The Bonds constitute general obligations of the City payable as to both principal and interest from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable tangible property, real and personal, within the territorial limits of the City. The full faith, credit and resources of the City are irrevocably pledged for the prompt payment of the principal of and interest on the Bonds as the same become due.

This Bond may be transferred or exchanged, as provided in the Ordinance, only on the Bond Register kept for that purpose at the principal payment office of the Paying Agent, upon surrender of this Bond together with a written instrument of transfer or authorization for exchange satisfactory to the Paying Agent duly executed by the Registered Owner or the Registered Owner's duly authorized agent, and thereupon a new Bond or Bonds in any authorized denomination having the same Maturity Date and in the same aggregate principal amount shall be issued to the transferee in exchange therefor as provided in the Ordinance and upon payment of the charges therein prescribed. The City and the Paying Agent may deem and treat the person in whose name this Bond is registered on the Bond Register as the absolute owner hereof for the purpose of receiving payment of, or on account of, the principal or Redemption Price hereof and interest due hereon and for all other purposes.

This Bond shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Ordinance until the Certificate of Authentication hereon has been executed by the Paying Agent.

IT IS HEREBY CERTIFIED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of the Bonds have existed, happened and been performed in due time, form and manner as required by law; that a direct annual tax upon all taxable tangible property situated in the City has been levied for the purpose of paying the principal of and interest on the Bonds when due; and that the total indebtedness of the City, including this Bond and the series of which it is one, does not exceed any constitutional or statutory limitation.

IN WITNESS WHEREOF, THE CITY OF KANSAS CITY, MISSOURI, has caused this Bond to be executed by the manual or facsimile signature of its Mayor and attested by the manual or facsimile signature of its City Clerk and its official seal to be affixed or imprinted hereon.

Section 203. Designation of Paying Agent. The City shall designate from time to time by a certificate of the Director of Finance a paying agent for the payment of principal of and interest on the Bonds and as bond registrar with respect to the registration, transfer and exchange of Bonds. The City has designated BOKF, N.A., Kansas City, Missouri, as the paying agent and bond registrar for the Bonds (the **"Paying Agent"**).

The City will at all times maintain a Paying Agent meeting the qualifications herein described for the performance of the duties hereunder. The City reserves the right to appoint a successor Paying Agent for any Paying Agent hereafter appointed by the Director of Finance by (1) filing with the Paying Agent then performing such function a certified copy of the proceedings giving notice of the termination of such Paying Agent and appointing a successor, and (2) causing notice of the appointment of the successor Paying Agent to be given by first class mail to each Bondowner. No resignation or removal of the Paying Agent shall become effective until a successor has been appointed and has accepted the duties of Paying Agent.

Every Paying Agent appointed hereunder shall at all times be (1) a commercial banking association or corporation or trust company located in the State of Missouri organized and in good standing and doing business under the laws of the United States of America or of the State of Missouri and subject to supervision or examination by federal or state regulatory authority and (2) shall have a reported capital (exclusive of borrowed capital) plus surplus of not less than \$100,000,000 or, consideration may be given by the City to a bank not meeting this amount if the bank submits an acceptable form of guarantee for its financial obligations to the City. If such institution publishes reports of conditions at least annually pursuant to law or regulation, then for the purposes of this Section the capital and surplus of such institution shall be deemed to be its capital and surplus as set forth in its most recent report of condition so published.

The Paying Agent shall be paid fees and expenses for its services in connection therewith.

Section 204. Method and Place of Payment of Bonds. The principal of or Redemption Price and interest on the Bonds shall be payable in any coin or currency of the United States of America that, on the respective dates of payment thereof, is legal tender for the payment of public and private debts.

The principal of or Redemption Price of each Bond shall be paid at Maturity by check or draft to the Person in whose name such Bond is registered on the Bond Register at the Maturity thereof, upon presentation and surrender of such Bond at the principal payment office of the Paying Agent.

The interest payable on each Bond on any Interest Payment Date shall be paid to the Registered Owner of such Bond as shown on the Bond Register at the close of business on the Record Date for such interest by check or draft mailed by the Paying Agent to the address of such Registered Owner shown on the Bond Register or, in the case of an interest payment to any Registered Owner of \$500,000 or more in aggregate principal amount of Bonds, by electronic transfer to such Registered Owner upon written notice given to the Paying Agent by such Registered Owner signed by such Registered Owner not less than 15 days prior to the Record Date for such interest, containing the electronic transfer instructions including the bank (which shall be in the continental United States), ABA routing number and account number to which such Registered Owner wishes to have such transfer directed.

Notwithstanding the foregoing provisions of this Section, any Defaulted Interest with respect to any Bond shall cease to be payable to the Registered Owner of such Bond on the relevant Record Date and shall be payable to the Registered Owner in whose name such Bond is registered at the close of business on the Special Record Date for the payment of such Defaulted Interest, which Special Record Date shall be fixed as hereinafter specified in this paragraph. The City shall notify the Paying Agent in writing of the amount of Defaulted Interest proposed to be paid on each Bond and the date of the proposed payment (which date shall be at least 30 days after receipt of such notice by the Paying Agent) and shall deposit with the Paying Agent at the time of such notice an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Paying Agent for such deposit prior to the date of the proposed payment. Following receipt of such funds the Paying Agent shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than 15 nor less than 10 days prior to the date of the proposed payment. The Paying Agent shall promptly notify the City of such Special Record Date and, in the name and at the expense of the City, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, by first class mail, postage prepaid, to each Registered Owner of a Bond entitled to such notice at the address of such Registered Owner as it appears on the Bond Register not less than 10 days prior to such Special Record Date.

The Paying Agent shall keep a record of payment of principal and Redemption Price of and interest on all Bonds and at least annually upon request shall forward a copy or summary of such records to the City.

Section 205. Registration, Transfer and Exchange of Bonds. The City covenants that, as long as any of the Bonds remain Outstanding, it will cause the Bond Register to be kept at the office of the Paying Agent as herein provided. Each Bond when issued shall be registered in the name of the owner thereof on the Bond Register.

Bonds may be transferred and exchanged only on the Bond Register as provided in this Section. Upon surrender of any Bond at the principal payment office of the Paying Agent, the Paying Agent shall transfer or exchange such Bond for a new Bond or Bonds in any authorized denomination of the same Stated Maturity and in the same aggregate principal amount as the Bond that was presented for transfer or exchange. Bonds presented for transfer or exchange shall be accompanied by a written instrument or instruments of transfer or authorization for exchange, in a form and with guarantee of signature satisfactory to the Paying Agent, duly executed by the Registered Owner thereof or by the Registered Owner's duly authorized agent.

