In connection therewith, the Paying Agent may rely conclusively upon information provided by the Securities Depository with respect to the identity and interests of the Participants and upon information provided by said Participants with respect to the Beneficial Owners of the Bonds. The City under such circumstances agrees to provide to the Paying Agent a sufficient supply of Bond certificates to meet the Paying Agent’s requirements, including without limitation Bond certificates for use in the case of transfers and exchanges of Bonds.

(d) Payments to Cede & Co. Notwithstanding any other provision of this Ordinance to the contrary, so long as any Bonds are registered in the name of Cede & Co., as nominee of the Securities Depository, all payments of the principal, interest and premium, if any, with respect to such Bonds, and all notices with respect to such Bonds, shall be made and given, respectively, in the manner provided in the Letter of Representations of the City and the Paying Agent to the Securities Depository.

Payment of or on account of the principal of, premium, if any, and interest on any Bond shall be made only to or upon the order of the Owner thereof or agent duly authorized in writing. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond, including the interest thereon, to the extent of the sum or sums so paid.

The City shall redeem on such dates the principal amounts set forth as serial maturities by this Ordinance and the remaining principal amount of Series 2023A Bonds maturing on the

Stated Maturity of the respective term bond, shall be paid at their Stated Maturity.

The Paying Agent shall each year in which Bonds maturing on the Stated Maturity of the respective term bonds, are to be redeemed pursuant to this **Section 301(a)** make timely selection of such Bonds or portion of such Bonds to be so redeemed and shall give notice thereof as hereinafter provided. Upon instructions duly given by the City, moneys deposited in the Series 2023A Debt Service Account may be used at any time after January 1, in the year next preceding the first of such mandatory redemption to purchase term Bonds maturing on the Stated Maturity of the respective term bond, in the open market at a price not in excess of their principal amount and moneys deposited in the Series 2023A Debt Service Account may be used for the purpose of paying interest on the Bonds so purchased at the rate specified thereon to the date of purchase. Such request shall specify the principal amount of the Bonds to be called for redemption, the Redemption Price or Price(s) and the Redemption Date.

(b) Bonds shall be redeemed in the principal amount of \$5,000.00 or an integral multiple thereof. In the case of a partial redemption of Bonds of the same Stated Maturity, the Bonds to be redeemed shall be selected by the Paying Agent from the Outstanding Bonds of that Stated Maturity by such methods as the Paying Agent shall deem fair and appropriate and which may provide for the selection for redemption of a portion of the principal of Outstanding Bonds of that Stated Maturity that have been issued in a denomination larger than \$5,000.00. The portions of the principal of Outstanding Bonds so selected for partial redemption shall be equal to \$5,000.00 or integral multiples thereof. Any Bond which is to be redeemed only in part shall be submitted to the Paying Agent and delivered to the bond registrar, who shall authenticate and deliver to the Owner of such Bond, without service charge, a new Bond or Bonds, of any authorized denomination as requested by such Owner in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Bond so surrendered. If the Owner of any such Bond of a denomination greater than \$5,000.00 shall fail to present such Bond to the Paying Agent for payment and exchange as aforesaid, such Bond shall, nevertheless, become due and payable on the Redemption Date to the extent of the principal amount of such Bond called for redemption (and to that extent only).

Section 303. Notice and Effect of Call for Redemption.

(a) The Paying Agent shall give written notice in the name of the City of its intention to redeem and pay Bonds at the principal corporate trust office of the Paying Agent or such other office as the Paying Agent may designate. - (6) The Bond Number and CUSIP number, if any.

(b) With respect to optional redemptions, such notice may be conditioned upon moneys being on deposit with the Paying Agent on or prior to the Redemption Date in an amount sufficient to pay the Redemption Price on the Redemption Date. If such notice is conditional and either the Paying Agent receives written notice from the City that moneys sufficient to pay the Redemption Price will not be on deposit on the Redemption Date, or such moneys are not received on the Redemption Date, then such notice shall be of no force and effect, the Paying Agent shall not redeem such Bonds and the Paying Agent shall give notice, in the same manner in which the notice of redemption was given, that such moneys were not or will not be so received and that such Bonds will not be redeemed.

(c) The failure of the Owner of any Bond to be redeemed to receive written notice mailed as hereinabove provided shall not affect or invalidate the redemption of said Bond. If any Bond is called for redemption and payment as aforesaid, all interest on such Bond shall cease from and after the date for which such call is made, provided funds are made available to the Paying Agent for its payment on the Redemption Date at the Redemption Price.

(d) The Paying Agent is also directed to comply with any mandatory or voluntary standards then in effect for processing redemptions of municipal securities established by the Securities and Exchange Commission. Failure to comply with such standards shall not affect or invalidate the redemption of any Bond to be redeemed.

