

# City of Kansas City, Missouri

## Docket Memo

Ordinance/Resolution #: 241040

Submitted Department/Preparer: City Planning

Revised 6/10/24

Docket memos are required on all ordinances initiated by a Department Director. More information can be found in [Administrative Regulation \(AR\) 4-1](#).

### Executive Summary

Approving a development plan on about 43 acres to allow for the creation of twelve (12) lots and two (2) tracts for a commercial development in District B3-3 (Commercial) generally located at the northeast corner of Northwest Old Tiffany Springs Road and Northwest Skyview Drive. (CD-CPC-2024-00118)

### Discussion

The applicant is seeking approval of a Development Plan for an approximately 43-acre site within the existing B3-3 zoning district, located north of NW Old Tiffany Springs Road, between NW Skyview Avenue and North Ambassador Drive. The plan proposes to subdivide the unplatted parcel into 12 lots, with sizes ranging from 1.04 to 6.57 acres. While the Development Plan does not specify exact building footprints or locations, future development on these lots will undergo Project Plan review. Future Project Plan review will be conducted administratively by the City Planning and Development Department, ensuring compliance with the adopted Design Guidelines for Skyview Crossing.

The Development Plan shows street trees in compliance with the Zoning and Development Code. Future development on each lot must also comply with landscaping and screening standards per Section 88-425 of the Code and the Landscaping Guidelines within the Design Guidelines.

The proposed architectural materials and design elements within the design guidelines are consistent with adjacent developments. The architecture guidelines for Skyview Crossing establish standards for building form, facade composition, drive-thru facilities, gas pumps, roofing, signage, and screening.

Additionally, the Major Street Plan designates NW Old Tiffany Springs Road and NW Skyview Avenue as part of the Special Rapid Transit Corridor (SRTC), which will provide a vital future connection between the airport and downtown. Right-of-way and easements have already been secured along much of this corridor, including the south side of NW Old Tiffany Springs Road. The connection to the north will be preserved through the existing right-of-way on NW Skyview Avenue, located west of the development site. The developer will vacate this right-of-way through a separate application (CD-ROW-2024-00018) and easement via a Final Plat application.

Staff Recommendation: Approval with Conditions

CPC Recommendation: Approval with Conditions

## Fiscal Impact

1. Is this legislation included in the adopted budget? ☐ Yes ☒ No
2. What is the funding source?  
Not applicable as this is a zoning ordinance authorizing the development and use of a property. .
3. How does the legislation affect the current fiscal year?  
Not applicable as this is a zoning ordinance authorizing the development and use of a property.
4. Does the legislation have a fiscal impact in future fiscal years? Please notate the difference between one-time and recurring costs.  
Not applicable as this is a zoning ordinance authorizing the development and use of a property.
5. Does the legislation generate revenue, leverage outside funding, or deliver a return on investment?  
Not applicable as this is a zoning ordinance authorizing the development and use of a property.

## Office of Management and Budget Review

(OMB Staff will complete this section.)

1. This legislation is supported by the general fund. ☐ Yes ☒ No
2. This fund has a structural imbalance. ☐ Yes ☒ No
3. Account string has been verified/confirmed. ☐ Yes ☒ No

## Additional Discussion (if needed)

No account string to verify as this ordinance has no direct fiscal impact.

## Citywide Business Plan (CWBP) Impact