In all cases in which the privilege of transferring or exchanging Bonds is exercised, the Paying Agent shall authenticate and deliver Bonds in accordance with the provisions of this Ordinance. The City shall pay the fees and expenses of the Paying Agent for the registration, transfer and exchange of Bonds provided for by this Ordinance and the cost of printing a reasonable supply of registered bond blanks. Any additional costs or fees that might be incurred in the secondary market, other than fees of the Paying Agent, are the responsibility of the Registered Owners of the Bonds. In the event any Registered Owner fails to provide a correct taxpayer identification number to the Paying Agent, the Paying Agent may make a charge against such Registered Owner sufficient to pay any governmental charge required to be paid as a result of such failure. In compliance with Section 3406 of the Code, such amount may be deducted by the Paying Agent from amounts otherwise payable to such Registered Owner hereunder or under the Bonds.

The City and the Paying Agent shall not be required (a) to register the transfer or exchange of any Bond after notice calling such bond or portion thereof for redemption has been mailed by the Paying Agent pursuant to **Section 303** and during the period of 15 days next preceding the date of mailing of such notice of redemption; or (b) to register the transfer or exchange of any Bond during a period beginning at the opening of business on the day after receiving written notice from the City of its intent to pay Defaulted Interest and ending at the close of business on the date fixed for the payment of Defaulted Interest pursuant to **Section 204**.

The City and the Paying Agent may deem and treat the Person in whose name any Bond is registered on the Bond Register as the absolute owner of such Bond, whether such Bond is overdue or not, for the purpose of receiving payment of, or on account of, the

principal or Redemption Price of and interest on said Bond and for all other purposes. All payments so made to any such Registered Owner or upon the Registered Owner's order shall be valid and effective to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the City nor the Paying Agent shall be affected by any notice to the contrary.

At reasonable times and under reasonable regulations established by the Paying Agent, the Bond Register may be inspected and copied by the Registered Owners of 10% or more in principal amount of the Bonds then Outstanding or any designated representative of such Registered Owners whose authority is evidenced to the satisfaction of the Paying Agent.

Section 206. Execution, Registration, Authentication and Delivery of Bonds. Each of the Bonds, including any Bonds issued in exchange or as substitutions for the Bonds initially delivered, shall be signed by the manual or facsimile signature of the Mayor and attested by the manual or facsimile signature of the City Clerk and shall have the official seal of the City affixed thereto or imprinted thereon. In case any officer whose signature appears on any Bond ceases to be such officer before the delivery of such Bond, such signature shall nevertheless be valid and sufficient for all purposes, as if such person had remained in office until delivery. Any Bond may be signed by such persons who at the actual time of the execution of such Bond are the proper officers to sign such Bond although at the date of such Bond such persons may not have been such officers.

The Mayor and the City Clerk are hereby authorized and directed to prepare and execute the Bonds in the manner herein specified and, when duly executed, to deliver the Bonds to the Paying Agent for authentication.

The Bonds shall have endorsed thereon a certificate of authentication substantially in the form set forth in the form of the Bond, which shall be manually executed by an authorized officer or employee of the Paying Agent, but it shall not be necessary that the same officer or employee sign the certificate of authentication on all of the Bonds that may be issued hereunder at any one time. No Bond shall be entitled to any security or benefit under this Ordinance or be valid or obligatory for any purpose unless and until such certificate of authentication has been duly executed by the Paying Agent. Such executed certificate of authentication upon any Bond shall be conclusive evidence that such Bond has been duly authenticated and delivered under this Ordinance. Upon authentication, the Paying Agent shall deliver the Bonds to the Purchaser upon payment of the purchase price for the Bonds to the City.

Section 207. Mutilated, Destroyed, Lost and Stolen Bonds. If (a) any mutilated Bond is surrendered to the Paying Agent or the Paying Agent receives evidence to its satisfaction of the destruction, loss or theft of any Bond, and (b) there is delivered to the City and the Paying Agent such security or indemnity as may be required by the Paying Agent, then, in the absence of notice to the City or the Paying Agent that such Bond has been acquired by a bona fide purchaser, the City shall execute and, upon the City's request, the Paying Agent shall authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Bond, a new Bond of the same Stated Maturity and of like tenor and principal amount.

If any such mutilated, destroyed, lost or stolen Bond has become or is about to become due and payable, the City, in its discretion, may pay such Bond instead of issuing a new Bond.

Upon the issuance of any new Bond under this Section, the City and the Paying Agent may require the payment by the Registered Owner of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Paying Agent) connected therewith.

Every new Bond issued pursuant to this Section shall constitute a replacement of the prior obligation of the City, and shall be entitled to all the benefits of this Ordinance equally and ratably with all other Outstanding Bonds.

Section 208. Cancellation and Destruction of Bonds Upon Payment. All Bonds that have been paid or redeemed or that otherwise have been surrendered to the Paying Agent, either at or before Maturity, shall be cancelled by the Paying Agent immediately upon the payment, redemption and surrender thereof to the Paying Agent and subsequently destroyed in accordance with the customary practices of the Paying Agent and applicable retention laws.

Section 209. Preliminary and Final Official Statement. The use and public distribution of the Preliminary Official Statement dated the date thereof in connection with the sale of the Bonds is hereby ratified and approved, and the final Official Statement is hereby authorized and approved by supplementing, amending and completing the Preliminary Official Statement, with such changes and additions thereto as are necessary to conform to and describe the transaction. The Director of Finance is hereby authorized to execute the final Official Statement as so supplemented, amended and completed, and the use and public distribution of the final Official Statement by the Purchaser in connection with the reoffering of the Bonds is hereby authorized. The proper officials of the City are hereby authorized to execute and deliver a certificate pertaining to such Official Statement as prescribed therein, dated as of the date of payment for and delivery of the Bonds.

For the purpose of enabling the Purchaser to comply with the requirements of Rule 15c2-12(b)(1) of the Securities and Exchange Commission, the City hereby deems the information regarding the City contained in the Preliminary Official Statement to be “final” as of its date, except for the omission of such information as is permitted by Rule 15c2-12(b)(1), and the appropriate officers of the City are hereby authorized, if requested, to provide the Purchaser a letter or certification to such effect and to take such other actions or execute such other documents as such officers in their reasonable judgment deem necessary to enable the Purchaser to comply with the requirement of such Rule.

The City agrees to provide to the Purchaser within seven business days of the date of the sale of Bonds sufficient copies of the final Official Statement to enable the Purchaser to comply with the requirements of Rule 15c2-12(b)(4) of the Securities and Exchange Commission and with the requirements of Rule G-32 of the Municipal Securities Rulemaking Board.

