Executive Summary

Changing the name of a roughly 1,700-foot corridor currently known as Northwest 97th Street and Northwest 95th Terrace, to consolidate all segments under the following names: Eagle Way and North Harden Drive.

Discussion

The Northwest 97th Street and Northwest 95th Terrace Corridor is a roughly 1,700-foot corridor that changes street names when crossing North Line Creek Parkway, even though it is the same road. The goal of this ordinance is to rename the existing street one contiguous name, creating consistency throughout the Woodhaven and Erika's Place developments. This ordinance will also extend North Harden Avenue north, from the currently approved name of Northwest 95th Terrace.

The Street Naming Committee heard this application at the 8/6/2026 Street Naming Committee hearing and recommended approval of the street renaming, with a condition that the Fire Department also agree to the change. The Fire Department stated they had no objections via email.

Public mailed notice was sent at least 14 days prior to the hearing date to ensure that adequate notice of the renaming was sent.

There has not been any public testimony to date on this application.