(b) The other separate funds and accounts created or acknowledged under the Outstanding Parity Bond Ordinance will be maintained and administered by the City while the applicable series of bonds, for which such funds and accounts were created, are outstanding, all in accordance with the terms of the Outstanding Parity Bond Ordinance.

Section 403. Series 2023A Reserve Account.

(a) The Series 2023A Reserve Account shall not be funded at the time of issuance of the Series 2023A Bonds. Upon the occurrence of a Bond Reserve Requirement Funding Commencement Date, the City shall, pursuant to the provisions of **Section 602** hereof, make equal monthly deposits as provided in the Certificate of Final Terms until the Bond Reserve Requirement is satisfied.

(b) In lieu of making cash deposits to the Series 2023A Reserve Account, the Bond Reserve Requirement may be satisfied by a surety bond, subject to the following requirements: (1) the provider of the surety bond must, at the time of issuance, have a Rating of one of the two highest rating categories by a Rating Agency; (2) the City shall not secure any obligation to the provider of a surety bond by a lien equal to or superior to the lien granted to the Bonds; (3) the surety bond shall have a term of at least one year (or, if less, the remaining term of the Bonds) and shall entitle the City to draw upon or demand payment and receive the amount so requested in immediately available funds on the date of such draw or demand; (4) the surety bond shall permit a drawing by the City for the full stated amount in the event (i) the surety bond expires or terminates for any reason prior to the final maturity of the Bonds, and (ii) the City fails to satisfy the Bond Reserve Requirement by the deposit to the Series 2023A Reserve Account of either (A) cash or Permitted Investments or (B) a letter of credit or a substitute surety bond (“**Substitute Surety Bond**”), or (C) any combination thereof, on or before the date of such expiration or termination; and (5) if the provider of the surety bond commences any insolvency proceedings or is determined to be insolvent or fails to make payments when due on its obligations, the City shall provide a Substitute Surety Bond within sixty (60) days thereafter, and, if no Substitute Surety Bond is obtained by such date, shall fund the Bond Reserve Requirement in equal monthly deposits as described in the Certificate of Final Terms commencing not later than the first day of the month immediately succeeding the date representing the end of such sixty (60) day period. If the event

described in clause (5) above occurs, the City shall not relinquish the surety bond at issue until after the Bond Reserve Requirement is fully satisfied by the provision of cash, obligations, or a Substitute Surety Bond or any combination thereof. Any amount received from a draw on the surety bond shall be deposited directly into the Series 2023A Debt Service Account, and such deposit shall constitute the application of amounts in the Series 2023A Reserve Account. Repayment of any draw-down on the surety bond (other than repayments which reinstate the surety bond) and any interest or fees due the provider of the surety bond under such surety bond shall be secured by a lien on the Net Sanitary Sewer Revenues subordinate to payments into the Series 2023A Debt Service Account securing the Bonds.

(c) If the City elects to deposit a Substitute Surety Bond in the Series 2023A Reserve Account in lieu of moneys on deposit therein, then, upon any such deposit, the cash in an amount equal to, or Permitted Investments held therein having a market value equal to, the face amount of the Substitute Surety Bond then being deposited, shall be returned to the City, except that moneys on deposit in such fund which were originally proceeds of any Bonds shall be either transferred to the Series 2023A Debt Service Account or applied for any other use specified by the City if there shall be delivered to the Paying Agent an Opinion of Bond Counsel to the effect that such other use will not adversely affect the excludability of the interest on the Series 2023A Bonds from the gross income of the Owners thereof for purposes of Federal income taxation and is permitted by the Outstanding Parity Bond Ordinance and the 2022 Election.

(d) The Director of Finance is hereby authorized to execute any and all agreements with a bond surety company (the “**Indemnitor**”) in order to effectuate the issuance of the surety bond, specifically including, but not limited to, any agreement necessary in order to reimburse the Indemnitor for moneys advanced under the surety bond. In the event moneys are advanced by the Indemnitor, the City shall reimburse the Indemnitor from all funds legally available in the Sewer Fund, subject only to the payments required by **Section 602(a) (1) and (2)** hereof.

(e) All moneys in any Outstanding Parity Bond Reserve Account shall be used for the payment of principal of and interest on the related series of bonds for which funds might not otherwise be available, or to pay a like amount of the last maturing bonds of such series.

(f) Should the City expend any portion of the Series 2023A Reserve Account and thereby reduce the amount therein below the Bond Reserve Requirement, except for the purpose for retiring all Outstanding Bonds, or should a valuation of the 2023A Reserve Account indicate that it is below the Bond Reserve Requirement, the City shall, subject to the provisions of **subsection (g)** of this **Section 403**, transfer monthly to such Series 2023A Reserve Account, all available funds after providing for the payments and transfers set forth in **Sections 602(a)(1) and (2)** hereof, until such Series 2023A Reserve Account shall have again satisfied the Bond Reserve Requirement. Any amounts in the Series 2023A Reserve Account in excess of the Bond Reserve Requirement on any Valuation Date shall be transferred by the City to the Sewer Fund or to such other fund or account described in this **Article IV**.