Section 210. Book-Entry Bonds; Securities Depository.

(a) The Bonds shall initially be registered to Cede & Co., the nominee for the Securities Depository, and no beneficial owner will receive certificates representing their respective interests in the Bonds, except in the event the Paying Agent issues Replacement Bonds as provided in subsection (b) hereof. It is anticipated that during the term of the Bonds, the Securities Depository will make book-entry transfers among its Participants and receive and transmit payment of principal of, premium, if any, and interest on, the Bonds to the Participants until and unless the Paying Agent authenticates and delivers Replacement Bonds to the beneficial owners as described in subsection (b).

(b) (1) If the City determines (A) that the Securities Depository is unable to properly discharge its responsibilities, or (B) that the Securities Depository is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, or (2) if the Paying Agent receives written notice from Participants having interests in not less than 50% of the Bonds Outstanding, as shown on the records of the Securities Depository (and certified to such effect by the Securities Depository), that the continuation of a book-entry system to the exclusion of any Bonds being issued to any Owner other than Cede & Co. is no longer in the best interests of the beneficial owners of the Bonds, then the Paying Agent shall notify the Owners of such determination or such notice and of the availability of certificates to Owners requesting the same, and the Paying Agent shall register in the name of and authenticate and deliver Replacement Bonds to the beneficial owners or their nominees in principal amounts representing the interest of each, making such adjustments as it may find necessary or appropriate as to accrued interest and previous calls for redemption; provided, that in the case of a determination under (1)(A) or (1)(B) of this subsection (b), the City, with the consent of the Paying Agent, may select a successor securities depository in accordance with **Section 210(c)** hereof to effect book-entry transfers. In such event, all references to the Securities Depository herein shall relate to the period of time when the Securities Depository has possession of at least one Bond. Upon the issuance of Replacement Bonds, all references herein to obligations imposed upon or to be performed by the Securities Depository shall be deemed to be imposed upon and performed by the Paying Agent, to the extent applicable with respect to such Replacement Bonds. If the Securities Depository resigns and the City, the Paying Agent or Owners are unable to locate a qualified successor of the Securities Depository in accordance with **Section 210(c)** hereof, then the Paying Agent shall authenticate and cause delivery of Replacement Bonds to Owners, as provided herein. The Paying Agent may rely on information from the Securities Depository and its Participants as to the names of the beneficial owners of the Bonds. The cost of printing, registration, authentication and delivery of Replacement Bonds shall be paid for by the City.

(c) In the event the Securities Depository resigns, is unable to properly discharge its responsibilities, or is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, the City may appoint a successor Securities Depository provided the Paying Agent and the City receive written evidence with respect to the ability of the successor Securities Depository to discharge its responsibilities. Any such successor Securities Depository shall be a securities depository which is a registered clearing agency under the Securities and Exchange Act of 1934, as amended, or other applicable statute or regulation that operates a securities depository upon reasonable and customary terms. The Paying Agent upon its receipt of a Bond or Bonds for cancellation shall cause the delivery of Bonds to the successor Securities Depository in appropriate denominations and form as provided herein.

Section 211. Sale and Terms of Bonds; Authorization and Execution of Purchase Contract and Certificate of Final Terms.

(a) Upon the advice and recommendation of Hilltop Securities Inc. and Moody Reid Financial Advisors, as the City’s co-financial advisors (the “**Co-Financial Advisors**”), the City is hereby authorized to sell the Bonds utilizing one of the following methods:

- (1) a competitive public sale (“**Competitive Sale**”) pursuant to which the City will sell the Bonds to the bidder offering to purchase the Bonds, based on the principal amounts and maturities set forth in the Notice of Bond Sale, submitting the lowest “true interest cost” as defined therein, subject to the limitations set

forth in this Section and in **Exhibit A** hereto. If the City sells the Bonds via a Competitive Sale, the City is authorized to accept the best bid in accordance with the Certificate of Final Terms, and the Director of Finance is authorized to accept the best bid for and on behalf of and as the act and deed of the City; or

- (2) a negotiated sale ("**Negotiated Sale**") pursuant to which the City will sell the Bonds to the Purchaser to be selected by the City under the terms of the Purchase Contract. If the City sells the Bonds via a Negotiated Sale, the City is authorized to enter into the Purchase Contract in accordance with the Certificate of Final Terms, and the Director of Finance is authorized to execute the Purchase Contract for and on behalf of and as the act and deed of the City.

(b) The Mayor is authorized and directed to approve the purchase price for the Bonds, the principal amounts by maturity, the interest rates, the terms of credit enhancement, if any, and the other final terms of the Bonds, including applicable redemption provisions, subject to the limitations set forth in this Section and **Exhibit A** hereto, and in connection therewith, to execute and deliver the Certificate of Final Terms for and on behalf of and as the act and deed of the City, which approval will be conclusively evidenced by the Mayor's execution of the Certificate of Final Terms. Upon execution, the Certificate of Final Terms will be attached to this Ordinance as **Exhibit B**, and the City Clerk is hereby authorized to file the Certificate of Final Terms with this Ordinance.

Section 212. Notice of Bond Sale. In the event the City determines to sell the Bonds via a Competitive Sale as set forth in **Section 211(a)(1)** hereof, the Director of Finance is hereby authorized to execute the Notice of Bond Sale, and the use and public distribution of the Notice of Bond Sale in connection with a Competitive Sale of the Bonds is hereby authorized.

ARTICLE III

REDEMPTION OF BONDS

Section 301. Optional and Mandatory Redemption of Bonds.

(a) *Optional Redemption by City.* At the option of the City, Bonds or portions thereof may be called for redemption and payment prior to their Stated Maturity in whole or in part at any time in such amounts for each Stated Maturity as shall be determined by the City at a Redemption Price equal to 100% of the principal amount of the Bonds, plus accrued interest thereon to the Redemption Date, as set forth in the Certificate of Final Terms.

(b) *Mandatory Redemption.* In the event term Bonds are issued as provided in **Section 202**, such Bonds shall be subject to mandatory redemption and payment prior to their Stated Maturity pursuant to the mandatory redemption requirements of this Section and the Certificate of Final Terms on the dates of the Stated Maturities for serial Bonds at the principal amount thereof plus accrued interest to the Redemption Date, without premium. The taxes levied in **Article IV** which are to be deposited in the Debt Service Fund shall be sufficient to redeem any Bonds, and the City shall redeem on such dates the principal amounts set forth in **Section 202** and the remaining principal amount of Bonds shall be paid at their Stated Maturity.

