ORDINANCE NO. 220693

Amending Chapter 62, Article II of the Code of Ordinances entitled Solid Waste, by repealing Section 62-41, "Residential refuse collection - Eligibility," and enacting in lieu thereof a new section of like number and subject matter which amends residents eligible for residential refuse collection.

BE IT ORDAINED BY THE COUNCIL OF KANSAS CITY:

Section 1. That Chapter 62, Article II of the Code of Ordinances is hereby amended by repealing Section 62-41, entitled "Residential refuse collection-eligibility" and enacting in lieu thereof a new section of like number and subject matter, to read as follows:

Sec. 62-41. Residential refuse collection-eligibility.

(a) Eligible buildings and dwelling units. The City will provide public curbside refuse collection and disposal services to each habitable dwelling unit in a residential building containing six or fewer units, which

fronts on a public or private (subject to subsection b) street. Residential buildings containing more than six units may be eligible for service if each unit has separate sidewalk and driveway access which fronts a public or private (subject to subsection b) street.

(b) Residential buildings on private streets or drives may be provided refuse services upon entering into an agreement with the City whereby the owners of such residential buildings waive any claims against the City for damage to the private street or drive due to refuse collection.

(c) Every person not receiving city-provided refuse collection services shall provide for the collection and disposal of refuse in accordance with the provisions of article I of this chapter and the rules and regulations adopted thereunder.
