (30 feet in width) of the previous White Avenue Street right-of-way adjacent (for approximately 90 feet) along your East property line. There would be no cost to you for this process, but the title to the vacated street right-of-way may be added to your property descriptions, and the area would be included in your property tax valuation.

We are requesting your consent (or denial) for this vacation request made by BHC on behalf of our client, Langley Enterprises, LLC. Please review the attached consent form, make your decision, and have it notarized. Once completed, please return the form to me. It will then be submitted to the Kansas City, Missouri Planning and Development Department as part of the vacation application review process.

Also attached is a map indicating the portion of White Avenue (which was never developed) for which the vacation request has been made, along with the names of other adjacent property owners if any.