At its option, to be exercised on or before the 45th day next preceding any mandatory Redemption Date, the City may: (1) deliver to the Paying Agent for cancellation term Bonds subject to mandatory redemption on said mandatory Redemption Date, in any aggregate principal amount desired; or (2) furnish the Paying Agent funds, together with appropriate instructions, for the purpose of purchasing any term Bonds subject to mandatory redemption on said mandatory Redemption Date from any Registered Owner thereof whereupon the Paying Agent shall use its best efforts to expend such funds for such purpose to such extent as may be practical; or (3) receive a credit with respect to the mandatory redemption obligation of the City under this Section for any term Bonds subject to mandatory redemption on said mandatory Redemption Date which, prior to such date, have been redeemed (other than through the operation of the mandatory redemption requirements of this subsection (b)) and cancelled by the Paying Agent and not theretofore applied as a credit against any redemption obligation under this subsection (b). Each Term Bond so delivered or previously purchased or redeemed shall be credited at 100% of the principal amount thereof on the obligation of the City to redeem term Bonds of the same Stated Maturity on such mandatory Redemption Date, and any excess of such amount shall be credited on future mandatory redemption obligations for term Bonds of the same Stated Maturity in chronological order, and the principal amount of term Bonds of the same Stated Maturity to be redeemed by operation of the requirements of this Section shall be accordingly reduced. If the City intends to exercise any option granted by the provisions of clauses (1), (2) or (3) above, the City will, on or before the 45th day next preceding each mandatory Redemption Date, furnish the Paying Agent a written certificate indicating to what extent the provisions of said clauses (1), (2) and (3) are to be complied with respect to such mandatory redemption payment and in the event that clause (1) is to be complied with, such written certificate shall be accompanied by the term Bonds to be cancelled.

Section 302. Selection of Bonds to be Redeemed.

(a) The Paying Agent shall call Bonds for redemption and payment and shall give notice of such redemption as herein provided upon receipt by the Paying Agent at least 45 days prior to the Redemption Date of written instructions from the City specifying the principal amount, Stated Maturities, Redemption Date and Redemption Prices of the Bonds to be called for redemption. If the Bonds are refunded more than 90 days in advance of such Redemption Date, any escrow agreement entered into by the City in connection with such refunding shall provide that such written instructions to the Paying Agent shall be given by the escrow agent on behalf of the City not more than 90 days prior to the Redemption Date. The Paying Agent may in its discretion waive such notice period so long as the notice requirements set forth in **Section 303** are met. The foregoing provisions of this paragraph shall not apply to any mandatory redemption of Bonds hereunder, and Bonds shall be called by the Paying Agent for redemption pursuant to such mandatory redemption requirements without the necessity of any action by the City and whether or not the Paying Agent shall hold in the Debt Service Fund moneys available and sufficient to effect the required redemption.

(b) Bonds shall be redeemed only in the principal amount of \$5,000 or any integral multiple thereof. Bonds of less than a full Stated Maturity shall be selected by the Paying Agent in \$5,000 units of principal amount in such equitable manner as the Paying Agent may determine.

(c) In the case of a partial redemption of Bonds at the time outstanding in denominations greater than \$5,000, then for all purposes in connection with such redemption each \$5,000 of face value shall be treated as though it were a separate Bond of the denomination of \$5,000. If it is determined that one or more, but not all, of the \$5,000 units of face value represented by any Bond are selected for redemption, then upon notice of intention to redeem such \$5,000 unit or units, the Registered Owner of such Bond or the Registered Owner's duly authorized agent shall present and surrender such Bond to the Paying Agent (1) for payment of the Redemption Price and interest to the Redemption Date of such \$5,000 unit or units of face value called for redemption, and (2) for exchange, without charge to the Registered Owner thereof, for a new Bond or Bonds of the aggregate principal amount of the unredeemed portion of the principal amount of such Bond. If the Registered Owner of any such Bond fails to present such Bond to the Paying Agent for payment and exchange as aforesaid, such Bond shall, nevertheless, become due and payable on the redemption date to the extent of the \$5,000 unit or units of face value called for redemption (and to that extent only).

Section 303. Notice and Effect of Call for Redemption. Unless waived by any Registered Owner of Bonds to be redeemed, official notice of any redemption shall be given by the Paying Agent on behalf of the City by mailing a copy of an official redemption notice by first class mail at least 30 days prior to the Redemption Date to the State Auditor of Missouri, the Purchaser of the Bonds and each Registered Owner of the Bond or Bonds to be redeemed at the address shown on the Bond Register.

All official notices of redemption shall be dated and shall contain the following information:

- (a) the Redemption Date;
- (b) the Redemption Price;
- (c) if less than all Outstanding Bonds of a maturity are to be redeemed, the identification (and, in the case of partial redemption of any Bonds, the respective principal amounts) of the Bonds to be redeemed;
- (d) a statement that on the Redemption Date the Redemption Price will become due and payable upon each such Bond or portion thereof called for redemption and that interest thereon shall cease to accrue from and after the Redemption Date; and
- (e) the place where such Bonds are to be surrendered for payment of the Redemption Price, which shall be the principal payment office of the Paying Agent.

With respect to optional redemptions, such notice may be conditioned upon moneys being on deposit with the Paying Agent on or prior to the Redemption Date in an amount sufficient to pay the Redemption Price on the Redemption Date. If such notice is conditional and either the Paying Agent receives written notice from the City that moneys sufficient to pay the Redemption Price will not be on deposit on the Redemption Date, or such moneys are not received on the Redemption Date, then such notice shall be of no force and effect, the Paying Agent shall not redeem such Bonds and the Paying Agent shall give notice, in the same manner in which the notice of redemption was given, that such moneys were not or will not be so received and that such Bonds will not be redeemed.

The failure of any Registered Owner to receive notice given as heretofore provided or any defect therein shall not invalidate any redemption.

Prior to any Redemption Date, the City shall deposit with the Paying Agent an amount of money sufficient to pay the

Redemption Price of all the Bonds or portions of Bonds that are to be redeemed on that date.

Official notice of redemption having been given as aforesaid, the Bonds or portions of Bonds to be redeemed shall become due and payable on the Redemption Date, at the Redemption Price therein specified, and from and after the Redemption Date (unless moneys sufficient to pay the Redemption Price are not on deposit on the Redemption Date) such Bonds or portion of Bonds shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with such notice and receipt by the Paying Agent of the Redemption Price, the Redemption Price of such Bonds shall be paid by the Paying Agent on the Redemption Date. Installments of interest due on or prior to the Redemption Date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the Registered Owner a new Bond or Bonds of the same Stated Maturity in the amount of the unpaid principal as provided herein. All Bonds that have been surrendered for redemption and paid on the Redemption Date shall be cancelled and destroyed by the Paying Agent as provided herein and shall not be reissued.

