WHEREAS, pursuant to the terms of the Management Agreement, City and Manager have agreed to a process for the approval of ACRI, and Manager has provided to City a list setting forth the Arena Capital Repairs and Improvements for completion by Manager in calendar years 2021 and 2022 (See Exhibit A to the attached MOU); and

WHEREAS, the MOU authorizes the Manager, at its option, to advance funds to fund the 2021 and 2022 proposed capital projects, if City has not made available its share of the required funding; and

WHEREAS, pursuant to Section 6.2(d) of the Management Agreement, the MOU provides that if the Manager advances funds to pay for any of the 2021 and 2022 proposed capital projects, and the City fails to provide funds necessary to fund its share of the 2021 and 2022 proposed capital projects, then Manager can recover the funds it advanced offset against funds due to City under the Management Agreement until an amount equal to all amounts advanced together with interest has been paid; NOW, THEREFORE,