(g) If at any time the moneys in the Sewer Fund shall be insufficient to make in full any payments and credits at the time required to be made by the City to the bond reserve accounts established by the City to protect the payment of the outstanding Sanitary Sewer System Revenue Bonds of the City including only the Bonds, the Outstanding Parity Bonds and other sanitary system revenue bonds of the City hereafter issued and standing on a parity with the Bonds and the Outstanding Parity Bonds, the available moneys in the Sewer Fund shall be divided among such bond reserve accounts in proportion to the respective principal amounts of said series of Sanitary Sewer System Revenue Bonds of the City at the time outstanding which are payable from the moneys in such bond reserve accounts.

ARTICLE V
APPLICATION OF BOND PROCEEDS

Section 501. Disposition of Bond Proceeds.

(a) The net proceeds received from the sale of the Bonds, including any premium and accrued interest, will be deposited simultaneously with the delivery of the Bonds in accordance with the Certificate of Final Terms.

(b) Amounts remaining in the Series 2023A Costs of Issuance Account on the first day of the sixth month after the date of delivery of the Series 2023A Bonds, shall be transferred to the Series 2023A Construction Account. Upon the completion of the rehabilitations, expansions and improvements to the Sanitary Sewer System to be financed with proceeds of the Series 2023A Bonds, the plans and specifications for which have been approved by the Governing Body, any surplus remaining in the Series 2023A Construction Account shall be deposited in and credited to the Series 2023A Debt Service Account created by **Section 401 (e)(4)** of this Ordinance. Any Bond proceeds or investment earnings thereon remaining in the Series 2023A Compliance Account five (5) years and 180 days after the date of issuance of the Series 2023A Bonds shall be disbursed as set forth in **Section 605(d)** of this Ordinance.

(c) Any surplus credited to the Series 2023A Debt Service Account shall be applied by the Paying Agent as directed by the City solely to the payment of principal of, redemption premium, if any, and interest on the Bonds through the payment or redemption thereof at the earliest date permissible under the terms of this Ordinance. The balance transferred to the Series 2023A Debt Service Account may first be used to pay any principal payment on the Bonds coming due in that current bond year. If the balance transferred is greater than the current bond year principal payment, the excess shall be used to call Bonds for redemption in accordance with **Section 301(b)** hereof. Any Bonds purchased by the Paying Agent pursuant to this **Section 501** with moneys from the Series 2023A Debt Service Account will be deemed cancelled.

ARTICLE VI
APPLICATION OF REVENUES

Section 601. Sewer Fund.

(a) The City covenants and agrees that all Sanitary Sewer Revenues will be deposited into the Sewer Fund when received. The Sanitary System Revenues will be segregated from all other moneys, revenues, funds and accounts of the City.

(b) All moneys deposited in the Sewer Fund will be designated as having been derived from the ownership and operation of the Sanitary Sewer System. All Sanitary Sewer Revenues will be deposited in the Sewer Fund.

(c) The Sewer Fund will be administered and applied solely for the purposes and in the manner provided in this Ordinance and any Parity Ordinance.

Section 602. Application of Moneys in Sanitary Sewer System Funds and Accounts.

(a) The City will apply moneys in the Sewer Fund on the dates, in the amounts and in the order as follows:

- (1) on the first day of each month, the estimated cost of operating and maintaining the Sanitary Sewer System during the ensuing 30-day period, which amount shall include on the dates required by the applicable Outstanding Parity Bond Ordinance the amounts required to pay the fees described in the applicable Outstanding Parity Bond Ordinance, if any, but will exclude Administrative Service Fees; and
- (2) to the Series 2023A Debt Service Account and the Outstanding Parity Bond Debt Service Account, on a parity basis, the amount required under the Outstanding Parity Bond Ordinance at the time specified therein. In the case of the Series 2023A Bonds, the City shall transfer to the Paying Agent for the Series 2023A Bonds on the Business Day prior to any Interest Payment Date the amounts of principal and interest due on the Series 2023A Bonds on the next Interest Payment Date; and
- (3) on the first day of each month after the Bond Reserve Requirement Funding Commencement Date and as otherwise required by this Ordinance, to the Series 2023A Reserve Account, and as required by the Outstanding Parity Bond Ordinance, to the Outstanding Parity Bond Debt Service Reserve Account, and in the event the trustee or the Paying Agent has withdrawn moneys from the Series 2023A Reserve Account (other than investment earnings or the amount transferred from the Series 2023A Reserve Account upon the payment of principal on the Bonds), to the Series 2023A Reserve Account all available moneys until the Series 2023A Reserve Account has been replenished; and
- (4) on the first day of each month the Administrative Service Fees for the ensuing 30-day period; and
- (5) to deposit to the Renewal and Replacement Account (i) the amount required to be paid to such Renewal and Replacement Account, if any, by the applicable Outstanding Parity Bond Ordinance on the dates required by the applicable Outstanding Parity Bond Ordinance to be applied in accordance with said Outstanding Parity Bond Ordinance, and (ii) the amount determined by the Operating and Capital Reserves Policy established and approved by the Water Services Department and the Governing Body, as may be amended from time to time, to be applied in accordance with **subsection (c) of this Section 602**; and
- (6) on the first day of each month the remaining balance to the Surplus Account.

