RESOLUTION NO. 220596

RESOLUTION - Adopting the City's Climate Protection and Resiliency Plan which has been approved by the Climate Protection Steering Committee and incorporating its findings and recommendations into City policy and operations.

WHEREAS, the City Council on May 14, 2020, adopted Resolution No. 200005 directing the City to update the 2008 Climate Protection Plan to include new greenhouse gas reduction goals, resiliency and equity and incorporate the ideas into City policy and operations; and

WHEREAS, the City Council on November 4, 2021, adopted Resolution No. 210967 directing the City Manager to declare a climate and ecological emergency that threatens our city, region, state, nation, civilization, humanity, and the natural world; and

WHEREAS, the Office of Environmental Quality, in consultation with Brendle Group, Sophic Solutions, the Climate Protection Steering Committee, stakeholders, and community, has prepared a Climate Protection and Resiliency Plan that will simultaneously reduce greenhouse gas emissions and achieve other high priority goals for the City, such as reducing Kansas City's contribution to climate change and strategies to help our community adapt to the climate-related impacts we are already experiencing with a goal of a carbon neutral, equity focused and resilient Kansas City by 2040; and

WHEREAS, groups which have experienced historic and present-day inequities, such as Black, Latine, and Indigenous peoples, are likely to be disproportionately affected by climate change, and the opportunity to redress former injustices is inherent in the solutions proposed by climate change actions; and

WHEREAS, the Climate Protection and Resiliency Plan builds upon the 2021 KC Regional Climate Action Plan developed by a coalition led by Climate Action KC and the Mid-America Regional Council and success will only be achieved if there is equitable access to the benefits among the entire population of the metropolitan area without regard to race, gender, ethnicity, religion, nationality, sexual orientation, income, age, disability or any other classification; and

WHEREAS, the City Council of Kansas City has adopted, in addition to the 2008 Climate Protection Plan, a number of ordinances and resolutions over time to address climate impacts including 070830, 071216, 080091, 080543, 080736, 080754, 090461,

100245, 110235, 110245, 150299, 150965, 170484, 170586, 170949, 180475, 181000, 190233, 190475, 190760, 200005, 200143, 200396, and 200719; NOW THEREFORE,

BE IT RESOLVED BY THE COUNCIL OF KANSAS CITY:

Section 1. The City adopts the Climate Protection and Resiliency Plan as a framework for reaching our climate goals.

Section 2. The City reaffirms that climate protection and greenhouse gas reduction should be key factors in all decisions and actions by the City and henceforth requires that all future relevant plans, policies, and other initiatives incorporate the goals of the Climate Protection and Resiliency Plan as previously noted in Resolution No. 210967.

Section 3. The City commits to keeping the concerns of climate vulnerable communities central to climate planning and implementation processes and invites and encourages such communities to actively participate in the implementation of the Climate Protection and Resiliency Plan.

ORDINANCE NO. 220716

Estimating revenue and appropriating \$2,000,000.00 from the Unappropriated Fund Balance of the General Obligation Series 2023A Question 1 Bond Fund to fund the final allocation of backlogged sidewalk projects; designating requisitioning authorities; declaring the intent of the City to reimburse itself from the bond proceeds for certain expenditures; and authorizing the Director of Finance to close project accounts.

WHEREAS, Ordinance No. 160877 put before the voters the question of enacting a basic maintenance and capital improvements program for 20 additional years by the extension of the current 1% general sales tax used for capital improvements and maintenance; and

WHEREAS, in a Special Election called on April 4, 2017, the voters of the City of Kansas City, Missouri approved Question 1 to be used for funding Streets, Bridges and Sidewalks, Question 2 to be used for Flood Control and Question 3 to be used for Public Buildings; and

WHEREAS, pursuant to Committee Substitute for Resolution No. 200807, the 2020-2024 Citywide Business Plan included the Submitted FY 2022-2026 GOKC Bond Five-Year Plan of which the first year of the plan (FY2021-22) was approved; and

WHEREAS, Committee Substitute for Ordinance No, 220200 approved the appropriation of \$20,000,000 for the General Obligation Series 2023A Question 1 Bond Fund for Street Resurfacing and

WHEREAS, Ordinance No. 220486 approved \$11,500,000 for the General Obligation Series 2023A Question 1 Bond funding for Sidewalks Repair, ADA Curb Ramps, Vision Zero, Complete Streets and Arlington Road; and

