is hereby approved, subject to the following conditions:

1. All signage shall conform to 88-445 and shall require a sign permit prior to installation.
2. The proposed development is located in an area where the Kansas City International Airport height zoning restrictions apply. No structure in this area shall be constructed which exceeds these restrictions.
3. The developer shall submit an affidavit, completed by a landscape architect licensed in the State of Missouri, verifying that all landscaping required of the approved plan has been installed in accordance with the plan and is healthy prior to a certificate of occupancy.
4. The developer shall screen all roof and/or ground mounted mechanical and utility equipment in compliance with 88-425-08.
5. The developer shall submit a storm drainage analysis from a Missouri-licensed civil engineer to the Land Development Division, in accordance with adopted standards, including a BMP level of service analysis prior to approval and issuance of any building permits, and the developer shall secure permits to construct any improvements as required by the Land Development Division prior to issuance of any certificate of occupancy.
6. The developer shall submit plans for grading, siltation, and erosion control to the Land Development Division for review and acceptance, provide a copy of the Storm Water Pollution Prevention (SWPP) plan submitted to the Missouri Department of Natural Resources (MDNR) and secure a site disturbance permit for any proposed disturbance area equal to one acre or more prior to beginning any construction activities.
7. The developer shall meet the fire flow requirements as set forth in Appendix B of the project International Fire Code 2018. (IFC-2018 § 507.1)
8. The developer shall ensure that water and fire service lines should meet current Water Services Department rules and regulations prior to a certificate of occupancy.

A copy of said development plan is on file in the office of the City Clerk with this ordinance and is made a part hereof.

Section B. That the Council finds and declares that before taking any action on the proposed amendment and development plan hereinabove, all public notices and hearings required by the Zoning and Development Code have been given and had.

---

I hereby certify that as required by Chapter 88, Code of Ordinances, the foregoing ordinance was duly advertised and public hearings were held.
