### ORDINANCE NO. 211037

Approving the issuance by the City of Kansas City Missouri of its special obligation bonds (the "Series 2021E Bonds"), to finance and refinance certain obligations of the City on a taxable basis with an estimated cost of \$50,500,000.00, such Series 2021E Bonds to be issued in an aggregate principal amount not to exceed \$51,000,000.00; approving and authorizing certain documents and actions relating to the issuance of the Series 2021E Bonds; estimating and appropriating revenue in Fund No. 3340, the Taxable Special Obligation Refunding Bond Fund Series 2021E; designating requisitioning authority; and authorizing the Director of Finance to modify and close project accounts.

WHEREAS, the City of Kansas City, Missouri (the "City") is authorized under its charter to issue its bonds or other obligations in evidence thereof; and

WHEREAS, the City and KC Hotel Property Owner, LLC, a Delaware limited liability company ("Hotel Property Owner") (as successor by assignment from KC Hotel Developers, LLC) are parties to that certain Second Amended and Restated Master Financing Agreement dated as of January 18, 2018 (as may be amended, modified, supplemented, replaced or restated from time to time, including by the hereinafter-defined First Amendment to Master Financing Agreement, the "Master Financing Agreement"), for the purpose of setting forth a master plan of finance for the

WHEREAS, Hotel Property Owner financed a portion of the Project through a term loan with NBH Bank, a Colorado state-chartered bank ("NBH") (the "Loan") that is secured by an assignment of the Contract Payments (as defined in the Master Financing Agreement), which Loan was made pursuant to that certain Loan Agreement dated as of January 18, 2018 (the "Loan Agreement"), by and between NBH and Hotel Property Owner; and

WHEREAS, the City, Hotel Property Owner, and NBH entered into that certain Absolute Assignment of Contract Payments dated as of January 18, 2018 (as may be amended, modified, supplemented, replaced or restated from time to time, the "Assignment"), for the purpose of absolutely and irrevocably assigning the Contract Payments to NBH to secure the Loan and thus requiring the City to make the Contract Payments directly to NBH; and

WHEREAS, pursuant to the Assignment, the City has made all scheduled payments on the Loan, and the Loan is outstanding in the amount of \$35,013,495; and

WHEREAS, the City, Hotel Property Owner and NBH wish to refinance, retire and pay the Loan in full, including payment of the outstanding principal amount of the Loan and interest thereon and payment of the Prepayment Premium (as defined the Loan Agreement), through the issuance of special obligation bonds of the City to be purchased by NBH, which refinancing will, among other things, effect a termination of the Loan Agreement and the Assignment, and result in the replacement of annual appropriation Contract Payments made by the City with annual appropriation debt service payments made by the City on such special obligation bonds; and

WHEREAS, the City and Hotel Property Owner (as successor by assignment from KC Hotel Developers, LLC) are parties to that certain Second Amended and Restated Exclusive Catering Agreement dated as of January 18, 2018 (as may be amended, modified, supplemented, replaced or restated from time to time, including by the hereinafter-defined Third Amended and Restated Exclusive Catering Agreement, the "Exclusive Catering Agreement"), pursuant to which the City has engaged Hotel Property Owner to provide exclusive Catering Services at the Convention Meeting Space (as such terms are defined in the Exclusive Catering Agreement); and

BE IT ORDAINED BY THE COUNCIL OF KANSAS CITY:

**Section 1. Authorization of Bonds; Authorization and Execution of Bond Purchase Agreement and Certificates of Final Terms.** The City hereby authorizes the issuance of its Series 2021E Bonds in the aggregate principal amount not to exceed \$51,000,000.00 for the purpose of providing funds for the following: (a) to refinance, retire and pay the Loan in full, (b) to finance the Fixed Fee Payment and (c) to pay certain costs related to the issuance of the Series 2021E Bonds. The Series 2021E Bonds shall be dated the date set forth in the Bond Issuance Agreement and form of Bond. The Series 2021E Bonds shall bear interest at rates initially not to exceed a true interest cost of 5.00%. The Series 2021E Bonds

shall have such other terms and provisions as shall be provided in the Bond Issuance Agreement approved by the Director of Finance.