WHEREAS, Committee Substitute for Ordinance No. 220553 approved the balance of the FY23 GOKC bond plan including \$5,676,000.00 for Question 1, \$11,110,000.00 for Question 2, and \$2,575,758.00 for Question 3; and

WHEREAS, this ordinance will allow for the funding of the final amount of the backlog of sidewalk projects existing prior to approval of the 2017 GOKC bond authorization by voters; NOW THEREFORE,

BE IT ORDAINED BY THE COUNCIL OF KANSAS CITY:

Section 1. That the revenue in the following account of Fund No. 3523 General

Obligation Series 2023A Question 1 Bond Fund, is hereby estimated in the following amount:

Section 2. That the sum of 2,000,000.00 for Question 1 – Roads, Bridges, Sidewalks is hereby appropriated from the Unappropriated Fund Balance of Fund No. 3523, the General Obligation Series 2023 Question 1 Bond Fund, to the following accounts:

AL-3523-898077-B-89060891	Sidewalk Repair	\$2,000,000.00
---------------------------	-----------------	----------------

Section 3. That the Director of Public Works is hereby designated as the requisitioning authority for Account Nos. AL-3523-898077.

Section 4. That the City Council hereby declares its official intent to reimburse itself for certain expenditures made within sixty (60) days prior to or on and after the date of this ordinance with respect to appropriations in Section 2 ("Projects"), with the proceeds of bonds expected to be issued by the City. The maximum principal amount of bonds expected to be issued for the Projects is not to exceed \$2,000,000.00. This constitutes a declaration of official intent under Treasury Regulation 1.150-2.

Section 5. That the Director of Finance is hereby authorized to close project accounts, open encumbrances and retainage related to the accounts in Section 2, and return the unspent portion to the Fund balance from which it came upon the earliest of: (i) Project's completion; (ii) final maturity of financing or (iii) five years after issuance. ...end

RESOLUTION NO. 220442

Declaring the City's support of balanced energy options that achieve climate goals inclusive of natural gas and renewable natural gas strategies, its commitment to considering the inequities of higher energy costs upon marginalized communities and its opposition to legislation or policies that eliminate energy options for local energy consumers by mandating certain fuel sources or energy-specific technologies.

WHEREAS, state legislatures, state agencies and local municipalities across the United States are increasingly proposing new legislation and regulations eliminating energy options for local energy consumers by mandating only certain energy sources to power buildings and public and private fleets as a strategy to achieve climate goals; and

WHEREAS, clean, affordable and reliable energy is crucial to the health, safety and wellbeing of Kansas City, Missouri, residents, particularly the most vulnerable who live on fixed and limited incomes, including seniors and working families who are struggling financially; and

WHEREAS, the need for clean, affordable and reliable energy to attract and retain businesses, create jobs and spur economic development is vital to our city's success in a highly competitive and increasingly regional and global marketplace; and

WHEREAS, the City of Kansas City, Missouri, and its residents and businesses value energy options, policies and investments that most affordably and efficiently enable them to support local energy and climate goals and objectives; and

WHEREAS, the City opposes any mandate that eliminates energy options for local energy consumers as such policies suppress economic development and innovation, reduce reliability, disregard fiscal responsibility, impede energy efficiency and unnecessarily increase costs for residents and businesses; and

WHEREAS, this resolution supports the efforts of all industries within the energy sector that are working toward the goal of carbon neutrality via a balanced approach to meeting local and state environmental goals, and moreover, this resolution opposes legislation and policies that would eliminate energy options for local energy consumers with respect to building and vehicle energy resources and technologies; and

WHEREAS, the City understands that its social, environmental and economic resilience rely upon diverse energy options, and that relying on a single energy source increases vulnerabilities to climate change, natural disasters, system failures, global and domestic energy instability, and that a diversity of energy delivery systems and resources contribute to greater reliability and community resilience; and

WHEREAS, the City understands the need for sustainability and is committed to achieving its climate goals, but resolves to maintain the flexibility to do so in a manner that best serves the needs of its residents and businesses; and

WHEREAS, in the pursuit of an inclusive, equitable approach toward innovative, data driven and practical strategies to maximize the benefits obtained from all energy sources, including natural gas and renewable natural gas, the City will encourage the balanced use of all sources of energy to meet the energy needs of the city and to avert undesirable environmental and economic consequences of dependence on a single source of energy as the City pursues the reduction of greenhouse gas emissions and other relevant climate protection and resiliency goals; NOW, THEREFORE,

BE IT RESOLVED BY THE COUNCIL OF KANSAS CITY:

That the City supports balanced energy options that provide the City, its residents, and its businesses with the decision-making authority and resources necessary to achieve climate goals inclusive of natural gas and renewable natural gas strategies, technologies and solutions; the City will duly consider the inequity of higher energy costs and emissions upon marginalized communities least able to withstand their impact; and the City opposes any legislation or policy that eliminates energy options for local energy consumers by mandating certain fuel sources or energy-specific technologies for the powering of buildings, fueling of vehicles or generation of power within the City.