(b) If the amount in the Sewer Fund is not sufficient to make the payments at the time required to be made by the City to the Series 2023A Reserve Account (if required pursuant to **Section 402** hereof) and to the Outstanding Parity Bond Debt Service Reserve Account, the City will divide the balance in the Sewer Fund between the Series 2023A Reserve Account and the Outstanding Parity Bond Debt Service Reserve Account on a proportionate basis (based upon the outstanding principal amounts of the Series 2023A Bonds and the Outstanding Parity Bonds).

(c) Except as otherwise provided in this **Section 602** or any Outstanding Parity Bond Ordinance, all sums accumulated and retained in the Renewal and Replacement Account shall be used to meet the costs of capital improvements to the System, necessary to keep the same in good operating condition or as is required by any governmental agency having jurisdiction over the System, and such sums may be encumbered by an estimation and appropriation ordinance of the Governing Body to accomplish the same. All unencumbered sums accumulated and retained in the Renewal and Replacement Account, if any, shall be applied by the City from time to time, as and when the City shall determine, to the following purposes and, prior to the occurrence and continuation of an Event of Default, in the order of priority determined by the City in its sole discretion:

(a) to maintain and improve the System as described above and (b) to pay the principal of and interest on any Sanitary Sewer System Revenue Bonds and any other obligations payable from Net Sanitary Sewer Revenues. No moneys credited to the Renewal and Replacement Account shall ever be directed or applied to the general governmental or municipal functions of the City so long as any of the Series 2023A Bonds remain Outstanding. Except as otherwise provided in the Series 2021 Bond Ordinance or any other Outstanding Parity Bond Ordinance, the total amount of money credited to the Renewal and Replacement Account shall not exceed the maximum amount established by the Operating and Capital Reserves Policy approved by the Water Services Department and the Governing Body, as may be amended from time to time.

(d) Except as otherwise provided in the Outstanding Parity Bond Ordinance, moneys in the Surplus Account are to be expended for the following purposes as determined by the Governing Body:

- (1) paying the cost of the operation, maintenance and repair of the Sanitary Sewer System to the extent necessary;
 - (2) paying the cost of extending, enlarging or improving the Sanitary Sewer System;
 - (3) preventing default in, anticipating payments into or increasing the amounts in the accounts confirmed or established in **Section 401** hereof, or establishing or increasing the amount of any debt service account or debt service reserve account created by the City for the payment of any Sanitary Sewer System Revenue Bonds subsequently issued; or
 - (4) redeeming and paying prior to maturity, or, at the option of the City, purchasing in the open market at the best price obtainable not exceeding the call price (if any bonds are callable), the Bonds, the Outstanding Parity Bonds or any other Sanitary Sewer System Revenue Bonds of the City hereafter issued under the conditions hereinafter specified and standing on a parity with the Bonds, including principal, redemption premium, if any, and interest; or
 - (5) making payments on capital lease obligations; or
 - (6) any other lawful purpose in connection with the operation of the System and beneficial to the System.
- (e) No moneys derived by the City from the Sanitary Sewer System will be diverted to the general governmental or municipal functions of the City.

Section 603. Deficiency of Payments into Funds and Accounts.

- (a) If the Sanitary Sewer Revenues are insufficient to make any payment on any date specified in this **Article VI**, the City will make good the amount of the deficiency by making additional payments out of the first available Sanitary Sewer Revenues for application in the order specified in **Section 602** hereof.
- (b) If the moneys in the Outstanding Parity Bond Debt Service Account, the Outstanding Parity Bond Debt Service Reserve Account, the Series 2023A Debt Service Account or the Series 2023A Reserve Account (if required under **Section 403** hereof) are not sufficient to pay the principal of and interest on the Outstanding Parity Bonds and the Bonds as and when the same become due, the City will apply moneys in the Surplus Account on a proportionate basis (based upon the outstanding principal amounts of the Bonds and the Outstanding Parity Bonds) to the Series 2023A Debt Service Account and the Outstanding Parity Bond Debt Service Account to prevent any default in the payment of the principal of and interest on the Bonds and the

Outstanding Parity Bonds.

