City of Kansas City, Missouri

Docket Memo

Ordinance/Resolution #: 260873
Submitted Department/Preparer: Health
Revised 08/26/26

Docket memos are required on all ordinances initiated by a Department Director. More information can be found in Administrative Regulation (AR) 4-1.

Executive Summary

Authorizing funding up to $24,000 from the Missouri Department of Elementary and Secondary Education (DESE), Office of Childhood to support the Child Care Health Consultation Program at the Kansas City, Missouri Health Department for FY27, October 1, 2026-September 30, 2027.

Discussion

The Child Care Health Consultation (CCHC) Program strengthens the health, safety, and wellness practices of early child care settings throughout Kansas City, Missouri. The Kansas City, Missouri Health Department provides education and resources to ensure that child care providers have access to evidence-based practices that promote safe, healthy, and developmentally supportive environments for children. The CCHC program improves health outcomes for preschool-aged children and enhances the capacity of child care providers to implement high-quality practices, respond to health and safety concerns, and support the overall wellbeing of the children in their care..
