**Sec. 70-42. Payment of administrative citation fines for parking tickets and non-moving city ordinance violations.**

(a) *Establishment and purview.* An administrative adjudication system, consistent with Section 479.011 of the Revised Statutes of Missouri, for adjudicating parking and other civil non-moving Code of Ordinances violations in Kansas City in Chapter 70 is hereby established. The administrative adjudication system shall be under the jurisdiction of the Parking and Transportation Commission. This administrative adjudication system shall apply to parking code violations, including but not necessarily limited to, violations encompassed in Code sections 70-137(2), 70-139(b), 70-269, 70-521, 70-523, 70-524, 70-526, 70-527, 70-528, 70-529, 70-532, 70-533, 70-535, 70-536, 70-538, 70-539, 70-541, 70-542, 70-563, 70-564, 70-565, 70-567, 70-568, 70-593, 70-594, 70-602 and 70-641 and any other codes designated for administrative adjudication by ordinance. The section shall not apply to violations of any Code of Ordinance section that prohibits the following: operating a motor vehicle while intoxicated or under the influence of intoxicants; operating a vehicle with a counterfeit, altered, suspended or revoked driver's license; causing injury to another person; causing property damage; or fleeing or attempting to elude a law enforcement officer. If there are any companion charges to an alleged violation of any Code of Ordinance section that prohibit operating a motor vehicle while intoxicated or under the influence of intoxicants, operating a vehicle with a counterfeit, altered, suspended or revoked driver's license, causing injury to another person, causing property damage, or fleeing or attempting to elude a law enforcement officer then all companion charges shall be adjudicated by the municipal court division having jurisdiction over the alleged ordinance violation that the administrative adjudication system does not have jurisdiction over.

(b) *Oversight.* The Parking and Transportation Commission shall adopt policies and procedures for governing the administrative adjudication system. The administrative adjudication system shall provide for a fair, impartial, efficient and effective adjudication process for individuals who wish to contest a citation for a violation of a code within the jurisdiction of the administrative adjudication system. This process shall provide for a preliminary administrative review and, for those individuals dissatisfied with the results of the preliminary administrative review, an administrative hearing. Any person issued a citation for an ordinance violation within the purview of this section shall be advised on the citation of the right to request a preliminary administrative review. The alleged violator must either pay the scheduled civil fine or request an administrative review within twenty calendar days from the date of the administrative citation. The preliminary administrative review shall entail an informal administrative process through which an individual may submit a request for review and obtain information about the validity of a municipal code violation by mail, Internet or other means approved by the Parking and Transportation Commission. The alleged violation shall be notified of the outcome of the administrative review within ten days of submitting the request for preliminary administrative review.

(c) *Administrative Hearing.* An administrative hearing available for individuals dissatisfied with the results of the preliminary administrative review shall be part of the administrative adjudication system. An alleged violator may request an administrative hearing within ten days of the notification of the outcome of the administrative review being sent. The Parking and Transportation Commission shall designate a hearing officer who shall be charged with overseeing the administrative hearing. The hearing officer shall possess sufficient competence to administratively adjudicate the violations within the purview of this section, including, but not necessarily limited to, familiarity with the rules of procedure for administrative hearings, and a working knowledge of the subject area of the municipal code violations they will adjudicate. The Parking and Transportation Commission shall adopt policies and procedures for administrative hearings and filing and notification requirements for appeals to the municipal court. The policies and procedures adopted by the

Parking and Transportation Commission shall ensure a fair and impartial review of contested Code violations and shall afford the parties due process of law. The administrative hearing shall conform to the requirements of Section 536.070 of the Missouri Revised Statutes. The hearing officer shall have the authority to hear testimony and review relevant evidence, preserve and authenticate hearing records and evidence, issue written findings of fact and decisions, and impose fines. The Parking and Transportation Commission may impose an administrative adjudication hearing filing fee not more than twenty-five dollars.

(d) *Disposition.* Upon completing review of the information submitted by the person contesting the citation at hearing, the hearing officer shall determine in writing whether the contestant is liable or not liable for the violation. If the contestant is found not liable for the violation, the contestant shall be refunded the filing fee (if any) and waive all violation fines accrued to date. If the contestant is found liable of the violation, the contestant shall remit any unpaid fines and costs and reactivate other sanctions in accord with the prescribed administrative adjudication policies and procedures, but it shall not impose incarceration or any fine in excess of the amount allowed by law. The person contesting the citation shall be notified of the hearing officer's decision within ten (10) business days of the conclusion of the administrative hearing. The decision by the hearing officer shall constitute a final determination for purposes of judicial review. Such determination is subject to review under RSMo Chapter 536. After expiration of the judicial review period under RSMO Chapter 536, unless stayed by a court of competent jurisdiction, the administrative officer's decisions, findings, rules, and orders may be enforced in the same manner as a judgment entered by a court of competent jurisdiction.