The Paying Agent is also directed to comply with any mandatory standards established by the Securities and Exchange Commission and then in effect for processing redemptions of municipal securities. Failure to comply with such standards shall not affect or invalidate the redemption of any Bond.

For so long as the Securities Depository is affecting book-entry transfers of the Bonds, the Paying Agent shall provide the notices specified in this Section to the Securities Depository. It is expected that the Securities Depository shall, in turn, notify its Participants and that the Participants, in turn, will notify or cause to be notified the beneficial owners. Any failure on the part of the Securities Depository or a Participant, or failure on the part of a nominee of a beneficial owner of a Bond (having been mailed notice from the Paying Agent, the Securities Depository, a Participant or otherwise) to notify the beneficial owner of the Bond so affected, shall not affect the validity of the redemption of such Bond.

ARTICLE IV

SECURITY FOR AND PAYMENT OF BONDS

Section 401. Security for the Bonds. The Bonds shall be general obligations of the City payable as to both principal and interest from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable tangible property, real and personal, within the territorial limits of the City in accordance with Article VI, Sections 26 and 28 of the Constitution of Missouri, 1945, as amended. The full faith, credit and resources of the City are hereby irrevocably pledged for the prompt payment of the principal of and interest on the Bonds as the same become due.

Section 402. Levy and Collection of Annual Tax. For the purpose of providing for the payment of the principal of and interest on the Bonds as the same become due, there is hereby authorized to be levied upon all of the taxable tangible property within the City a direct annual tax sufficient to produce the amounts necessary for the payment of such principal and interest as the same becomes due and payable in each year.

The taxes referred to above shall, to the extent that other funds of the City are not available and earmarked for the purpose of paying the principal of and interest on the Bonds, be levied upon the tax rolls in each of the several years, respectively, and shall be levied and collected at the same time and in the same manner as the other ad valorem taxes of the City are levied and collected. The proceeds derived from said taxes shall be deposited in the Debt Service Fund, shall be kept separate and apart from all other funds of the City and shall be used solely for the payment of the principal of and interest on the Bonds as and when the same become due, taking into account any scheduled mandatory redemptions, and the fees and expenses of the Paying Agent.

If at any time said taxes are not collected in time to pay the principal of or interest on the Bonds when due, the Director of Finance is hereby authorized and directed to pay said principal or interest out of the general municipal revenue funds of the City and to reimburse said general municipal revenue funds for money so expended when said taxes are collected.

ARTICLE V

ESTABLISHMENT OF FUNDS; DEPOSIT AND APPLICATION OF MONEYS

Section 501. Establishment of Funds. There have been or shall be established in the treasury of the City and shall be held and administered by the Director of Finance of the City the following separate funds:

- (a) Series 2022A Project Fund (the “**Project Fund**”) and within the Project Fund, three separate accounts known as the “**Street, Sidewalk and Bridge Project Account**,” the “**Flood Control Project Account**” and the “**Public Buildings Project Account**,” and within the Public Buildings Account, a separate subaccount known as

the [*****Zoo Subaccount.*****]

- (b) Series 2022A Debt Service Fund (the **“Debt Service Fund”**).
- (c) Rebate Fund and within the Rebate Fund, a separate account known as the **“Series 2022A Compliance Account.”**
- (d) Costs of Issuance Fund.

In addition to the funds and accounts described above, the Escrow Agreement establishes an escrow account to be held and administered by the Escrow Agent in accordance therewith. The investment and use of moneys in the escrow account shall be governed by the Escrow Agreement.

Section 502. Deposit of Bond Proceeds. The net proceeds received from the sale of the Bonds, including any premium, shall be deposited simultaneously with the delivery of the Bonds as follows:

- (a) Proceeds of the Bonds in the amount set forth in the Certificate of Final Terms shall be deposited in the Debt Service Fund and applied in accordance with **Section 505**.

[**With regard to the Kansas City Zoological Garden (the **“Zoo”**) component of the Public Buildings Project, costs and expenses of issuing such proportionate amounts of the Project Portion of Bonds paid from bond proceeds deposited in the Zoo Subaccount, shall not exceed **2%** of the proportionate principal amount of such Project Portion of the Bonds allocable to the Zoo component of the Public Buildings Project, since the portion of the proceeds of the Project Portion of the Bonds allocable to the Zoo component of the Public Buildings Project is considered to be “private activity bonds” with the meaning of Internal Revenue Code Sections 141 and 145 and therefore are subject to the **2%** costs of issuance limitation contained in Internal Revenue Code Section 147(g).**]

[**With regard to the proportionate amount of the Refunding Portion of the Bonds that are used to refinance the Zoo Project and the World War I Museum Project components of the Basic Infrastructure Project (the costs of which were originally financed or refinanced in part, with proceeds of the Refunded Bonds), costs and expenses of issuing such proportionate amount of the Refunding Portion of the Bonds paid from the Refunding Portion of Bond proceeds deposited in the Costs of Issuance Fund shall not exceed **2%** of the proportionate principal amount of such Refunding Portion of the Bonds allocable to refinancing the Zoo Project and the World War I Museum Project component of the Basic Infrastructure Project, since those portions of the proceeds of the Refunding Portion of the Bonds allocable to refinancing the Zoo Project and the World War I Museum Project component of the Basic Infrastructure Project are considered to be “private activity bonds” within the meaning of Code Sections 141 and 145 and therefore are subject to the **2%** costs of issuance limitation contained in Code Section 147(g).**]

Section 503. Application of Moneys in the Costs of Issuance Fund. Moneys in the Costs of Issuance Fund shall be used solely for the purpose of paying the costs and expenses incident to the issuance of the Bonds upon certification thereof by the Director of Finance. On the latest to occur of (i) the payment in full of such amounts (as certified by the Director of Finance) or (ii) the date which is six months following the date on which the Bonds are issued and authenticated, any moneys remaining in the Costs of Issuance Fund shall be transferred to the Debt Service Fund and applied in accordance with **Section 505** hereof.

Section 504. Application of Moneys in the Project Fund. Moneys in the Project Fund shall be used by the City solely and for the purpose of paying (a) a portion of the costs of the Street, Sidewalk and Bridge Project, (b) a portion of the costs of the Flood Control Project, (c) a portion of the costs of the Public Buildings Project, as applicable, for which the Bonds have been voted and authorized, as hereinbefore provided.

Upon completion of the purpose for which the Bonds have been issued, as applicable, any surplus remaining in any account of the Project Fund, respectively, shall be transferred to and deposited in the Debt Service Fund and applied to the next installment of principal and/or interest due on the Bonds.

