[COMMITTEE SUBSTITUTE FOR] ORDINANCE NO. 250530

COMMITTEE SUBSTITUTE

Amending Chapter 88, Zoning and Development Code, by repealing and replacing Sections 88-120-03, 88-130-04, and 88-140-03 relating to permitted uses in Office, Business, Commercial, Downtown, and Manufacturing zoning districts; establishing new Section 88-372 to create special use permit requirements and operational standards for used motor vehicle sales lots; amending Section 88-805-04 to refine commercial use classifications; and adopting new definitions in Sections 88-810-911 and 88-810-912 to distinguish between new and used motor vehicle dealers.

WHEREAS, the City of Kansas City Municipal Code Section 88-805-04-X(3) currently allows light equipment sales/rentals, including used motor vehicle sales, in certain zoning districts;

WHEREAS, used motor vehicle sales establishments can have significant impacts on surrounding properties and neighborhoods through outdoor display and storage of inventory, frequent customer and delivery traffic, and operational activities;

WHEREAS, certain used motor vehicle dealers have engaged in practices that negatively impact consumers, particularly those with limited economic means, and surrounding neighborhoods;

WHEREAS, the City has determined that additional oversight through a special use permit process and enhanced operational standards are necessary to protect public health, safety, welfare, and neighborhood character;

WHEREAS, these enhanced requirements will ensure that used motor vehicle sales establishments operate as responsible commercial neighbors while maintaining their economic viability; and NOW, THEREFORE,

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF KANSAS CITY:

Section 1. That Chapter 88, Zoning and Development Code, is hereby amended by repealing Section 88-120-03, "Uses," and enacting in lieu thereof a new section of like number and subject matter to establish special use permit requirements and operational standards for used motor vehicle sale lots, said section to read as follows:

88-120-03 USES

88-120-03-A. USE TABLE

Uses are allowed in O and B zoning districts in accordance with Table 120-1, below.

88-120-03-B. USE CLASSIFICATION SYSTEM

For the purpose of this zoning and development code, uses are classified into "use groups," "use categories," and "specific use types." These are described and defined in 88-805. The first column of Table 120-1 lists the groups, categories, and types allowed in one or more O or B districts.

88-120-03-C. PERMITTED USES

Uses identified with a "P" in Table 120-1 are permitted as-of-right in the subject zoning district, subject to compliance with any use standards identified in the final column of the table and all other applicable standards of this zoning and development code.

88-120-03-D. SPECIAL USES

Uses identified with an "S" in Table 120-1 may be allowed if reviewed and approved in accordance with any special use permit procedures of 88-525. Special uses are subject to compliance with the use standards identified in the final column of the table and all other applicable standards of this zoning and development code.

88-120-03-E. PROHIBITED USES

Uses not listed in the table and those identified with a "-" are expressly prohibited.

88-120-03-F. USE STANDARDS

The "use standards" column of Table 120-1 identifies use-specific standards that apply to some uses. Compliance with such standards is required regardless of whether the use is permitted as-of-right or requires special use approval.

88-120-03-G. SPECIAL STANDARDS ADJACENT TO AND WITHIN 150 FEET OF PARKS, BOULEVARDS, AND PARKWAYS

Additional regulations and restrictions on uses adjacent to parks, boulevards and parkways are imposed in Table 120-1, as follows:

1. Uses identified with a bracketed numeral one "[1]" are prohibited adjacent to and within 150 feet of any park, boulevard, or parkway.
2. Uses identified with a bracketed numeral two "[2]" require special use permit approval if adjacent to and within 150 feet of any park, boulevard, or parkway. (Refer to special use permit procedures in 88-525).
3. Uses identified with a bracketed numeral three "[3]":
 - a. are prohibited adjacent to and within 150 feet of any park or boulevard or within a development node, and
 - b. require special use permit approval if adjacent to and within 150 feet of any parkway.