(e) *Violations and fines.* Parking ticket violations and non-moving Code of Ordinances violations issued in Kansas City and authorized in this section shall be administrative citation fines. Any fine or costs, or part thereof, remaining unpaid thirty (30) days after the exhaustion of, or the failure to exhaust, the administrative adjudication process described herein, shall be a debt due and owing the city, and may be collected by the city by any appropriate legal means. A lien may be imposed on the real or personal property of any contestant found liable for a violation authorized by the section in the amount of any debt due the city under this section and enforced in the same manner as a judgment lien under a court of competent jurisdiction.

As part of the immobilization program, the director of public works may also establish a procedure for a self-release immobilization device, which may be removed by the registered owner, or his or her designee, in compliance with this division. Any police officer may also direct and supervise vehicle immobilization consistent with this Division.

#### **Sec. 70.83. Notice of impending immobilization.**

When a vehicle has been subject to three or more unresolved parking citations after the effective date of this division, the director of public works shall send to the registered owner of said vehicle a notice of impending immobilization. The notice shall be sent by regular U.S. mail to the address of the registered owner of that vehicle, according to the records of the department of motor vehicles of the state in which it is registered. The notice shall state the following:

- (a) Name and address of the registered owner;
- (b) State registration number of the vehicle to be placed on the immobilization list;
- (c) Case numbers or other identifying numbers of all unresolved parking citations for the vehicle to be placed on the immobilization list;
- (d) A statement that the failure of the registered owner, or his or her designee, to pay all fines related to the unresolved parking citations within 21 days from the date of the notice shall result in the subject vehicle being placed on the city's immobilization list;
- (e) A statement that the registered owner may challenge the validity of the notice of impending vehicle immobilization by making a written request, within 21 days of the date of the notice, to the parking and mobility division, for a live hearing before the parking and mobility division to submit evidence which would disprove eligibility for the immobilization list.

#### **Sec. 70.84. Immobilization.**

- (a) If a registered owner receives a notice of impending immobilization and fails to pay all fines related to the unresolved parking citations within 21 days of the notice, then the vehicle subject to the unresolved parking citations shall be an eligible vehicle for immobilization and shall be included on the city's immobilization list.
- (b) The city may immobilize an eligible vehicle on the city's immobilization list that is parked on city property or right-of-way.
- (c) Upon immobilization of an eligible vehicle, a notice shall be affixed to the vehicle in a conspicuous space. The notice shall state the following:
  - (1) State that the vehicle is immobilized because of unresolved parking citations, and that any attempt to move the vehicle or remove the immobilization device is unlawful and may result in damage.
  - (2) State that the unauthorized removal of or damage to the immobilizing device is a violation of 70-85 of the Code of Ordinances.

- (3) Provide information specifying how release of the immobilizing device may be accomplished, including a phone number of the parking and mobility division or its designee.
- (4) State that if the immobilization fee and the fines related to the unresolved parking citations are not paid and the immobilizing device has not been released by the end of the next following business day, and there has been no appeal requested under this section, then the city may tow and impound the vehicle.
- (5) Provide information specifying how the registered owner may claim the vehicle, if towed and impounded.

(d) The city may tow and impound an immobilized vehicle, if the immobilization fees and fines related to the unresolved parking citations for that vehicle are not by the end of the next following business day after immobilization.

(e) To secure the release of an immobilization device, the registered owner of an immobilized vehicle shall, by the end of the next following business day after placement of the immobilization device, make full payment of all fines related to unresolved parking citations, plus an immobilization release fee of \$50.00. Such fines and fees shall be paid to the city treasurer in person, by telephone with a valid credit card, or online as may be provided by the director of public works or city treasurer. The director of public works shall facilitate the release of immobilization devices on non-business days and during non-business hours, if full payment of fines and fees are submitted and confirmed by telephone or online or written receipt.

#### **Sec. 70.85. Violations.**

It shall be unlawful for any person to remove, disable or damage any immobilization device affixed to a vehicle, or to relocate or tow any vehicle to which an immobilization device is affixed, without the approval of the director of public works.

#### **Sec. 70.86. Severability.**

The sections, paragraphs, sentences, clauses and phrases of this division are severable, and if any section, paragraph, sentence, clause or phrase of this division shall be declared invalid, unenforceable, or unconstitutional by a court of competent jurisdiction, such invalidity, unenforceability or unconstitutionality shall not affect any of the remaining sections, paragraphs, sentences, clauses and phrases of this division.
