- (8) Whether the applicant has complied with, during the past year, and will continue to comply with Section 10-5 of this chapter.

(d) *Documentation filed with application.* The following documents shall be filed with applications for renewals:

- (1) If the application is for renewal of a bar-restaurant license, the applicant shall furnish to the director, copies of all city convention and tourism tax returns, showing that 30 percent or more of the gross income of the bar-restaurant for the year preceding the date of the application was derived from the sale of prepared meals and food made for immediate consumption. When calculating the amount and percentage of annual gross sales from the sale of prepared meals and food, any nonalcoholic components mixed or served in any alcoholic beverage shall be considered to be part of the alcoholic beverage and shall not be considered to be prepared meals and food.
- (2) If a license has been issued to an applicant who represents at the time of the original application

that the licensee has control of parking facilities by ownership, lease or otherwise, and the license was issued relying in part upon that representation, then any renewal application shall include the same or similar representations and proof of control as the director shall require. Loss of parking facilities through no fault of the license holder shall not be cause for denial of renewal.

- (3) If the application is for renewal of a sales-by-drink license, a certification of completion of the National Restaurant Association's ServSafe Alcohol training program, or a certification of completion of a comparable program approved by the Director, by a current employee of the licensee who is responsible for managerial or supervisory duties at the licensed premises.

(e) *Disapproval of application to renew.* The director shall disapprove an application for renewal of any license or permit on the following grounds:

- (1) If any renewal application contains information which does not justify renewal;
- (2) If the director has other information that the applicant has not met the requirements of this chapter;
- (3) If the licensee or any employee of the licensee or a permit holder under this chapter is convicted within the current license year in the municipal court of the city or any other court in this state, of three or more violations of this chapter; or
- (4) If the director has any other information which does not justify renewal. An applicant whose application for renewal of a license or permit has been disapproved may file a written request for a hearing before the board in the manner provided in section 10-62(a) of this chapter. An applicant whose application for renewal of a license or permit has been disapproved may not sell or distribute alcoholic beverages on the premises during the renewal year unless and until:
 - a. The applicant thereafter files a written request for a hearing in the manner provided in section 10-62(a) of this chapter, in which case the disapproval shall be stayed until final adjudication of the matter, except that if one of the reasons for disapproval is the nonpayment of the required license fee set forth in section 10-127 of this chapter or nonpayment of any taxes set forth in section 10-186 of this chapter, then the disapproval shall not be stayed; or
 - b. The disapproval has been reversed or set aside by the director, the board or court order.

(f) *Considerations for renewal.* In determining whether a renewal application shall be disapproved, the director, or the board, upon appeal, shall consider the following factors:

- (1) Whether the licensee has failed to report a change in ownership in the business or change in management or control of the business that has occurred in the current license year;
- (2) Whether the licensed premises has changed the character of the surrounding neighborhood or interfered with or been detrimental to the rights or interests of the neighboring community;
- (3) Whether lewd and indecent conduct, including but not limited to public urination, exhibited by persons frequenting the licensed premises or by the licensee or their employees, servants or

agents, has occurred on the licensed premises or in the immediate vicinity thereof;

- (4) Whether crimes or city ordinance violations have been committed upon or in the immediate vicinity of the licensed premises by persons frequenting the premises or by the licensee or their employees, servants or agents;
- (5) The frequency of disturbances or other incidents upon or in the immediate vicinity of the licensed premises by persons frequenting the premises that have required police presence, response, investigation or other action;
- (6) Whether the licensee has allowed or permitted any type of entertainment on or about the licensed premises without application to and written approval by the director;
- (7) Whether the type of entertainment has interfered with or been detrimental to the rights or interests of the neighboring community, and, if any renewal application proposes to change the type of entertainment for the premises, whether the proposed entertainment would interfere with or be detrimental to the rights or interests of the neighboring community, considering those other factors delineated in section 10-212;
- (8) Whether the sale of illegal drugs or controlled substances or illegal gambling has occurred upon or in the immediate vicinity of the licensed premises by persons frequenting the premises or by the licensee or their employees, servants or agents;
- (9) Other factors which, due to the character of the surrounding neighborhood or of the licensed premises, would be relevant to the determination of whether renewal of a license or permit would interfere with or be detrimental to the rights or interests of the neighboring community;
- (10) Whether the licensee or permittee has received prior notice of violations of this chapter or of other factors which may not justify renewal;
- (11) Whether the licensee or permittee has timely complied with all requirements for and completed the process for renewal of the license; and
- (12) Whether the licensed premises has changed in size, either through expansion or reduction of square footage.

(g) Notwithstanding the provisions of sections 10-266 and 10-269 of this chapter, if a license is not renewed or ceases to fulfill all other requirements of this chapter and is thereafter terminated or canceled or expires, then an application for a new license for the previously licensed premises shall be required to fulfill all conditions of this chapter for an original license, including but not limited to the requirements in section 10-212.

(h) Notwithstanding any other provision of this chapter, the director may renew a bar-restaurant license for an establishment that did not derive 30 percent or more of its annual gross sales from the sale of prepared meals and food made and consumed on the premises, if the establishment held a bar-restaurant license in the year immediately prior and the applicant provides documentation that the licensed establishment was closed or had reduced sales in the year immediately prior because of an event or occurrence outside of the control of the applicant that resulted in a state of emergency lasting more than two weeks, as declared by the mayor or governor of Missouri.

(i) Notwithstanding any other provision of this chapter, the director may renew a bar-restaurant license for an establishment that did not derive 30 percent or more of its annual gross sales from the sale of prepared meals and food made for immediate consumption if the licensee is in compliance with all other provisions of this chapter and all of the following conditions have been met:

- (1) The establishment had a restaurant-bar license prior to December 1, 2021;
- (2) The establishment had annual gross sales of at least \$200,000.00 from the sale of prepared meals and food made for immediate consumption. When calculating the amount and percentage of annual gross sales from the sale of prepared meals and food, any nonalcoholic components mixed or served in any alcoholic beverage shall be considered to be part of the alcoholic beverage and shall not be considered to be prepared meals and food;
- (3) The establishment has been in continuous operation since December 1, 2021.

Sec. 10-331. General requirements for all licensees.

(a) *Responsibility of licensee.* Licensees at all times are responsible for the conduct of their business and at all times are directly responsible for any act or conduct of any employee on the premises which is in violation of the provisions of this chapter or the regulations of the director.

All records required to be kept by law or by regulation of the director shall be kept and preserved for a period of two years from the date the record was made. A licensee shall establish and maintain a uniform system of bookkeeping and accounts, according to generally accepted accounting practices.

(h) *Distribution of earnings or assets.* Any licensee, upon request of the director, shall file within 30 days, an affidavit showing the payment, or other distribution of all earnings or assets and the name and address of all persons to whom distribution or payment was made.
