**Sec. 38-43. Powers and duties.**

(a) The commission may adopt rules of procedure consistent with Chapters 213 and 536, RSMo, and this chapter.

(b) The commission shall prepare an annual report to be presented to the mayor and council concerning the conditions of minority groups in the city, with special reference to discrimination, civil rights, human relations, hate group activity, bias crimes and bias practices and attitudes among institutions and individuals in the community. The report may also include other social and economic factors that influence conditions of minority groups, as well as the causes of these conditions and the effects and implications to minority groups and the entire city. In preparation for the report the commission may conduct hearings and conduct whatever other research is necessary. The report shall include appropriate recommendations to the mayor and the council.

(c) The commission shall form task forces as follows:

(1) The commission shall form task forces including: youth, business, media, education, law enforcement, religion, labor, LGBTQ+, metropolitan area cooperation, bias incident, and others

as may be deemed appropriate.

(2) One member of each task force may be appointed from each councilmanic district, that member to be agreed upon jointly by the councilmembers from that district. Councilmembers may recommend additional members as appropriate.

(3) Except as provided in subsection (c)(2) of this section, the chairperson of the commission shall appoint the chairs and members of the task forces.

(a) For the bias incident task force, the chairperson shall engage law enforcement, community groups, and other stakeholders in the metropolitan area to serve as members.

(4) The task forces shall consist of no more than 15 members except where the commission chairperson specifically approves additional members.

(5) The task forces will assist the commission in the preparation of the commission's annual report to the mayor and council.

(d) The commission is empowered to investigate hate group activity and incidents of bias crimes and work with law enforcement agencies and others to implement programs and activities to combat hate group activity and bias crimes.

(e) The commission may seek information from any and all persons, agencies and businesses, in both the public and private sectors, to identify and investigate problems of discrimination and bias as they affect the citizens of the city either directly or indirectly.