Section 604. Transfer of Funds to Paying Agent. The Director of Finance is authorized and directed to make the payments to the Series 2023A Debt Service Account and the Outstanding Parity Bond Debt Service Account as provided in **Section 602** hereof, and, to the extent necessary to prevent a default in the payment of the Sanitary Sewer System Revenue Bonds, from the Outstanding Parity Bond Debt Service Reserve Account, the Series 2023A Reserve Account and the Surplus Account as provided in **Sections 602** and **603**, sums sufficient to pay the Sanitary Sewer System Revenue Bonds when due, and to forward amounts to the Paying Agent in a manner which ensures the Paying Agent will have sufficient available funds on or before the Business Day immediately preceding the dates when payments on the Sanitary Sewer System Revenue Bonds are due. Upon the payment of all principal and interest on the Sanitary Sewer System Revenue Bonds, the Paying Agent will return any excess funds to the City.

Section 605. Application of Moneys in the Series 2023A Compliance Account.

(a) There shall be deposited in the Series 2023A Compliance Account (1) the amount required by **Section 501** hereof and (2) such amounts as are required to be deposited therein pursuant to the Federal Tax Certificate. Subject to the payment provisions provided in subsection (b) and (d) below, all money in the Series 2023A Compliance Account shall be held in trust, to the extent required to satisfy the Rebate Amount (as defined in the Federal Tax Certificate), for payment to the United States of America, and neither the City nor the Registered Owner of any Bond shall have any rights in or claim to such money. All amounts deposited into or on deposit in the Series 2023A Compliance Account shall be governed by this Section and the Federal Tax Certificate.

(b) The City shall periodically determine the rebatable arbitrage under Section 148(f) of the Code in accordance with the Federal Tax Certificate, and the City shall make payments to the United States of America at the times and in the amounts determined under the Federal Tax Certificate. Except as provided in subsection (d) below with respect to Bond proceeds deposited in the Series 2023A Compliance Account pursuant to **Section 501** hereof, any moneys remaining in the Series 2023A Compliance Account after redemption and payment of all of the Bonds and the interest thereon and payment and satisfaction of any Rebate Amount, or provision made therefor, shall be released to the City.

(c) Notwithstanding any other provision of this Ordinance, including in particular **Article XI**, the obligation to pay rebatable arbitrage to the United States and to comply with all other requirements of this Section and the Federal Tax Certificate shall survive the defeasance or payment in full of the Bonds.

(d) The moneys deposited in the Series 2023A Compliance Account pursuant to **Section 501** shall be used to pay costs associated with retaining any rebate analyst or other expert to perform any rebate computations or other calculations necessary to ensure the City maintains compliance with the requirements for rebate under Section 148(f) of the Code or any of the City's duties with respect to the Series 2023A Compliance Account (as defined in the Federal Tax Certificate). Any Bond proceeds or investment earnings thereon remaining in the Series 2023A Compliance Account five (5) years and 180 days after the date of issuance of the Series 2023A Bonds shall be disbursed as follows:

(1) If the rehabilitations, expansions and improvements to the Sanitary Sewer System for which the Series 2023A Bonds were issued are not yet complete, Series 2023A Bond proceeds or investment earnings thereon remaining in the Series 2023A Compliance Account shall be transferred to the Series 2023A Construction Account created by **Section 401(e)(1)** of this Ordinance; or

(2) If the rehabilitations, expansions and improvements to the Sanitary Sewer System for which the Series 2023A Bonds were issued are complete, Series 2023A Bond proceeds or investment earnings thereon remaining in the Series 2023A Compliance Account shall be deposited in and credited to the Series 2023A Debt Service Account created by **Section 401(e)(4)** of this Ordinance.

ARTICLE VII
DEPOSIT AND INVESTMENT OF MONEYS

Section 701. Investment of Moneys.

(a) Moneys in each of the funds and accounts created or ratified and confirmed by this Ordinance may be invested by the City in Permitted Investments, but no investment will be made for a period extending longer than the date when the moneys invested may be needed. Unless stated otherwise, all earnings on any investments held in any fund or account will accrue to the Sewer Fund. Notwithstanding the preceding sentence, all earnings on amounts in the Series 2023A Construction Account will accrue to the Series 2023A Debt Service Account. In determining the amount held in any fund or account under this Ordinance, obligations will be valued at the lower of cost or market value. If the amount in any fund or account held within the Treasury of the City is greater than the required amount, the City may transfer the excess to the Sewer Fund.

(b) So long as the Outstanding Parity Bonds are outstanding, any investments made pursuant to this **Section 701** are subject to the applicable restrictions in the Outstanding Parity Bond Ordinance.

ARTICLE VIII
PARTICULAR COVENANTS OF THE CITY

Section 801. Efficient and Economical Operation. The City will continuously own and will operate the Sanitary Sewer System in an efficient and economical manner and will keep and maintain the Sanitary Sewer System in good repair and working order.

