Re: Concurrence in Award
TAP-3324(411)
Rte. 152 Trail – Segment 10 (Ped Bridge over US-169) Project

Dear Todd LaTorella, P.E. Asst. City Engineer/District 1&2 Engineer (Project Mgr.),

The Missouri Department of Transportation (MoDOT) concurs with the recommendation to award this project to Radmacher Brothers Excavating Co., Inc., with a low bid of $3,855,290.42. MoDOT's Business Development and Compliance has approved the DBE participation submitted by the awarded bidder to fulfill the DBE Goal of 0%.

After executing the contract, please submit an electronic copy of the following documents to your MoDOT district representative.

Final Plans Package given to Bidders (include all addenda that were issued)
Fully Executed Contract (including Contract Agreement, Performance/Contract Bond, and Contractor's Acknowledgement)
Insurance Certificate
Signed Worker Eligibility Verification Affidavit
Signed E-Verify Memorandum of Understanding (MOU)
Certification Regarding Affirmative Action signed by prime contractor (only if NOT utilizing MoDOT's Federal Project Bid Proposal Boilerplate)

MoDOT will grant the authority to issue the Notice To Proceed after these documents have been reviewed. The fully executed contract must be the same version that was shown in the bid proposal and must include all signatures, etc.

The itemized proposal is used in preparing a formal project agreement with FHWA. Upon FHWA's approval, a copy of the summary of estimated cost will be furnished for your use. You will then be able to submit invoices for reimbursement.

Please contact your MoDOT district representative at https://www.modot.org/contact-modot-lpa, to coordinate the scheduling of a pre-construction conference or if you have any questions regarding the required submittals.

Sincerely,

Ashley Buechter, P.E.