Land use restrictions apply to property adjacent to and within 150 feet of parks, boulevards, and parkways. The 150-foot distance is measured from the nearest edge of the right-of-way of the boulevard or parkway or the property boundary of the park to the nearest property line of the lot occupied by, or proposed to be occupied by, the restricted use type. These restrictions apply only to that portion of the adjacent property (parcel or lot) located within 150 feet of the park, boulevard, or parkway.

Further, all uses or development adjacent to and within 150 feet of any boulevard or parkway (not including a

park) and within ¼ mile of a development node shall comply with Boulevard and Parkway Standards per 88-323.

Boulevard and Parkway Standards (88-323) apply to property adjacent to and within 150 feet of, boulevards and parkways (not parks). The 150-foot distance is measured from the nearest edge of the right-of-way of the boulevard or parkway to the nearest property line of the lot occupied by, or proposed to be occupied by, the regulated land use. The standards apply only to that portion of the adjacent property (parcel or lot) located within 150 feet of the boulevard or parkway.

88-120-03-H. SPECIAL STANDARDS FOR PROPERTIES LOCATED WITHIN THE AREA KNOWN AS THE COUNTRY CLUB PLAZA

Additional restrictions on uses located within the area known as the Country Club Plaza, which is the area bounded by Summit Street, Jefferson Street, and Pennsylvania Avenue on the west; W 47th Street, W 46th Street, and W 46th Terrace on the north; Broadway, Wyandotte Street, and JC Nichols Parkway on the east; and Ward Parkway on the south ("Country Club Plaza") are imposed in Table 120-1, as follows:

Section 2. That Chapter 88, Zoning and Development Code, is hereby amended by repealing Section 88-130-04, “Uses,” and enacting in lieu thereof a new section of like number and subject matter to establish special use permit requirements and operational standards for used motor vehicle sale lots, said section to read as follows:

88-130-04 USES

88-130-04-A. USE TABLE

Uses are allowed in the D zoning districts in accordance with Table 130-1, below.

88-130-04-B. USE CLASSIFICATION SYSTEM

For the purpose of this zoning and development code, uses are classified into "use groups," "use categories," and "specific use types." These are described and defined in 88-805. The first column of Table 130-1 lists the groups, categories, and types allowed in one or more D districts.

88-130-04-C. PERMITTED USES

Uses identified with a "P" in Table 130-1 are permitted as-of-right in the subject zoning district, subject to compliance with any use standards identified in the final column of the table and all other applicable standards of this zoning and development code.

88-130-04-D. SPECIAL USES

Uses identified with an "S" in Table 130-1 may be allowed if reviewed and approved in accordance with the special use permit procedures of 88-525. Special uses are subject to compliance with any use standards identified in the final column of the table and all other applicable standards of this zoning and development code.

88-130-04-E. PROHIBITED USES

Uses not listed in the use table and those identified with a "-" are expressly prohibited.

88-130-04-F. USE STANDARDS

The "use standards" column of Table 130-1 identifies use-specific standards that apply to some uses. Compliance with such standards is required regardless of whether the use is permitted as-of-right or requires special use approval.

88-130-04-G. SPECIAL STANDARDS ADJACENT TO AND WITHIN 150 FEET OF PARKS, BOULEVARDS, AND PARKWAYS

Additional regulations and restrictions on uses adjacent to parks, boulevards and parkways are imposed in table 130-1, as follows:

1. Uses identified with a bracketed numeral one "[1]" are prohibited adjacent to and within 150 feet of any park, boulevard, or parkway.
2. Uses identified with a bracketed numeral two "[2]" require special use permit approval if adjacent to and within 150 feet of any park, boulevard, or parkway. (Refer to special use permit procedures in 88-525).
3. Uses identified with a bracketed numeral three "[3]":
 - a. are prohibited adjacent to and within 150 feet of any park or boulevard or within a development node, and
 - b. require special use permit approval if adjacent to and within 150 feet of any parkway.

Land use restrictions apply to property adjacent to and within 150 feet of parks, boulevards, and parkways. The 150-foot distance is measured from the nearest edge of the right-of-way of the boulevard or parkway or the property boundary of the park to the nearest property line of the lot occupied by, or proposed to be occupied by, the restricted use type. These restrictions apply only to that portion of the adjacent property (parcel or lot) located within 150 feet of the park, boulevard, or parkway.

