Section 3. That tax increment allocation financing is hereby adopted for taxable real property in the above-described area selected for Project Area 6. After the total equalized assessed valuation of the taxable real property in Project Area 6 exceeds the certified total initial equalized assessed valuation of the taxable real property in Project Area 6, the ad valorem taxes, and payment in lieu of taxes, if any, arising from the levies upon the taxable real property in such project by taxing districts and tax rates determined in the manner provided in subsection 2 of Section 99.855 each year after the effective date of the ordinance until redevelopment costs have been paid shall be divided as follows:

1. That portion of taxes levied upon each taxable lot, block, tract, or parcel of real property which is attributable to the initial equalized assessed value of each such taxable lot, block, tract or parcel of real property in the area selected for the Project Area 6 shall be allocated to and, when collected, shall be paid by the Jackson County Collector to the respective affected taxing districts in the manner required by law in the absence of the adoption of tax increment allocation financing;
2. Subject to Section 99.845.1(3) and (15), payments in lieu of taxes attributable to the increase in the current equalized assessed valuation of each taxable lot, block, tract, or parcel of real property in the area selected for Project Area 6 over and above the initial equalized assessed value of each such unit of property in the area selected for Project Area 6 shall be allocated to and, when collected, shall be paid to the City Treasurer who shall deposit such payment in lieu of taxes into a special fund called the "Special Allocation Fund" of the City for the purpose of paying Redevelopment Project Costs and obligations incurred in the payment thereof. Any payments in lieu of taxes which are not paid within sixty (60) days of the due date shall be deemed delinquent and shall be assessed a penalty of one percent (1%) per month. If the voters in a taxing district vote to approve an increase in such taxing district's levy rate for ad valorem tax on real property, any additional revenues generated within an existing redevelopment project area that are directly attributable to the newly voter-approved incremental increase in such taxing district's levy rate shall not be considered payments in lieu of taxes subject to deposit into a special allocation fund without the consent of such taxing district. Revenues will be considered directly attributable to the newly voter-approved incremental increase to the extent that they are generated from the difference between the taxing district's actual levy rate currently imposed and

the maximum voter-approved levy rate at the time that the redevelopment project was adopted.

Section 4. That in addition to the payments in lieu of taxes described in subsection 2 of Section 3 above, fifty percent (50%) of the total additional revenue from taxes which are imposed by the City or taxing districts, and which are generated by economic activities within the area selected for Project Area 6 over the amount of such taxes generated by economic activities within such area in the calendar year prior to the adoption of this ordinance, while tax increment financing remains in effect, but excluding certain taxes, fees and special assessments specifically identified by the Act, other than payments in lieu of taxes, shall be allocated to, and paid by the collecting officer to the City Treasurer or other designated financial officer of the City, who shall deposit such funds, which are necessary to the payment of Redevelopment Project Costs identified by the Redevelopment Plan, in a separate segregated account within the Special Allocation Fund for the purpose of paying Redevelopment Project Costs and obligations incurred in the payment thereof. If the voters in a taxing district vote to approve an increase in such taxing district's sales tax or use tax, other than the renewal of an expiring sales or use tax, any additional revenues generated within an existing redevelopment project area that are directly attributable to the newly voter-approved incremental increase in such taxing district's levy rate shall not be considered economic activity taxes subject to deposit into a special allocation fund without the consent of such taxing district.