Section 802. Rate Covenant.

(a) The City will fix, establish, maintain and collect rates and charges for the use and services furnished by or through the Sanitary Sewer System to produce income and revenues sufficient to (1) pay the costs of the operation and maintenance of the Sanitary Sewer System; (2) pay the principal of and interest on the Bonds as and when due; (3) enable the City to have in each Fiscal Year Net Sanitary Sewer Revenues Available for Debt Service plus Administrative Service Fees of not less than 110% of the amount required to be paid by the City in the Fiscal Year on account of both principal of and interest on all Sanitary Sewer System Revenue Bonds at the time outstanding, plus capital lease payments, if any, provided that interest on any SRF Program Bonds will be reduced by the SRF Subsidy, if any; and (4) provide reasonable and adequate reserves for the payment of the Bonds and the interest thereon and for the protection and benefit of the Sanitary Sewer System as provided in this Ordinance. The City will require the prompt payment of accounts for service rendered by or through the Sanitary Sewer System and will promptly take whatever action is legally permissible to enforce and collect delinquent charges.

(b) The City has covenanted in the ordinances applicable to the Outstanding Parity Bonds to comply with the rate covenant set forth in the applicable ordinance so long as such bonds are outstanding.

Section 803. Reasonable Charges for all Services. None of the facilities or services provided by the Sanitary Sewer System will be furnished to any user without a reasonable charge being made therefore.

Section 804. Performance of Duties. The City will faithfully and punctually perform all duties and obligations with respect to the operation of the Sanitary Sewer System now or hereafter imposed upon the City by any applicable laws, including the constitution and laws of the State and the provisions of this Ordinance.

Section 805. Tax Covenants.

(a) The City covenants and agrees that (1) it will comply with all applicable provisions of the Code necessary to maintain the exclusion from federal gross income of the interest on the Bonds and (2) comply with all provisions and requirements of the Federal Tax Certificate. The Director of Finance is hereby authorized to execute the Federal Tax Certificate in a form approved by Bond Counsel, for and on behalf of and as the act and deed of the City. The City will also pass such other ordinances or resolutions and take such other actions as may be necessary to comply with the Code and with all other applicable future laws, regulations, published rulings and judicial decisions in order to ensure that the interest on the Bonds will remain excluded from federal gross income, to the extent any such actions can be taken by the City.

(b) The covenants contained in this **Section 805** and in the Federal Tax Certificate shall remain in full force and effect notwithstanding the defeasance of the Bonds pursuant to **Article XI** of this Ordinance or any other provision of this Ordinance until the final Maturity of all Bonds Outstanding.

Section 806. Continuing Disclosure. The City covenants and agrees to enter into a Continuing Disclosure Undertaking (the “**Continuing Disclosure Undertaking**”) in order to satisfy the City’s ongoing disclosure requirements promulgated by Securities and Exchange Commission Rule 15c2-12, as amended, in connection with the issuance of the Bonds. The Director of Finance is hereby authorized to execute and deliver the Continuing Disclosure Undertaking for and on behalf of the City, with such changes therein as he deems necessary or desirable. Notwithstanding any other provision of this Ordinance, failure of the City to comply with the Continuing Disclosure Undertaking shall not be considered a default under this Ordinance. Remedies for a default under the Continuing Disclosure Undertaking shall be limited to those set forth in the Continuing Disclosure Undertaking.

ARTICLE IX
ADDITIONAL BONDS

Section 901. Prior Lien Bonds. Except as provided in **Section 904** hereof, the City will not issue any debt obligations payable out of the Net Sanitary Sewer Revenues which are superior in lien, security or otherwise to the Bonds.

Section 902. Parity Lien Bonds or Obligations.

(a) Except as provided in **Section 904** hereof, the City will not issue any additional bonds or other long-term obligations payable out of the Net Sanitary Sewer Revenues which stand on a parity or equality with the Bonds unless the following conditions are met:

(1) The City is not in default in the payment of principal or interest on the Bonds or the Parity Bonds or in making any deposit into the funds and accounts under this Ordinance or any Parity Ordinance; and

(2) For so long as any of the Series 2023A Bonds remain Outstanding, the City provides to the Paying Agent a certificate showing either of the following:

(i) The average annual Net Sanitary Sewer Revenues Available for Debt Service plus Administrative Service Fees as set forth in the two most recent annual audits for Fiscal Years preceding the issuance of additional bonds, are at least 110% of the average annual debt service on the Sanitary Sewer System Revenue Bonds (excluding subordinate revenue bonds or obligations), including the additional bonds proposed to be issued, to be paid out of the Net Sanitary Sewer Revenues Available for Debt Service in all succeeding Fiscal Years. Interest to be paid on any SRF Program Bonds may be reduced by the SRF Subsidy, if any. In determining Net Sanitary Sewer Revenues Available for Debt Service, the City may rely on a certificate of the Consultant to add the additional Net Sanitary Sewer Revenues Available for Debt Service which would have resulted if the rate increase had been in effect for the entire period to the audited Net Sanitary Sewer Revenues if the City has made any increase in rates for the use and services of the Sanitary Sewer System and the increase has not been in effect during all of the two Fiscal Years for which annual audits are available; or