Further, all uses or development adjacent to and within 150 feet of any boulevard or parkway (not including a park) and within ¼ mile of a development node shall comply with Boulevard and Parkway Standards per 88-323.

Boulevard and Parkway Standards (88-323) apply to property adjacent to and within 150 feet of boulevards and parkways (not parks). The 150-foot distance is measured from the nearest edge of the right-of-way of the boulevard or parkway to the nearest property line of the lot occupied by, or proposed to be occupied by, the regulated land use. The standards apply only to that portion of the adjacent property (parcel or lot) located within 150 feet of the boulevard or parkway.

Section 3. That Chapter 88, Zoning and Development Code, is hereby amended by repealing Section 88-140-03, "Uses," and enacting in lieu thereof a new section of like number and subject matter to establish special use permit requirements and operational standards for used motor vehicle sale lots, said section to read as follows:

88-140-03 USES

88-140-03-A. USE TABLE

Uses are allowed in M zoning districts in accordance with Table 140-1, below.

88-140-03-B. USE CLASSIFICATION SYSTEM

For the purpose of this zoning and development code, uses are classified into "use groups," "use categories," and "specific use types." These are described and defined in 88-805. The first column of Table 140-1 lists the groups, categories, and types allowed in M districts.

88-140-03-C. PERMITTED USES

Uses identified with a "P" in Table 140-1 are permitted as-of-right in the subject zoning district, subject

to compliance with any use standards identified in the final column of the table and all other applicable standards of this zoning and development code.

88-140-03-D. SPECIAL USES

Uses identified with an "S" in Table 140-1 may be allowed if reviewed and approved in accordance with the special use permit procedures of 88-525. Special uses are subject to compliance with the use standards identified in the final column of the table and all other applicable standards of this zoning and development code.

88-140-03-E. PROHIBITED USES

Uses not listed and those identified with a "-" are expressly prohibited.

88-140-03-F. USE STANDARDS

The "use standards" column of Table 140-1 identifies use-specific standards that apply to some uses. Compliance with such standards is required regardless of whether the use is permitted as-of-right or requires special use approval.

88-140-03-G. SPECIAL STANDARDS ADJACENT TO AND WITHIN 150 FEET OF PARKS, BOULEVARDS, AND PARKWAYS

Additional regulations and restrictions on uses adjacent to parks, boulevards and parkways are imposed in table 140-1, as follows:

1. Uses identified with a bracketed numeral one "[1]" are prohibited adjacent to and within 150 feet of any park, boulevard, or parkway.
2. Uses identified with a bracketed numeral two "[2]" require special use permit approval if adjacent to and within 150 feet of any park, boulevard, or parkway. (Refer to special use permit procedures in 88-525).
3. Uses identified with a bracketed numeral three "[3]":
 - a. are prohibited adjacent to and within 150 feet of any park or boulevard or within a development node, and
 - b. require special use permit approval if adjacent to and within 150 feet of any parkway.

Land use restrictions apply to property adjacent to and within 150 feet of parks, boulevards, and parkways. The 150-foot distance is measured from the nearest edge of the right-of-way of the boulevard or parkway or the property boundary of the park to the nearest property line of the lot occupied by, or proposed to be occupied by, the restricted use type. These restrictions apply only to that portion of the adjacent property (parcel or lot) located within 150 feet of the park, boulevard, or parkway.

Further, all uses or development adjacent to and within 150 feet of any boulevard or parkway (not including a park) and within ¼ mile of a development node shall comply with Boulevard and Parkway Standards per 88-323.

Boulevard and Parkway Standards (88-323) apply to property adjacent to and within 150 feet of boulevards and parkways (not parks). The 150-foot distance is measured from the nearest edge of the right-of-way of the

boulevard or parkway to the nearest property line of the lot occupied by, or proposed to be occupied by, the regulated land use. The standards apply only to that portion of the adjacent property (parcel or lot) located within 150 feet of the boulevard or parkway.
