Section 5. That the Seventh Amendment does not alter the previous findings of the City Council as follows:

- a. The Redevelopment Area as a whole is an economic development area, as defined in Section 99.805 of the Act, has not been subject to growth and development through investment by private enterprise, and would not reasonably be anticipated to be developed without the adoption of the Redevelopment Plan. The lack of sufficient street improvements, interchanges, and other infrastructure has inhibited the development of the Redevelopment Area.
- b. The Plan, as amended by the Seventh Amendment, conforms to the comprehensive plan for the development of the City as a whole.
- c. The areas selected for Redevelopment Projects include only those parcels of real property and improvements thereon which will be directly and substantially benefited by the Redevelopment Project Improvements.
- d. The estimated dates of completion of the Redevelopment Projects and retirement of obligations incurred to finance Redevelopment Project Costs have been stated in the Plan, as amended by the Seventh Amendment, and are not more than 23 years from the passage of any ordinance approving a Redevelopment Project within the Redevelopment Area.

- e. The Plan, as amended by the Seventh Amendment, includes a plan for relocation assistance for businesses and residences.
- f. A cost-benefit analysis showing the impact of the Plan, as amended by the Seventh Amendment, on each taxing district which is at least partially within the boundaries of the Redevelopment Area has been prepared in accordance with the Act.
- g. The Plan, as amended by the Seventh Amendment, does not include the initial development or redevelopment of any gambling establishment.
- h. A study has been completed and the findings of such study satisfy the requirements provided under Section 99.810, RSMo.

Section 6. That the Commission is authorized to issue obligations in one or more series of bonds secured by the Arlington Road Tax Financing Plan Account of the Special Allocation Fund to finance Redevelopment Project Costs identified by the Plan, as amended by the Seventh Amendment, and, subject to any constitutional limitations, to acquire by purchase, donation, lease or eminent domain, own, convey, lease, mortgage, or dispose of land or other property, real or personal, or rights or interests therein, and grant or acquire licenses, easements and options with respect thereto, all in the manner and at such price the Commission determines, to enter into such contracts and take all such further actions as are reasonably necessary to achieve the objectives of the Plan, as amended by the Seventh Amendment. Any obligations issued to finance Redevelopment Project Costs shall contain a recital that they are issued pursuant to Sections 99.800 to 99.865 of the Act, which recital shall be conclusive evidence of their validity and of the regularity of their issuance.

Section 7. That the City Council approves the pledge of all funds that are deposited into the Arlington Road Tax Increment Financing Plan Account of the Special Allocation Fund to the payment of Redevelopment Project Costs identified by the Plan, as amended by the Seventh Amendment, and authorizes the Commission to pledge such funds on its behalf.
