RESOLUTION - Declaring the week of February 26 through March 3, 2024, as National Eating Disorder Awareness Week throughout the City of Kansas City, Missouri.

WHEREAS, this year’s theme for National Eating Disorder Awareness Week is, “Get in the Know,” so that through knowledge and education we can learn more about eating disorders, get involved in raising awareness and share information and resources; and

WHEREAS, eating disorders are serious and complex but treatable medical and mental illnesses that affect 28.8 million Americans at some point in their lives no matter their gender, age, race, ethnicity, sexual orientation, body shape or weight; and

WHEREAS, eating disorders have the 2nd highest mortality rate of any mental illness; and

WHEREAS, Black, Indigenous and People of Color are 50% less likely to be diagnosed and receive treatment and are significantly less likely to be asked by a doctor about eating disorder symptoms.