Section 505. Application of Moneys in Debt Service Fund. All amounts paid and credited to the Debt Service Fund shall be expended and used by the City for the sole purpose of paying the principal or Redemption Price of and interest on the Bonds as and when the same become due and the usual and customary fees and expenses of the Paying Agent. The Director of Finance is authorized and directed to withdraw from the Debt Service Fund sums sufficient to pay both principal or Redemption Price of and interest on the Bonds and the fees and expenses of the Paying Agent as and when the same become due, and to forward such sums to the Paying Agent in a manner which ensures that the Paying Agent will receive immediately available funds in such amounts on or before the business day immediately preceding the dates when such principal, interest and fees of the Paying Agent will become due. If, through the lapse of time or otherwise, the Registered Owners of Bonds are no longer entitled to enforce payment of the Bonds or the interest thereon, the Paying Agent shall return said funds to the City. All moneys deposited with the Paying Agent shall be deemed to be deposited in accordance with and subject to all of the provisions contained in this Ordinance and shall be held in trust by the Paying Agent for the benefit of the Registered Owners of the Bonds entitled to payment from such moneys.

Any moneys or investments remaining in the Debt Service Fund after payment in full of the Bonds and all other general obligation indebtedness of the City shall be transferred and paid into the general fund of the City.

Section 506. Deposits and Investment of Moneys. Moneys in each of the funds created by and referred to in this Ordinance shall be deposited in a bank or banks or other legally permitted financial institutions located in the State of Missouri that are members of the Federal Deposit Insurance Corporation. All such deposits shall be continuously and adequately secured by the banks or financial institutions holding such deposits as provided by the laws of the State of Missouri. All moneys held in the funds created by this Ordinance shall be kept separate and apart from all other funds of the City so that there shall be no commingling of such funds with any other funds of the City.

Moneys held in any fund referred to in this Ordinance may be invested in accordance with this Ordinance and the Federal Tax Certificate in Permitted Investments; provided, however, that no such investment shall be made for a period extending longer than to the date when the moneys invested may be needed for the purpose for which such fund was created. The interest earnings and any profit realized from Permitted Investments in any fund or account hereunder shall be credited to the Debt Service Fund and any loss resulting from Permitted Investments in any fund or account shall be charged to such fund or account.

Section 507. Nonpresentment of Bonds. If any Bond is not presented for payment when the principal thereof becomes due at Maturity, if funds sufficient to pay such Bond have been made available to the Paying Agent all liability of the City to the Registered Owner thereof for the payment of such Bond shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Paying Agent to hold such funds, without liability for interest thereon, for the benefit of the Registered Owner of such Bond, who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Ordinance or on, or with respect to, said Bond. If any Bond is not presented for payment within four years following the date when such Bond becomes due at Maturity, the Paying Agent shall repay to the City the funds theretofore held by it for payment of such Bond, and such Bond shall, subject to the defense of any applicable statute of limitation, thereafter be an unsecured obligation of the City, and the Registered Owner thereof shall be entitled to look only to the City for payment, and then only to the extent of the amount so repaid to it by the Paying Agent, and the City shall not be liable for any interest thereon and shall not be regarded as a trustee of such money.

Section 508. Application of Moneys in the Rebate Fund.

(a) There shall be deposited in the Series 2022A Compliance Account within the Rebate Fund (1) the amount required by **Section 502(b)** hereof, and (2) such amounts as are required to be deposited therein pursuant to the Federal Tax Certificate. Subject to the payment provisions provided in subsection (b) and (d) below, all money in the Rebate Fund shall be held in trust, to the extent required to satisfy the Rebate Amount (as defined in the Federal Tax Certificate), for payment to the United States of America, and neither the City nor the Registered Owner of any Bond shall have any rights in or claim to such money. All amounts deposited into or on deposit in the Series 2022A Compliance Account within the Rebate Fund shall be governed by this Section and the Federal Tax Certificate.

(b) The City shall periodically determine the rebatable arbitrage under Section 148(f) of the Code in accordance with the Federal Tax Certificate, and the City shall make payments to the United States of America at the times and in the amounts determined under the Federal Tax Certificate. Except as provided in subsection (d) below with respect to moneys deposited in the Series 2022A Compliance Account within the Rebate Fund pursuant to **Section 502(b)** hereof, any moneys remaining in the Series 2022A Compliance Account within the Rebate Fund after redemption and payment of all of the Bonds and the interest thereon and payment and satisfaction of any Rebate Amount, or provision made therefor, shall be released to the City.

(c) Notwithstanding any other provision of this Ordinance, including in particular **Article VII**, the obligation to pay rebatable arbitrage to the United States and to comply with all other requirements of this Section and the Federal Tax Certificate shall survive the defeasance or payment in full of the Bonds.

(d) The moneys deposited in the Series 2022A Compliance Account within the Rebate Fund pursuant to **Section 502(b)** hereof shall be used to pay costs associated with retaining any rebate analyst or other expert to perform any rebate computations or other calculations necessary to ensure the City maintains compliance with the requirements for rebate under Section 148(f) of the Code or any of the City's duties with respect to the Series 2022A Compliance Account within the Rebate Fund (as defined in the Federal Tax Certificate). Any Bond proceeds or investment earnings thereon remaining in the Series 2022A Compliance Account five (5) years and 180 days after the date of issuance of the Bonds shall be disbursed as follows:

- (1) If the Street, Bridge and Sidewalk Project, Flood Control Project or Public Buildings Project is not yet complete, Bond proceeds or investment earnings thereon remaining in the Series 2022A Compliance Account shall be transferred to the Project Fund; or
- (2) If the Street, Bridge and Sidewalk Project, Flood Control Project and Public Buildings Project are each complete, Bond proceeds or investment earnings thereon remaining in the Series 2022A Compliance Account shall be transferred to the Debt Service Fund.

ARTICLE VI

REMEDIES

Section 601. Remedies. The provisions of this Ordinance, including the covenants and agreements herein contained, shall constitute a contract between the City and the Registered Owners of the Bonds, and the Registered Owner or Owners of not less than 10% in principal amount of the Bonds at the time Outstanding shall have the right for the equal benefit and protection of all Registered Owners of Bonds similarly situated:

- (a) by mandamus or other suit, action or proceedings at law or in equity to enforce the rights of such Registered Owner or Owners against the City and its officers, agents and employees, and to require and compel duties and obligations required by the provisions of this Ordinance excluding **Section 806** or by the constitution and laws of the State of Missouri;
- (b) by suit, action or other proceedings in equity or at law to require the City, its officers, agents and employees to account as if they were the trustees of an express trust; and
- (c) by suit, action or other proceedings in equity or at law to enjoin any acts or things which may be unlawful or in violation of the rights of the Registered Owners of the Bonds.

