Revised 08/26/26

Docket memos are required on all ordinances initiated by a Department Director. More information can be found in Administrative Regulation (AR) 4-1.

Executive Summary

Amending Chapter 10, Code of Ordinances, "Alcoholic Beverages," by repealing and replacing Sections 10-106 and 10-214, for the purpose of removing and clarifying certain eligibility and waiver provisions for 3:00 a.m. closing permits.

Discussion

A business holding a license pursuant to Sections 10-102, 10-103, 10-134 or 10-135 sales-by-drink license in a convention trade area can apply for a 3:00 a.m. closing permit. As a condition of eligibility, the applicant's business must be located within the convention trade area as defined by the City and the Director must determine, pursuant to Section 10-212, that the extended hours are not likely to interfere with or be detrimental to the rights or interests of the neighboring community. The City desires to allow new businesses who meet the additional requirements of Section 10-106 to obtain a 3:00 a.m. closing permit without needing to show documentation of $125,000.00 in annual gross sales and desires to remove the conditions required for hotels and motels in the convention trade area.