The Director of Finance is hereby authorized and directed to approve the purchaser of the Series 2021E Bonds, the purchase price for the Series 2021E Bonds, the principal amounts by maturity, the interest rates, the terms of credit enhancement, if any, and the other final terms of the Series 2021E Bonds, including applicable redemption provisions, subject to the limitations set forth in this Section, and in that connection, to execute and deliver, for the Series 2021E Bonds, the Certificate of Final Terms for and on behalf of and as the act and deed of the City, which approval will be conclusively evidenced by the Director of Finance's execution of the Certificate of Final Terms. Upon execution, the Certificate of Final Terms for the Series 2021E Bonds will be attached to this Ordinance as **Exhibit A** and the City Clerk is hereby authorized to file such Certificate of Final Terms with this Ordinance. The City is authorized to enter into the Bond Issuance Agreement for the Series 2021E Bonds in accordance with the Certificate of Final Terms. The Director of Finance is authorized to execute the Bond Issuance Agreement for and on behalf of and as the act and deed of the City.

**Section 2. Limited Obligations.** The Series 2021E Bonds and the interest thereon shall be special, limited obligations of the City payable solely out of Appropriated Moneys (as defined in the Bond Issuance Agreement) and moneys in the funds and accounts established under such Bond Issuance Agreement. The Series 2021E Bonds and interest thereon shall not be deemed to constitute a debt or liability of the City within the meaning of any constitutional, statutory or charter limitation or provision, and shall not constitute a pledge of the full faith and credit of the City, but shall be payable solely from the funds provided for in the Bond Issuance Agreement. The issuance of the Series 2021E Bonds shall not, directly, indirectly or contingently, obligate the City to levy any form of taxation therefor or to make any appropriation for their payment.

The Bond Issuance Agreement provides that the City Manager or other officer of the City at any time charged with the responsibility of formulating budget proposals is required to include in the budget proposals submitted to the City Council, in each Fiscal Year in which the Series 2021E Bonds are Outstanding, an appropriation for all payments of principal of and interest on the Series 2021E Bonds and any other amounts reasonably expected to become due during the ensuing Fiscal Year (and any payments due in a prior Fiscal Year which remain due and payable thereunder); it being the intention of the City that the decision to appropriate or not to appropriate under such Agreement shall be made solely by the City Council and not by any other official of the City. The Bond Issuance Agreement further provides that (i) the City intends, subject to the provisions set forth therein respecting the failure of the City to budget or appropriate funds to make payments on the Series 2021E Bonds, to pay the debt service on the Series 2021E Bonds and to pay any other amounts reasonably expected to become due thereunder, (ii) the City reasonably believes that legally available funds in an amount sufficient to make all payments of principal of and interest on the Series 2021E Bonds and any other amounts reasonably expected to become due thereunder during each Fiscal Year can be obtained, and that (iii) the City further intends to do all things lawfully within its power to obtain and maintain funds from which payments of principal of and interest on the Series 2021E Bonds and any other amounts reasonably expected to become due thereunder may be made, including making provision for such debt service.

**Section 3. Authorization and Approval of Financing Documents.** The proposed documents relating to the financing (the "Financing Documents") are hereby approved in substantially the forms submitted to the City Council, and the Director of Finance is authorized to execute and deliver the Financing Documents with such changes therein and additions thereto as the Director of Finance deems necessary or appropriate.

The purchase of such Credit Enhancement and the entering into of such agreements with respect thereto as may be necessary or appropriate are hereby approved. Such credit enhancement may be such type, in such amount and provided by such entity or entities as the Director of Finance shall determine to be in the best interest of the City.