Section 602. Limitation on Rights of Bondowners. The covenants and agreements of the City contained herein and in the Bonds shall be for the equal benefit, protection and security of the legal owners of any or all of the Bonds. All of the Bonds shall be of equal rank and without preference or priority of one Bond over any other Bond in the application of the funds herein pledged to the payment of the principal of and the interest on the Bonds, or otherwise, except as to rate of interest, or date of Maturity or right of prior redemption as provided in this Ordinance. No one or more Bondowners secured hereby shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security granted and provided for herein, or to enforce any right hereunder, except in the manner herein provided, and all proceedings at law or in equity shall be instituted, had and maintained for the equal benefit of all Registered Owners of such Outstanding Bonds.

Section 603. Remedies Cumulative. No remedy conferred herein upon the Bondowners is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and in addition to every other remedy and may be exercised without exhausting and without regard to any other remedy conferred herein. No waiver of any default or breach of duty or contract by the

Registered Owner of any Bond shall extend to or affect any subsequent default or breach of duty or contract or shall impair any rights or remedies consequent thereon. No delay or omission of any Bondowner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein. Every substantive right and every remedy conferred upon the Registered Owners of the Bonds by this Ordinance may be enforced and exercised from time to time and as often as may be deemed expedient. If any suit, action or proceedings taken by any Bondowner on account of any default or to enforce any right or exercise any remedy has been discontinued or abandoned for any reason, or has been determined adversely to such Bondowner, then, and in every such case, the City and the Registered Owners of the Bonds shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Bondowners shall continue as if no such suit, action or other proceedings had been brought or taken.

Section 604. Exception for Continuing Disclosure. This **Article VI** shall not apply to **Section 806** hereof regarding the City's continuing disclosure obligations, and the Registered Owners of the Bonds shall have no remedies for enforcement of said obligations other than the remedies provided for in **Section 806** hereof and the City's Continuing Disclosure Undertaking (hereinafter defined).

ARTICLE VII

DEFEASANCE

Section 701. Defeasance. When any or all of the Bonds or scheduled interest payments thereon have been paid and discharged, then the requirements contained in this Ordinance and the pledge of the City's faith and credit hereunder and all other rights granted hereby shall terminate with respect to the Bonds or scheduled interest payments thereon so paid and discharged. Bonds or scheduled interest payments thereon shall be deemed to have been paid and discharged within the meaning of this Ordinance if there has been deposited with the Paying Agent, or other commercial bank or trust company located in the State of Missouri and having full trust powers, at or prior to the Stated Maturity or Redemption Date of said Bonds or the interest payments thereon, in trust for and irrevocably appropriated thereto, moneys and/or Defeasance Obligations which, together with the interest to be earned thereon, will be sufficient for the payment of the principal or Redemption Price of said Bonds and/or interest to accrue on such Bonds to the Stated Maturity or Redemption Date, or if default in such payment has occurred on such date, then to the date of the tender of such payments; provided, however, that if any such Bonds are to be redeemed prior to their Stated Maturity, (1) the City shall have elected to redeem such Bonds, and (2) either notice of such redemption shall have been given, or the City shall have given irrevocable instructions, or shall have provided for an escrow agent to give irrevocable instructions, to the Paying Agent to redeem such Bonds in compliance with **Section 302(a)** of this Ordinance. Any moneys and Defeasance Obligations that at any time shall be deposited with the Paying Agent or other commercial bank or trust company by or on behalf of the City, for the purpose of paying and discharging any of the Bonds or the interest payments thereon, shall be and are hereby assigned, transferred and set over to the Paying Agent or other bank or trust company in trust for the respective Registered Owners of such Bonds, and such moneys shall be and are hereby irrevocably appropriated to the payment and discharge thereof. All moneys and Defeasance Obligations deposited with the Paying Agent or other bank or trust company shall be deemed to be deposited in accordance with and subject to all of the provisions of this Ordinance.

ARTICLE VIII

MISCELLANEOUS PROVISIONS

Section 801. Tax Covenants.

(a) The City covenants and agrees that (1) it will comply with all applicable provisions of the Code, including Sections 103 and 141 through 150, necessary to maintain the exclusion from federal gross income of the interest on the Bonds, and (2) it will not use or permit the use of any proceeds of Bonds or any other funds of the City, nor take or permit any other action, or fail to take any action, if any such action or failure to take action would adversely affect the exclusion from federal gross income of the interest on the Bonds. The City will also pass such other ordinances or resolutions and take such other actions as may be necessary to comply with the Code and with all other applicable future law in order to ensure that the interest on the Bonds will remain excluded from federal gross income, to the extent any such actions can be taken by the City.

(b) The City covenants and agrees that (1) it will use the proceeds of the Bonds as soon as practicable for the purposes for which the Bonds are issued, and (2) it will not invest or directly or indirectly use or permit the use of any proceeds of the Bonds or any other funds of the City in any manner, or take or omit to take any action, that would cause the Bonds to be "arbitrage bonds" within the meaning of Section 148(a) of the Code.

(c) The City covenants that it will pay or provide for the payment from time to time of all rebatable arbitrage to the

United States pursuant to Section 148(f) of the Code and the Federal Tax Certificate. This covenant shall survive payment in full or defeasance of the Bonds. The Federal Tax Certificate may be amended or replaced if, in the opinion of Bond Counsel, such amendment or replacement will not adversely affect the exclusion from federal gross income of interest on the Bonds.

[**(d) A portion of the Bonds are being issued as “qualified 501(c)(3) bonds” under Section 145 of the Code, because proceeds of that portion (the “**Qualified 501(c)(3) Portion**”) will be used (1) to pay a portion of the costs of the Zoo component of the Public Buildings Project, which will be owned by the City and operated by Friends of the Zoo, Inc. of Kansas City, Missouri, a Missouri nonprofit corporation, a Missouri nonprofit corporation (“**Friends of the Zoo, Inc.**”), (2) to refinance a portion of the costs of improvements to the Zoo, owned by the City and operated by Friends of the Zoo, Inc., and (3) to refinance a portion of the costs of various improvements to the museum, exhibits, library and educational facilities of the World War I Museum at Liberty Memorial, owned by the City and operated by the Liberty Memorial Association, a Missouri nonprofit corporation. The City covenants that (A) with respect to the Qualified 501(c)(3) Portion of the Bonds, it will not use any portion of the proceeds of that portion, including any investment income earned on such proceeds directly or indirectly, in a manner that would cause any Bond to lose its status as a “qualified 501(c)(3) bond” under Section 145 of the Code and (B) with respect to the remaining portion of the Bonds, it will not use any portion of the proceeds of that portion, including any investment income earned on such proceeds, directly or indirectly, in a manner that would cause any Bond of that portion to be a “private activity bond” within the meaning of Section 141 of the Code.**]

(e) The foregoing covenants shall remain in full force and effect notwithstanding the defeasance of the Bonds pursuant to **Article VII** or any other provision of this Ordinance, until the final Maturity of all Bonds Outstanding.

