Section 2. That the Council affirms its previous declaration that the area of approximately 0.45 acres generally bordered by private property to the north, Walnut Street to the west, E. 9th Street to the south, and Grand Avenue to the east, and more specifically described by metes and bounds on Exhibit A attached hereto and incorporated herein by reference, is a blighted area as defined in Section 100.310, RSMo, and, more specifically, there is a predominance of defective and inadequate street layout, insanitary and unsafe conditions, deterioration of site improvements, and the existence of conditions which endanger life and property by fire and other causes in such planning area and as a result of the predominance of those conditions the planning area in its present condition and use constitutes an economic and social liability and a serious menace to the public health, safety, morals, and welfare.
