the proceeds of such revenue bonds with any person, firm or corporation; and

WHEREAS, the City has heretofore prepared and approved plans for the industrial development of the City and desires to approve an Industrial Development Plan (the "Plan") for the purpose of carrying out a development project (the "Project") for the Company; and

WHEREAS, the City intends to issue its Taxable Industrial Revenue Bonds (McKesson Medical-Surgical Inc. Project), or such other identifier deemed appropriate, in one or more series (the "Bonds"), to fund the acquisition and installation of certain machinery, equipment and personal property associated with the Project to be located at a site to be located in the City with a preliminary address of 9000 N.E. 48th Street, Suite 100-400 (the "Project Site"), which address may change in connection with various subdivision approvals, permitting and final design plans; and

WHEREAS, notice of the Project was given to the taxing jurisdictions in accordance with Section 100.059.1 of the Revised Statutes of Missouri; and

WHEREAS, the City Council has heretofore and does hereby find and determine that it is desirable for the economic development of the City and within the public purposes of the Act that the City Council approve a Chapter 100 Industrial Development Plan as proposed by the Company; and that the City issue the Bonds, as more fully described in the Indenture and in the Lease, as hereinafter defined and authorized, proceeds of which shall be used for the purchase, construction and equipping of the Equipment, which shall be located at the Project Site and leased by the City to the Company, with an option to purchase; and

WHEREAS, the principal amount of the Bonds will be issued in one or more series of taxable Chapter 100 bonds which will result in 10 years of personal property tax abatement at 50%, which Bonds will be repaid solely by the Company under the terms of the Lease and which shall mature not more than 10 years from the date of issuance thereof; and

WHEREAS, for a Chapter 100 bond issuance, the City Council has previously established a policy (Resolution No. 041033) for the review and approval of these projects, one component of which suggests a maximum bond term of ten (10) years and another of which suggests payments-in-lieu-of-taxes (PILOTS) at a level of no less than 50% of the amount that would have been paid to the affected taxing jurisdictions on the property if it had been fully taxed during the term of the bonds; and

WHEREAS, the Company has agreed to maintain certain levels of retained and/or created jobs in conjunction with the Project as required by City Council policy (which agreement will be memorialized in the Lease); and

WHEREAS, the City finds and determines that it is necessary and desirable in connection with the development of the Project and the purchase of the Equipment to establish a 50% abatement of *ad valorem* personal property taxes for each component of the Equipment for the Project for a period of ten (10) years, with annual PILOTS equal to 50% of the personal property taxes to the affected jurisdictions that would have been payable had the Equipment been fully taxed, all as described in the Plan; and