Section 802. Annual Audit. In accordance with the provisions of Section 836, Article VIII, of the City’s Charter, the Council will provide that an independent certified audit of the City’s books and records will be made annually by certified public accountants, experienced and qualified in municipal and governmental accounting. Each such audit shall be detailed in scope and said accountants shall certify as to the correctness of the schedules contained in the audit report. All such schedules shall be incorporated in the annual financial report relating to the City’s finances, required by Section 838, Article VIII, of the City’s Charter. A copy of each such annual report will be filed with the City Clerk and will be open for public inspection.

Section 803. Amendments. The Continuing Disclosure Undertaking (hereinafter defined) is exempt from the provisions of this **Section 803** and is subject to amendment and modification only as provided therein. The rights and duties of the City and the Bondowners, and the terms and provisions of the Bonds or of this Ordinance, may be amended or modified at any time in any respect by Ordinance of the City with the written consent of the Registered Owners of not less than a majority in principal amount of the Bonds then Outstanding, such consent to be evidenced by an instrument or instruments executed by such Registered Owners and duly acknowledged or proved in the manner of a deed to be recorded, and such instrument or instruments shall be filed with the City Clerk, but no such modification or alteration shall:

- (a) extend the maturity of any payment of principal or interest due upon any Bond;
- (b) effect a reduction in the amount which the City is required to pay as principal of or interest on any Bond;
- (c) permit preference or priority of any Bond over any other Bond; or
- (d) reduce the percentage in principal amount of Bonds required for the written consent to any modification or alteration of the provisions of this Ordinance.

Any provision of the Bonds or of this Ordinance may, however, be amended or modified by Ordinance duly adopted by the governing body of the City at any time in any legal respect with the written consent of the Registered Owners of all of the Bonds at the time Outstanding.

Without notice to or the consent of any Bondowners, the City may amend or supplement this Ordinance for the purpose of curing any formal defect, omission, inconsistency or ambiguity therein or in connection with any other change therein which is not materially adverse to the interests of the Bondowners or conforming this Ordinance to the Code.

Every amendment or modification of the provisions of the Bonds or of this Ordinance, to which the written consent of the Bondowners is given, as above provided, shall be expressed in an ordinance adopted by the governing body of the City amending or supplementing the provisions of this Ordinance and shall be deemed to be a part of this Ordinance. A certified copy of every such amendatory or supplemental Ordinance, if any, and a certified copy of this Ordinance shall always be kept on file in the office of the City Clerk, and shall be made available for inspection by the Registered Owner of any Bond or a prospective purchaser or owner of any Bond authorized by this Ordinance, and upon payment of the reasonable cost of preparing the same, a certified copy of any such amendatory or supplemental Ordinance or of this Ordinance will be sent by the City Clerk to any such Bondowner or prospective

Bondowner.

Any and all modifications made in the manner hereinabove provided shall not become effective until there has been filed with the City Clerk a copy of the Ordinance of the City hereinabove provided for, duly certified, as well as proof of any required consent to such modification by the Registered Owners of the Bonds then Outstanding. It shall not be necessary to note on any of the Outstanding Bonds any reference to such amendment or modification.

The City shall furnish to the Paying Agent a copy of any amendment to the Bonds or this Ordinance which affects the duties or obligations of the Paying Agent under this Ordinance.

Section 804. Notices, Consents and Other Instruments by Bondowners. Any notice, consent, request, direction, approval or other instrument to be signed and executed by the Bondowners may be in any number of concurrent writings of similar tenor and may be signed or executed by such Bondowners in person or by agent appointed in writing. Proof of the execution of any such instrument or of the writing appointing any such agent and of the ownership of Bonds, other than the assignment of ownership of a Bond, if made in the following manner, shall be sufficient for any of the purposes of this Ordinance, and shall be conclusive in favor of the City and the Paying Agent with regard to any action taken, suffered or omitted under any such instrument, namely:

- (a) The fact and date of the execution by any person of any such instrument may be proved by a certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such instrument acknowledged before such officer the execution thereof, or by affidavit of any witness to such execution.
- (b) The fact of ownership of Bonds, the amount or amounts, numbers and other identification of Bonds, and the date of holding the same shall be proved by the Bond Register.

In determining whether the Registered Owners of the requisite principal amount of Bonds Outstanding have given any request, demand, authorization, direction, notice, consent or waiver under this Ordinance, Bonds owned by the City shall be disregarded and deemed not to be Outstanding under this Ordinance, except that, in determining whether the Bondowners shall be protected in relying upon any such request, demand, authorization, direction, notice, consent or waiver, only Bonds which the Bondowners know to be so owned shall be so disregarded. Notwithstanding the foregoing, Bonds so owned which have been pledged in good faith shall not be disregarded as aforesaid if the pledgee establishes to the satisfaction of the Bondowners the pledgee's right so to act with respect to such Bonds and that the pledgee is not the City.

Section 805. Further Authority. The officers of the City, including the Mayor and City Clerk, are hereby authorized and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Ordinance and to make ministerial alterations, changes or additions in the foregoing agreements, statements, instruments and other documents herein approved, authorized and confirmed which they may approve, and the execution or taking of such action shall be conclusive evidence of such necessity or advisability.

Section 806. Continuing Disclosure. The City covenants and agrees to enter into a Continuing Disclosure Undertaking (the "Continuing Disclosure Undertaking") in order to satisfy the City's ongoing disclosure requirements promulgated by Securities and Exchange Commission Rule 15c2-12, as amended, in connection with the issuance of the Bonds. The Director of Finance is hereby authorized to execute and deliver the Continuing Disclosure Undertaking for and on behalf of the City, with such changes therein as he deems necessary or desirable. Notwithstanding any other provision of this Ordinance, failure of the City to comply with the Continuing Disclosure Undertaking shall not be considered a default under this Ordinance. Remedies for a default under the Continuing Disclosure Undertaking shall be limited to those set forth in the Continuing Disclosure Undertaking.

Section 807. Escrow Agreement. The City covenants and agrees to enter into an Escrow Agreement in connection with the Refunded Bonds. The Director of Finance is authorized to enter into an Escrow Agreement substantially in the form on file with the office of the Director of Finance, with such changes therein as he deems necessary or desirable.