(ii) The estimated average annual Net Sanitary Sewer Revenues Available for Debt Service plus Administrative Service Fees for the two Fiscal Years immediately following the Fiscal Year in which the improvements to the Sanitary Sewer System being financed by the additional bonds are to be in commercial operation, as certified by the Consultant, is at least 110% of the average annual debt service on the Sanitary Sewer System Revenue Bonds (excluding subordinate revenue bonds or obligations), including the additional bonds proposed to be issued, to be paid out of the Net Sanitary Sewer Revenues Available for Debt Service in succeeding Fiscal Years following the commencement of commercial operation of the improvements. Interest to be paid on any SRF Program Bonds may be reduced by the SRF Subsidy, if any. In determining the amount of estimated Net Sanitary Sewer Revenues Available for Debt Service for the purpose of this subsection, the Consultant may adjust the estimated net income and revenues by adding the estimated increase in Net Sanitary Sewer Revenues Available for Debt Service resulting from any increase in rates for the use and services of the Sanitary Sewer System approved by the City.

(b) If the conditions set forth in this **Section 902** are satisfied, the City (1) may issue additional revenue bonds or other obligations of the City on a parity with the Bonds and that enjoy complete equality of the lien on the Net Sanitary Sewer Revenues with the Bonds, (2) may make equal provision for paying the additional revenue bonds or other obligations from the Sewer Fund, and (3) may secure the additional revenue bonds or other obligations by funding reasonable debt service accounts and debt service reserve accounts from the Net Sanitary Sewer Revenues.

(c) The City has covenanted in the ordinances applicable to the Outstanding Parity Bonds to comply with the additional bonds test set forth in the applicable ordinance so long as such bonds are outstanding.

Section 903. Junior Lien Bonds. Nothing in this **Article IX** prohibits or restricts the right of the City to issue additional revenue obligations, including revenue bonds, for the purpose of extending, improving, enlarging, repairing or altering the Sanitary Sewer System, that are subordinate to the Bonds if at the time of the issuance of the additional revenue obligations the City is not in default in the performance of any covenant or agreement in this Ordinance. If the City is in default in paying either interest on or principal of the Bonds, or if the Series 2023A Reserve Account is not fully funded to the extent required by **Section 403** hereof, the City

shall not make any payments on the subordinate revenue obligations until the default is cured. Subject to the limitations in this **Section 903**, the City may make provision for paying the principal of and interest on the subordinate revenue bonds or obligations from moneys in the Sewer Fund.

Section 904. Refunding Bonds. The City may, without complying with the provisions of **Section 902** hereof, refund any of the Bonds in a manner which provides debt service savings to the City, and the refunding bonds so issued will be on a parity with any of the Bonds that are not refunded and any Outstanding Parity Bonds.

ARTICLE X **DEFAULT AND REMEDIES**

Section 1001. Acceleration of Maturity in Event of Default. The City covenants and agrees that if it shall default in the payment of the principal of or interest on any of the Bonds as the same shall become due on any bond payment date, or if the City or the Council of the City or any of the officers, agents, or employees thereof shall fail or refuse to comply with any of the provisions of this Ordinance or of the constitution or statutes of the State, and such default continues for a period of sixty (60) days after written notice specifying such default has been given to the City by the Registered Owner of any Bond then Outstanding, then, at any time thereafter and while such default continues, the Registered Owners of twenty-five percent (25%) in principal amount of the Bonds then Outstanding may, by written notice to the City filed in the office of the City Clerk or delivered in person to the City Clerk, declare the principal of all Bonds then Outstanding to be due and payable immediately, and upon any such declaration given as aforesaid, all of the Bonds shall become and be immediately due and payable, anything in this Ordinance or in the Bonds contained to the contrary notwithstanding. This provision, however, is subject to the condition that if at any time after the principal of the Outstanding Bonds has been so declared to be due and payable, all arrears of interest upon all Outstanding Bonds, except interest accrued but not yet due on such Bonds, and all arrears of principal upon all of said Bonds shall have been paid in full, and all other defaults, if any, by the City under the provisions of this Ordinance and under the provisions of the constitution or statutes of the State shall have been cured, then and in every such case, the Registered Owners of a majority in principal amount of the Bonds then Outstanding, by written notice to the City given as hereinbefore specified, may rescind and annul such declaration and its consequences, but no such rescission or annulment shall extend to or affect any subsequent default or impair any rights consequent thereon.