ORDINANCE NO. 220667

Authorizing the City Manager to negotiate and enter into agreements, including but not limited to, a pre-development services agreement, a primary development agreement, and all other necessary agreements consistent with this ordinance, with the most favorable respondent to the Barney Allis Plaza Redevelopment (RFP BAP2022) and provide a 180-day period for negotiations.

WHEREAS, the City of Kansas City, Missouri owns the Auditorium Plaza Garage and Barney Allis Plaza Event Space; and

WHEREAS, the City issued RFP No. BAP2022 requesting proposals outlining the redevelopment of the Auditorium Plaza Garage and Barney Allis Plaza Event Space, including but not limited to reconstruction of the garage and vertical development above the garage; and

WHEREAS, the City's selection committee will meet and select the most favorable respondent to the RFP prior to September of 2022; and

WHEREAS, the City's desire is to have this redevelopment be completed prior to 2026; NOW, THEREFORE,

BE IT ORDAINED BY THE COUNCIL OF KANSAS CITY:

Section 1. That the City Manager is authorized to negotiate and enter into agreements, including but not limited to, a pre-development services agreement, a primary development agreement, and all other necessary agreements consistent with this ordinance, with the most favorable respondent to the Barney Allis Plaza Redevelopment (RFP BAP2022) and provide a 180-day period for negotiations, unless otherwise extended by the City Council.

Section 2. That City Manager's authority to execute the necessary agreements is subject to the City Council passing any further ordinances required under the City Charter and the Code of Ordinances.

RESOLUTION NO. 220702

Directing the City Manager to update the Trails KC Plan to include additional neighborhood connections and update the Five-Year Prioritization Plan that aligns with the City's business plan and equity goals to guide future capital improvement planning and federal grant applications.

WHEREAS, a walkable, bike-friendly, multi-modal and sustainable community, promoted in several City initiatives including the Green Solutions Policy, adopted under Resolution No. 070830 on August 9, 2007, and the Climate Protection Plan, adopted under Resolution No. 080754 on July 24, 2008; and

WHEREAS, in 2008 representatives of a Mayor-appointed steering committee and a technical committee of local, regional and statewide departments worked in partnership with community members to develop and refine the Plan; and

WHEREAS, the City Plan Commission unanimously voted to approve the Trails KC Plan on September 16, 2008; and

WHEREAS, the City Council with the passage of Ordinance No. 081052 on November 20, 2008, adopted the Trails KC Plan which included a 230 mile system connecting the 317 square miles with the City; and

WHEREAS, since the adoption of the Trails KC Plan the City has completed major sections along the Brush Creek, Line Creek, Route 152, Little Blue River, Blue River, Indian Creek, Shoal Creek, and Big Shoal Creek Trail corridors and now has over 100 miles of the Trails KC Plan implemented; and

WHEREAS, since the adoption of the Trails KC Plan the City has completed an update to the Bicycle Plan which included separated on-street bicycle system and a comprehensive overlay of both plans is lacking which results in areas of the City lacking access to the multi-modal transportation system; and

WHEREAS, the City Planning and Development Department has conducted a trails nexus study which included some components of a Trails KC Plan update but this has not been adopted by the City Council; and

WHEREAS, the City Council desires to update the Trails KC Plan for additional neighborhood connections and a new five year prioritization to guide City staff on expansion of the trail network to focus resources towards an equitable implementation; NOW, THEREFORE,

BE IT ORDAINED BY THE COUNCIL OF KANSAS CITY:

Section 1. That the City Manager is hereby directed to update the Trails KC Plan to include additional neighborhood connections and update the Five-Year Prioritization Plan that align with the City's business plan and equity goals to guide future capital improvement planning and federal grant applications.

Section 2. That the City Manager is hereby directed to report to the City Council status of the trails nexus study within the next 30 days.

Section 3. That the City Manager is directed to report back within 120 days the updated Trails KC Plan for City Council approval.
