Line Creek Valley Area Plan Future Land Use Recommendation

Line Creek Valley Area Plan Future Land Use Recommendation

Mixed-Use Community: Primarily intended to accommodate and promote a variety of community-serving retail sales or service uses generally of a higher intensity and larger scale than what is allowed in Mixed-Use Neighborhood areas. This category should include a mix of business and residential uses designed to enhance the pedestrian environment of the community, and corresponds with the “B3” zoning category.

Commercial: Primarily intended to accommodate “heavier” commercial activities and/or operations that are not found in or compatible with mixed-use neighborhood oriented environments, and includes large-scale commercial development targeted in designated areas along major arterials with highway access. This land use classification corresponds with the “B4” zoning category.