Section 1002. Remedies.

(a) The provisions of this Ordinance constitute a contract between the City and the Owners of the Bonds. The Owner or Owners of not less than 25% in principal amount of the Bonds at the time Outstanding have the right for the equal benefit and protection of all Owners of Bonds similarly situated:

- (1) by any proceeding at law or in equity to enforce the rights of the Owner or Owners against the City and its officers, agents and employees, and to compel the performance by the City of its duties and obligations under this Ordinance, the Constitution and the laws of the State;
- (2) by any proceeding at law or in equity to require the City, its officers, agents and employees to account as if they were the Paying Agents of an express trust; and
- (3) by any proceeding at law or in equity to enjoin any act or thing which is unlawful or in violation of the rights of the Owners of the Bonds.

(b) Any amounts paid on the Bonds to the Owners will be applied first to interest and second to principal, to the extent due and payable.

Section 1003. Limitation on Rights of Bondowners. No Owner has any right in any manner whatever by the Owner's action to affect, disturb or prejudice the security granted and provided for in, or enforce any right under, this Ordinance, except in the manner provided in this Ordinance. All proceedings at law or in equity will be for the equal benefit of all Owners.

Section 1004. Remedies Cumulative. No remedy conferred upon the Owners is intended to be exclusive of any other remedy. Each remedy is in addition to every other remedy and may be exercised without exhausting any other remedy conferred under this Ordinance. No waiver by any Owner of any default or breach of duty or contract of the City under this Ordinance will affect any subsequent default or breach of duty or contract by the City or impair any rights or remedies thereon. No delay or omission of any Owner to exercise any right or power accruing upon any default will impair any right or power or will be construed to be a waiver of any default. Every substantive right and every remedy conferred upon the Owners of the Bonds by this Ordinance may be enforced and exercised from time to time and as often as may be expedient. If any Owner discontinues any proceeding or the decision in the proceeding is against the Owner, the City and the Owners of the Bonds will be restored to their former positions and rights under this Ordinance.

Section 1005. Exception for Continuing Disclosure. This Article X shall not apply to **Section 806** hereof regarding the City's continuing disclosure obligations, and the Registered Owners of the Bonds shall have no remedies for enforcement of said obligations other than the remedies provided for in **Section 806** hereof and the City's Continuing Disclosure Undertaking (hereinafter defined).

Section 1006. No Obligation to Levy Taxes. Nothing in this Ordinance imposes any duty or obligation on the City to levy any taxes either to meet any obligation incurred under this Ordinance or to pay the principal of or interest on the Bonds.

ARTICLE XI **DEFEASANCE**

Section 1101. Defeasance. When all of the Bonds have been paid and discharged, the provisions of this Ordinance will terminate. Bonds will be treated as paid and discharged within the meaning of this Ordinance if the City has deposited with the Paying Agent, or other bank or trust company located in the State, having full trust powers and meeting the requirements of a successor paying agent, (i) moneys and non-callable Defeasance Securities which, together with interest to be earned, as evidenced by the written report of an independent certified public accountant, will be sufficient for the payment of the principal and redemption premium, if any, of and interest to accrue on the Bonds to the date of maturity or redemption, and (ii) an opinion of Bond Counsel, addressed to the Paying Agent, that providing for the payment of the Bonds by depositing moneys or Defeasance Securities with the Paying Agent in accordance with this **Section 1101** will not cause the interest on the Bonds to be included in gross income for federal income tax purposes. If any Bonds will be redeemed prior to maturity, the City must have given irrevocable instructions to the Paying Agent to redeem the Bonds. Any moneys and obligations which at any time are deposited with the Paying Agent or other bank by or on behalf of the City, for the purpose of paying and discharging any of the Bonds, are assigned, transferred and set over in trust for the applicable Owners, and the moneys and obligations are irrevocably appropriated to the payment and discharge of the applicable Bonds.

ARTICLE XII **AMENDMENTS**

Section 1201. Amendments.

(a) The provisions of this **Article XII** are not applicable to (1) the Certificate of Final Terms or (2) the Continuing Disclosure Undertaking, which is subject to amendment and modification only as provided therein.

(b) Any provision of the Bonds or of this Ordinance may be amended by an ordinance, provided however, that the prior written consent of the Bondowners is required for any amendment which would:

- (1) extend the maturity of any payment of principal or interest on any Bond;
- (2) reduce the amount of principal or interest payable on any Bond; or
- (3) permit the priority of any Bond over any other Bond.

(c) No amendment will be effective until (i) the City has received an opinion of Bond Counsel stating that the amendment is permitted by this Ordinance and the Act, complies with their respective terms, is valid and binding upon the City in accordance with its terms and does not adversely affect the exclusion of interest on the Bonds from gross income for federal income tax purposes, and (ii) the City Clerk has on file a copy of the amendment and all required consents.
