### Discussion

The Twin Creeks commercial development proposed for the corner of Tiffany Spring and Platte Purchase requires an intersection improvement and permitted driveway on a section of roadway currently under the jurisdiction of MoDOT. MoDOT will not allow a full-access driveway due to traffic concerns regarding the newly constructed diverging diamond interchanges (DDI) at Rt. 152. The only path for the developer to obtain driveway access is for KCMO to obtain jurisdiction of N. Platte Purchase from approximately 350-ft south of Tiffany Springs to NW 88th Street.
