(f) *Considerations for renewal.* In determining whether a renewal application shall be disapproved, the director, or the board, upon appeal, shall consider the following factors:

- (7) Whether the type of entertainment has interfered with or been detrimental to the rights or interests of the neighboring community, and, if any renewal application proposes to change the type of entertainment for the premises, whether the proposed entertainment would interfere with or be detrimental to the rights or interests of the neighboring community, considering those other factors delineated in section 10-212;
- (8) Whether the sale of illegal drugs or controlled substances or illegal gambling has occurred upon or in the immediate vicinity of the licensed premises by persons frequenting the premises or by the licensee or their employees, servants or agents;
- (9) Other factors which, due to the character of the surrounding neighborhood or of the licensed premises, would be relevant to the determination of whether renewal of a license or permit would interfere with or be detrimental to the rights or interests of the neighboring community;

(h) Notwithstanding any other provision of this chapter, the director may renew a bar-restaurant license for an establishment that did not derive 30% or more of its annual gross sales from the sale of prepared meals and food made and consumed on the premises, if the establishment held a bar-restaurant license in the year immediately prior and the applicant provides documentation that the licensed establishment was closed or had reduced sales in the year immediately prior because of an event or occurrence outside of the control of the applicant that resulted in a state of emergency lasting more than two weeks, as declared by the mayor or governor of Missouri.
